**Southern  
Technical  
Institute  
MARIETTA, GA.**

**THE**

**TECHNICIAN'S LOG**

**A UNIT OF  
ENGINEERING EXTENSION  
DIVISION**

**GEORGIA INSTITUTE OF  
TECHNOLOGY**

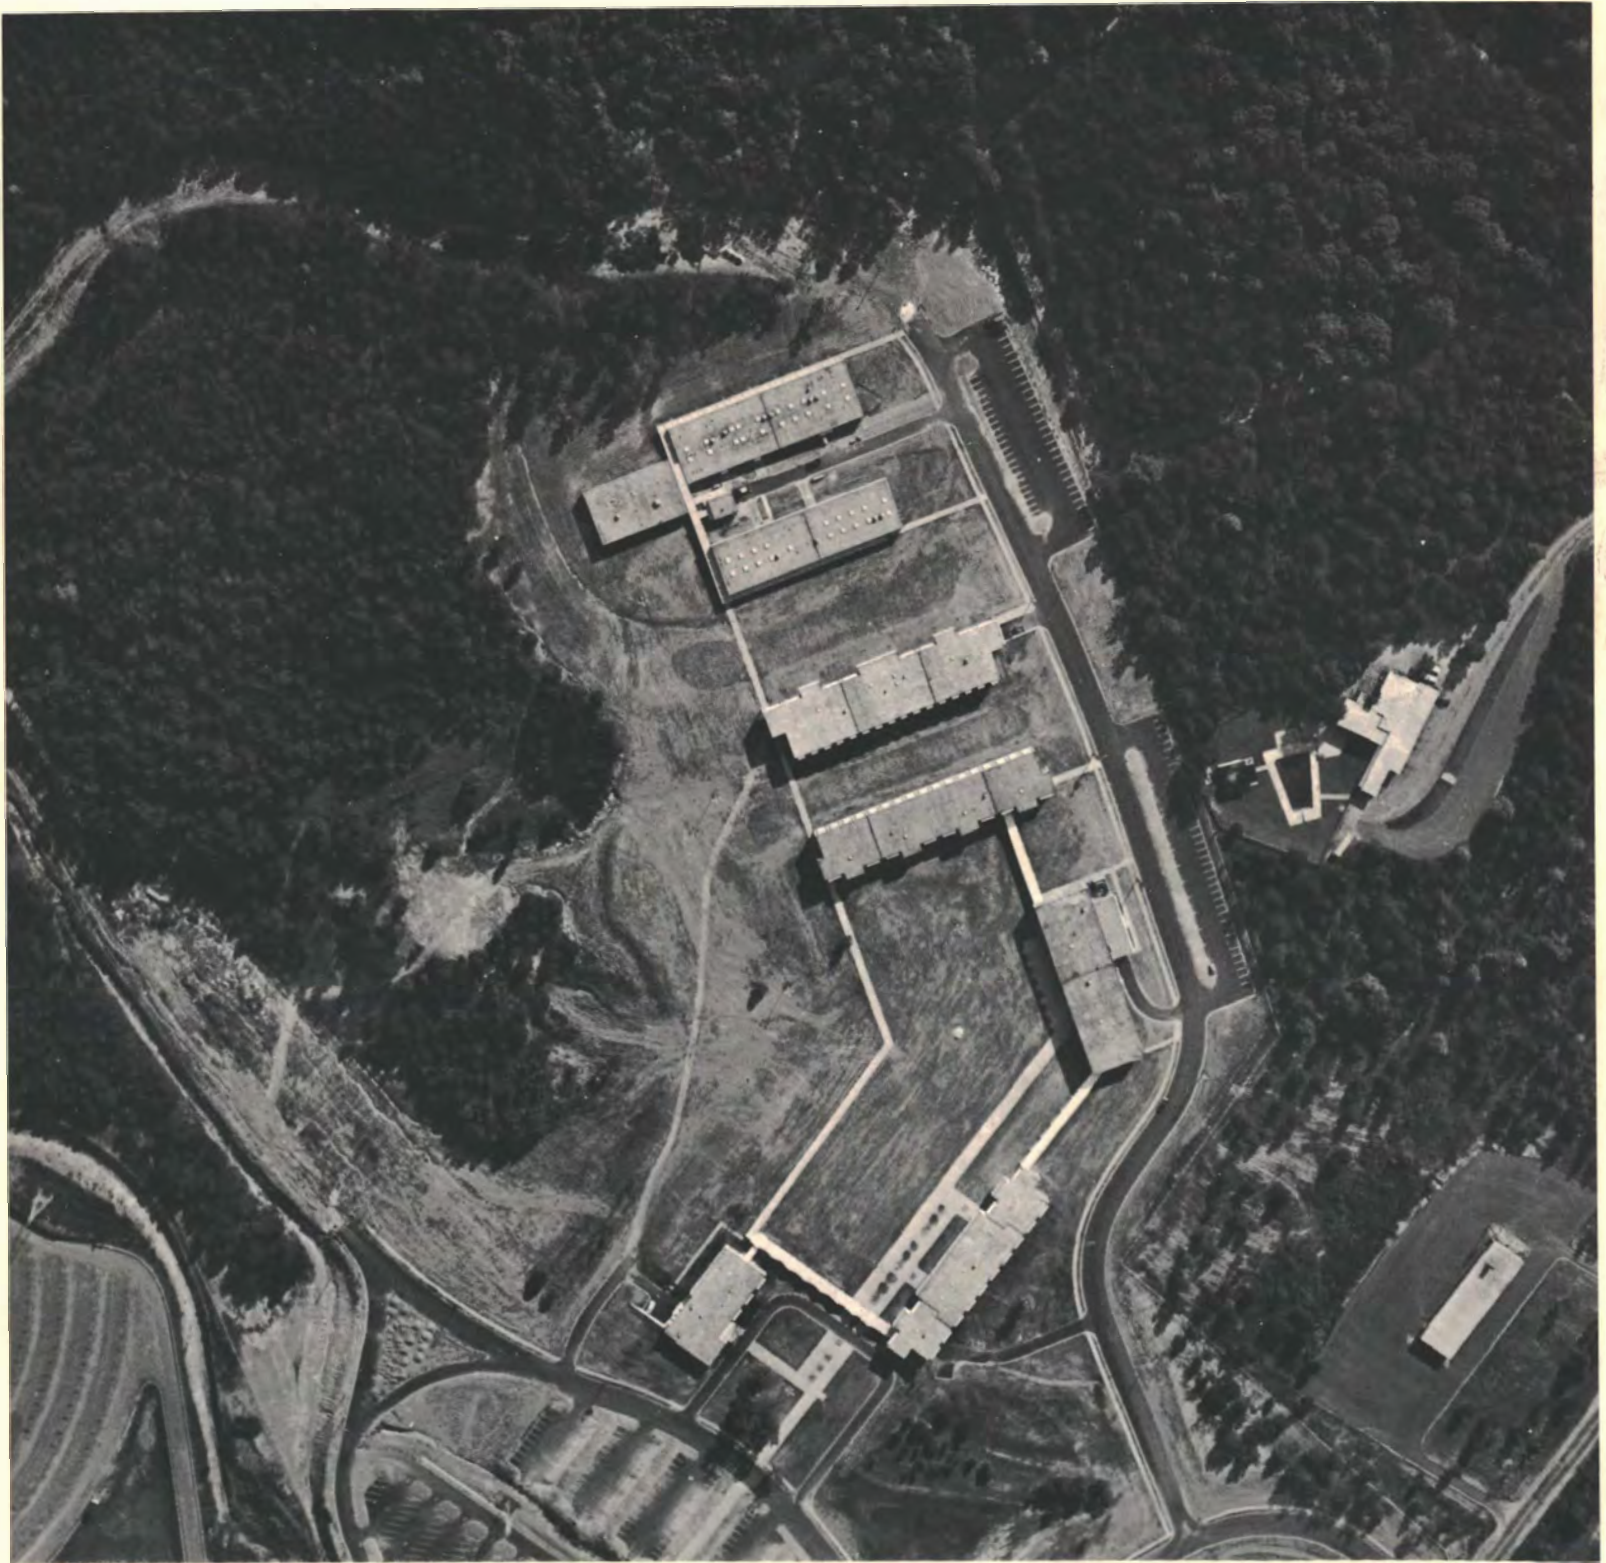

**1963**

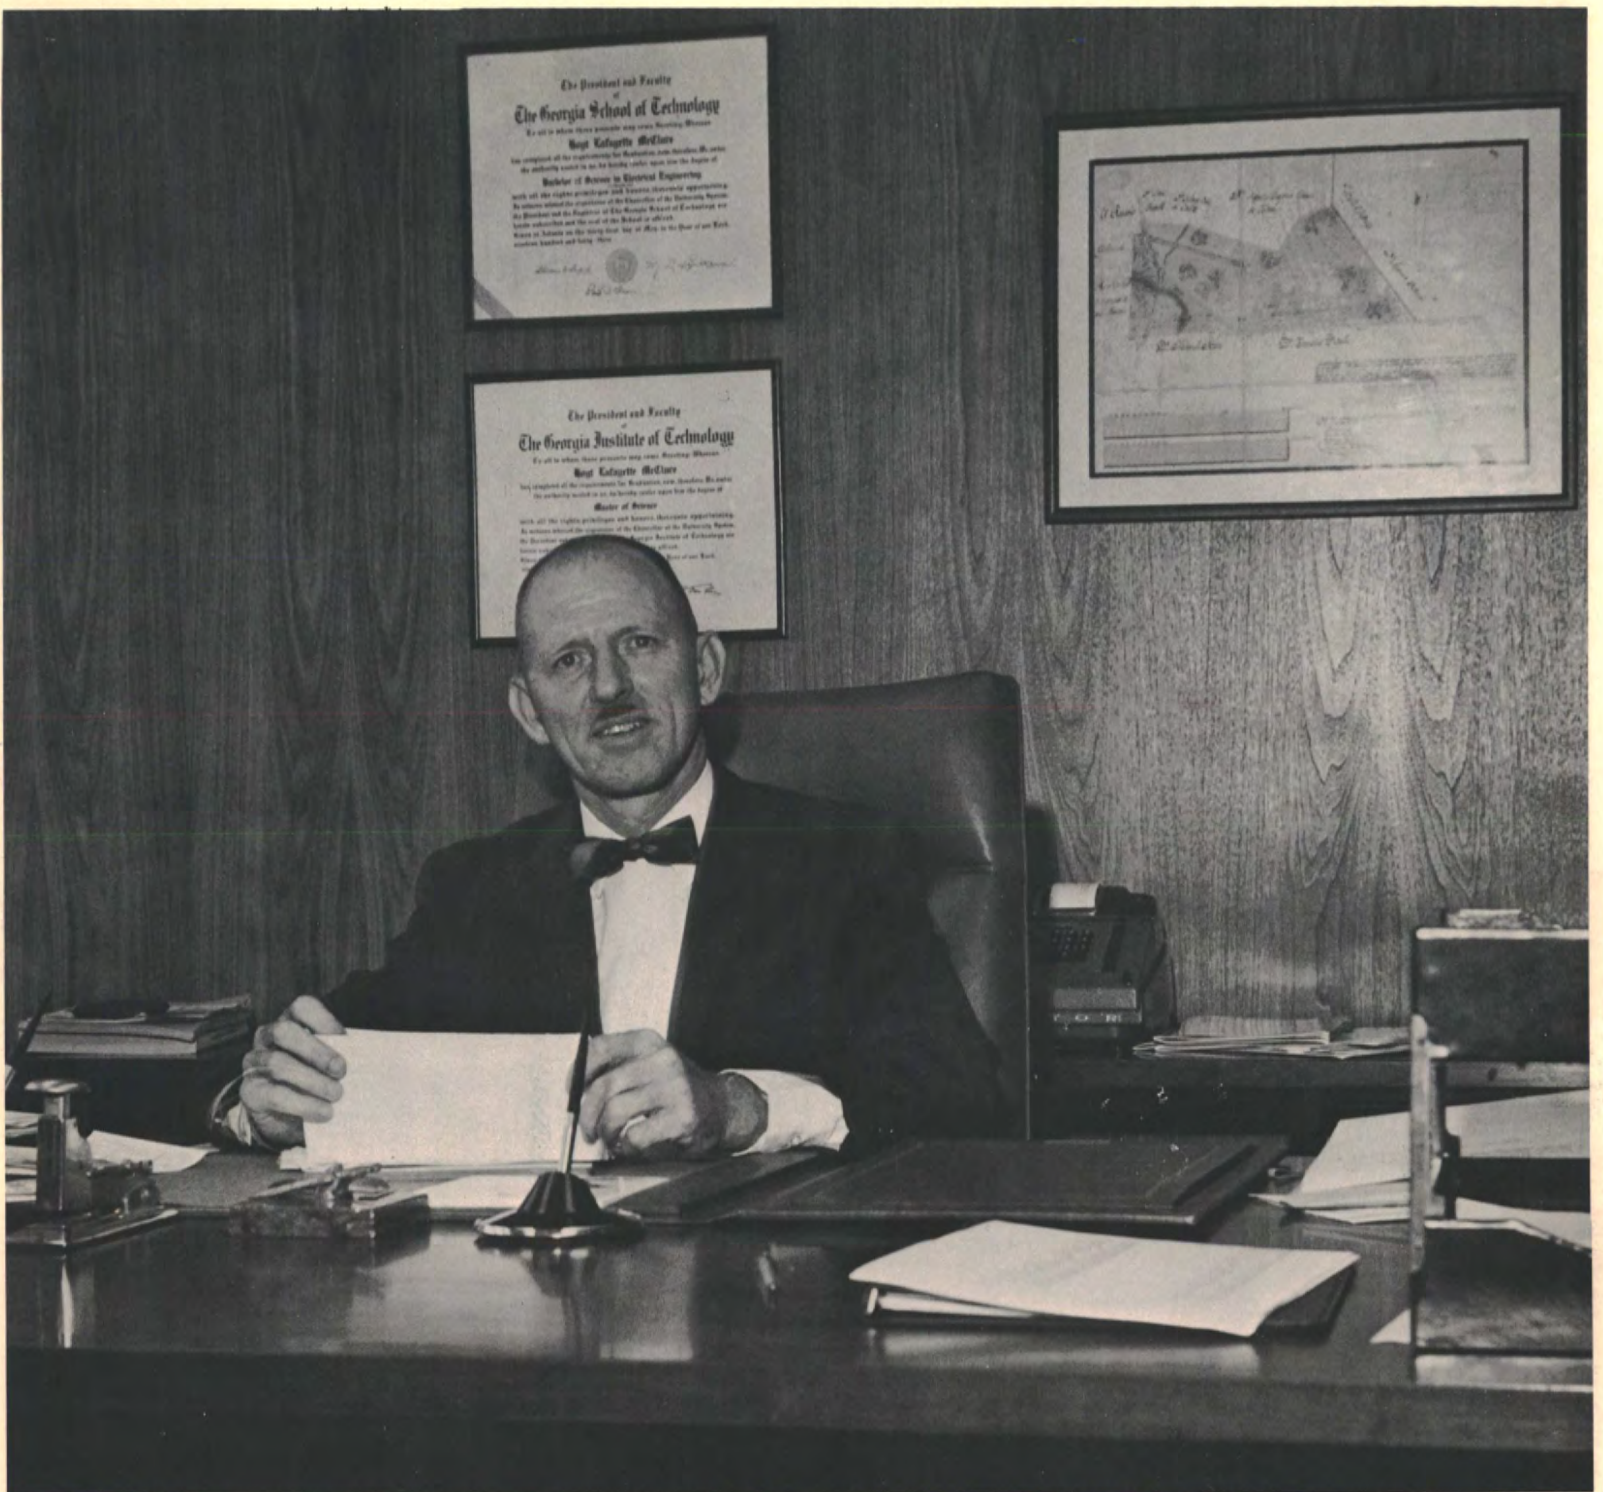

# FOREWORD

It is hoped by the staff of the *Technician's Log* that these pages will suspend and hold intact the pleasant memories of these years spent at Southern Tech.

In the years to come when the path to success has been traveled, the graduate may look again at this book and give some credit to Southern Tech for the preparation the school gave him to make that arduous journey.

## DEDICATION

A dedication should be inspired by respect and recognition of outstanding performance, and we proudly dedicate this 1963 Technician's Log to such a person, Mr. H. L. McClure, Director.

GEORGIA INSTITUTE OF TECHNOLOGY  
ATLANTA 13, GEORGIA

OFFICE OF THE PRESIDENT

A Message from the President

Each year the Southern Technical Institute increases both in stature and in its contribution to the State of Georgia. Its graduates have continued to distinguish themselves in their technical contributions to the state and regional economy. It is a fine tribute to Southern Tech, its faculty, its students, and its alumni that each year more industries seek out its products and recognize its accomplishments.

The Marietta campus has proven to be the great asset that was anticipated, and we shall continue to lend all possible support to its further development and to the growth of its programs.

I wish for each of you, your faculty, and your administration the very best of continued success and progress.

Sincerely yours,

*E. D. Harrison*

Edwin D. Harrison  
President

## a message from the director engineering extension division

TO ALL GRADUATING SENIORS.

Congratulations on your graduation. Our pride in your accomplishment is exceeded only by that of your parents and loved ones.

You are graduating at a time in which knowledge rather than man's animal energy is the central resource, when the knowledge you possess is a "property" of much greater value to the productive process and of much greater import on society than land, gold mines or buildings.

Thirty years ago a man who had acquired a specific skill had the education he needed to live on the rest of his life. Increasingly today, craft skills as such are becoming meaningless. Skills that were considered eternal only yesterday may become obsolete over night, and skills unknown today may be required tomorrow.

The modern definition of skill is the ability to adapt yourself to change—to apply new ideas to new tasks and problems. This in turn depends on knowledge and how you use it.

Commencement marks the beginning of your education. It signifies only that you have acquired the mental skills to begin life's work. To succeed you must sharpen these skills and add to them daily. When you stop learning, your progress ends.

You are graduating at a time of greater opportunity and challenge than ever before in history and we wish you every success in all that you do.

Remember always you are a member of the Southern Tech family and we are deeply interested in your work. Keep us informed on your progress and come back to see us whenever you can.

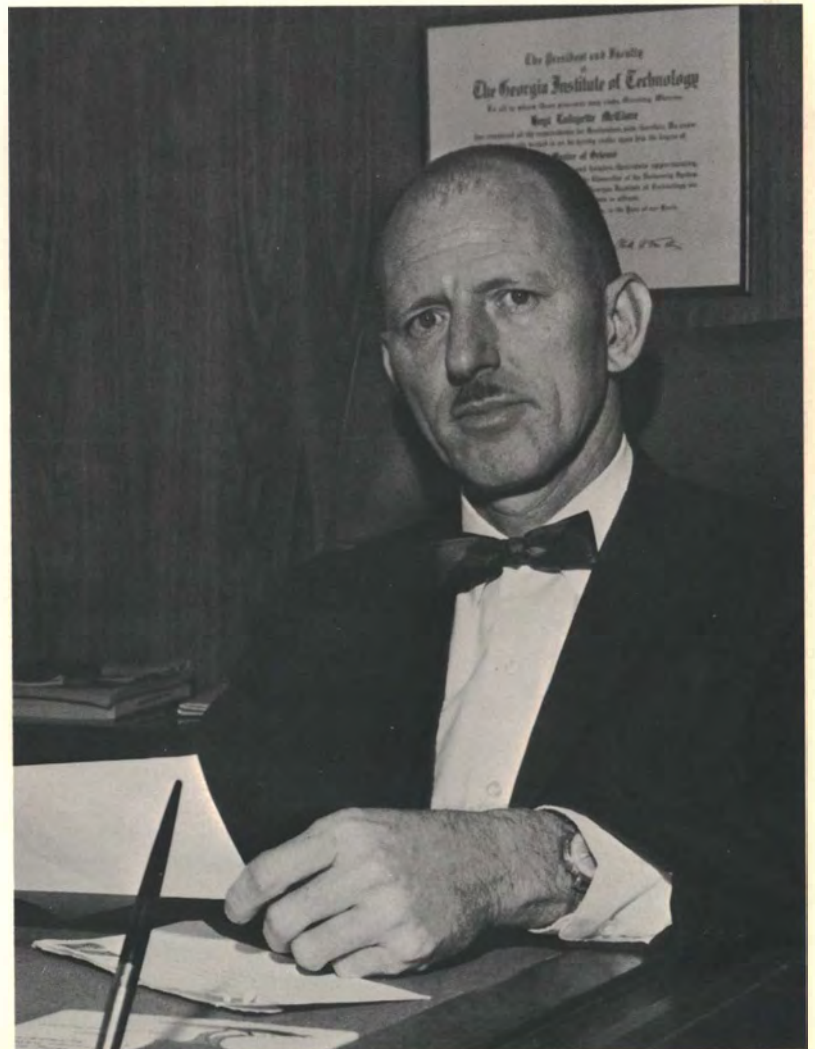

## a message from the director

"Southern Tech is a tough school, I don't see why anyone wants to go there . . ." was a comment heard at a high school recently. Southern Tech is a tough school, but I know many reasons why a student would want to come here—and I'm sure you men and women do too. You who are graduating know the satisfaction of having scaled the scholastic peaks successfully. You also know the thrill of finding that industries not only want your training, but they are willing to bid highly for it. You know the anticipation and impatience you feel of wanting to put into use your newly acquired knowledge . . . and a slight feeling of anxiety too, as to whether you can perform satisfactorily on your new job.

You men and women who have not yet graduated know something of the feelings of the graduate—and share in them too because you also will stand on the threshold of your career in a few short months. You have learned that a valuable asset is not gained easily, and a good technical education is a valuable asset. You have pride in attending an accredited school with a fine national reputation, a pride which only the faculty and alumni can fully share.

Finally, all of you have learned a valuable lesson of life, namely that hard work and continuous effort are necessary to attain the important goals you want. This one lesson may very well determine your success in life.

Yes, Southern Tech is a tough school, and you and I are both proud of that fact.

# THE ADMINISTRATION

LOY Y. BRYANT, REGISTRAR

CYRUS V. MADDOX, DEAN OF STUDENTS

GEORGE L. CRAWFORD, DEAN OF TECHNICAL DIVISION

WILLIAM J. GLENN, INTERVIEWER-COUNSELOR

GEORGE L. CARROLL, DEAN OF STUDIES DIVISION

# FACULTY

## ENGLISH

R. W. HAYS, A.B., (Presbyterian College); M.Ed., (Emory University); Head, English Department; Professor of English; Coordinator Technical Institute Evening School.

Skill in communicating is essential to the technician; on this fact depends the attitude of Southern Tech's English Department.

The college administration gives students every tool necessary for a successful career in industry. Industrial leaders, stressing the value of being able to speak and to write effectively, have often pointed out that insufficient knowledge accounts for a minority of personnel failures. The inability to issue instructions, to prepare a report, to write a letter, or to lead a conference ranks high on the list of causes of failure.

MARION E. BLAIR, A.B., (Maryville College); Assistant Professor of English.

J. B. SOJOURNER, A.B., (Vanderbilt University); M.A., (University of Georgia); Assistant Professor of English.

GEORGE L. CARROLL, A.B., (Mercer University); M.Ed., (Emory University); Dean, Basic Studies Division; Professor of English.

THEODOR R. MCCLURE, B.A., (Marshall College); M.A., (George Peabody College for Teachers); Instructor, English.

## MECHANICAL DRAWING

Engineering Drawing is one of Southern Tech's basic studies. As such, it becomes the means of learning graphic communication—so necessary for technical people regardless of their field of specialization. Secondly, the knowledge of drawing offers a means of livelihood for many of our graduates as embryo technicians in modern industry.

PARKER S. DAY, B.S., (Georgia Institute of Technology); Instructor of Drawing.

JOHN L. BOSHER, B.M.E. (Georgia Institute of Technology); Instructor of Drawing.

E. J. MULLER, B.S., (Stout State College); Head of Drawing Department; Associate Professor of Drawing.

# MATHEMATICS

Mathematics is part of the foundation of science and the superstructure upon which technology and engineering courses are built. Southern Tech furnishes this necessary background in mathematics by offering courses in algebra, plane trigonometry, and the calculus.

For those entering STI who have not had the necessary math, or for those who are weak in this subject, non-credit courses are offered.

RICHARD G. DENNING, B.M.E., (Georgia Institute of Technology); Assistant Professor of Mathematics.

C. V. MADDOX, A.B., (Mercer University); Professor of Mathematics; Dean of Students.

J. H. WORKMAN, B.S., (U.S. Military Academy); M.A., (Emory University); Assistant Professor of Mathematics.

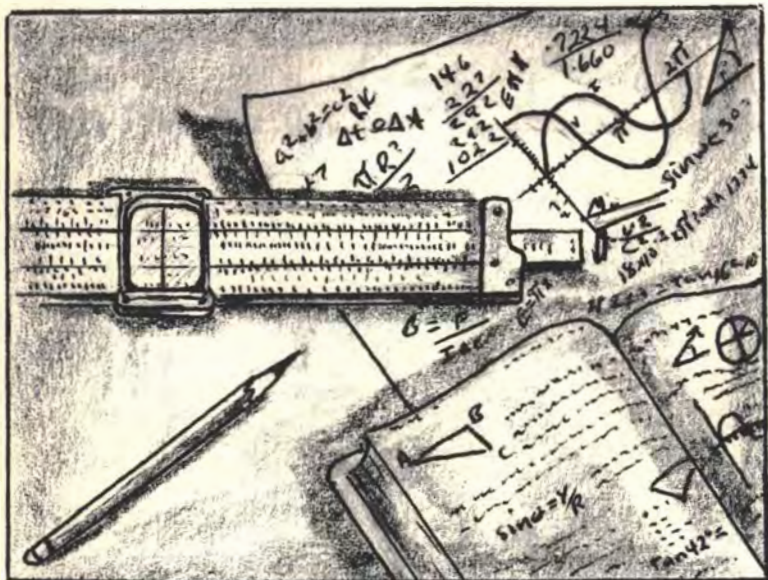

H. V. SMITH, JR., A.B., M.Ed., (Mercer University); Associate Professor of Mathematics.

EDGAR W. SHOWS, B.B.A., (Georgia State College); M.B.A. (Georgia State College); Instructor of Mathematics.

WESLEY C. ROYER, B.S.M.E., (Perdue University); Instructor of Mathematics.

ROBERT N. EDWARDS, Special Lecturer, Mathematics and Electrical Engineering Technology.

JACK W. NEWTON, Special Lecturer of Mathematics.

J. J. DEFORE, A.B. (Mercer University); Head of Physics Department; Associate Professor of Physics.

## CHEMISTRY AND PHYSICS

A department in the Basic Studies Division, the Department of Chemistry and Physics, offers instruction in the area of basic sciences. All STI graduates must complete a series of three physics subjects; most also study chemistry.

GEORGE L. CRAWFORD, B.S., (Georgia Institute of Technology); M.S., (Emory University); Professor of Physics; Dean, Technical Division.

WILLIAM HURST, B.S. in Physics, (University of Alabama); Associate Professor of Physics.

CLARK M. LAMBERT, B.A., M.A., (Western Michigan College of Education); Associate Professor of Physics.

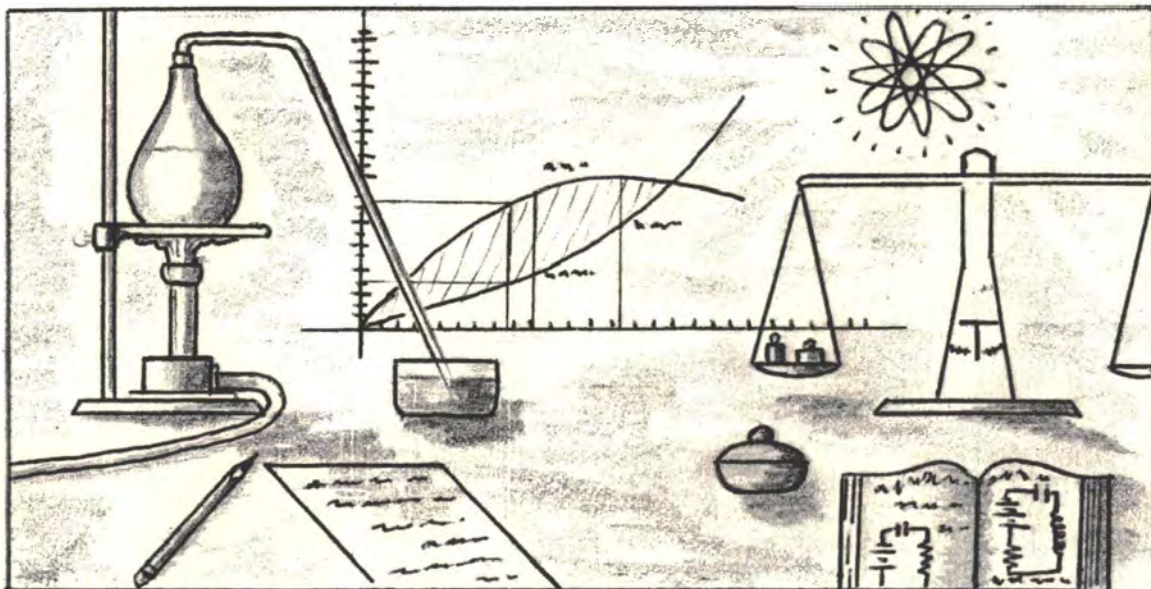

BURNS C. COX, B.S. in Engineering, (Georgia Institute of Technology); Assistant Professor of Physics.

ERNEST R. STONE, B.S., in Physics, (Oglethorpe University); Instructor of Physics.

F. J. GANGLOFF, B.S., (Florida State University); Instructor of Physics.

## ELECTRICAL DEPARTMENT

The Electrical Department offers courses in the three major fields of Electrical Technology. All students in this department receive training in mathematics, physics, English, and electrical-circuit theory. On completion of these courses the student specializes in his option. The Power Option offers training in electrical machinery, power distribution, and illumination. The Electronics Option gives training in electronics circuits, and microwaves. The Telephone Option gives training in the principles of telephone systems.

ROBERT C. CARTER, B.E.E., (Georgia Institute of Technology); P.E., (Georgia); Associate Professor of Electrical Engineering Technology.

JAMES P. GOODWIN, JR., Acting Head of Electrical Department; Special Lecturer of Electrical Engineering Technology.

RALPH P. YOUNGBLOOD, B.E.E., (Georgia Institute of Technology); P.E., (Georgia); Associate Professor of Electric Engineering Technology.

JOHN L. KEOWN, B.E.E., (Georgia Institute of Technology); Instructor of Electrical Engineering Technology.

DAVID E. SUMMERS, A.S. (Southern Technical Institute); B. of E.E., (Georgia Institute of Technology); Instructor in Electrical Engineering Technology Department.

DICK B. WEIR, B.E.E., (Georgia Institute of Technology); Instructor of Electrical Engineering Technology.

WALTER E. BURTON, JR., A.S. (Southern Technical Institute); Special Lecturer of Electrical Engineering Technology.

WILLIAM O. SPAETH, A.S., (Southern Technical Institute); Special Lecturer in Electrical Engineering Technology.

VIRGIL D. BAKER III, Special Lecturer of Electrical Engineering Technology.

JOHN C. MEINTZER, JR., A.S., (Southern Technical Institute); Laboratory Maintenance.

## CIVIL DEPARTMENT

The Civil Technology course prepares students for jobs in the surveying, construction and consulting engineering fields. Upon completion of the course and after the required experience and examinations have been completed the Civil Technician may become a Licensed Professional Land Surveyor. Many Civil Technicians have become superintendents or project managers on construction jobs; others are working for various engineering companies, or in sales engineering and promotion work.

C. T. HOLLADAY, B.S.G.E., (Tennessee Polytechnic Institute); P.E. and R.L.S., (Georgia); Head, Civil Engineering Technology Department; Professor of Civil Engineering Technology.

ROLF W. ROLEY, B.S.M.E., E.M., (Missouri School of Mines); P.E., (Illinois and Wyoming); M.M., (Illinois and Indiana); Assistant Professor of Civil Engineering Technology.

EDGAR T. FOWLER, B.C.E., Civil Engineering, (Georgia Institute of Technology); Assistant Professor of Civil Engineering Technology.

R. L. MYATT, B.C.E., (North Carolina State College); P.E. and R.L.S., (Georgia); Associate Professor of Civil Engineering Technology.

MARION W. COREY, B.S., (Auburn University); M.S., (Mississippi State University); Instructor of Civil Engineering Technology.

HAN A. TROEMEL, A.S., (Southern Technical Institute); Special Lecturer of Civil Engineering Technology.

## HEATING AND AIR CONDITIONING

In the past few years the heating and air conditioning industry has become one of the largest in the country. Already air conditioning is a "Must" for homes, offices, hotels, and theaters. New applications of air conditioning and refrigeration theory are announced daily.

The heating and air conditioning course is designed to train technicians to plan, install, operate, and maintain all types of heating, air conditioning and refrigerating equipment. Basic courses in physics, mathematics, mechanical drawing, shop, human relations, technical writing, public speaking, and supervisory training are included.

TURNER M. SULLIVAN, B.S., B.B.A., (Georgia State College); P.E., (Georgia); Assistant Professor Air Conditioning Engineering Technology.

LEONARD H. TAYLOR, B.S.M.E., M.S.M.E., (Georgia Institute of Technology); P.E., (Georgia); Head, Air Conditioning Engineering Department; Professor of Air Conditioning Engineering Technology.

## INDUSTRIAL

HERBERT ELLER, B.I.E., (Georgia Institute of Technology); Assistant Professor of Industrial Engineering Technology.

The Industrial Engineering Department is unique in that its graduates can apply their knowledge and skill in practically every industry.

The technical option deals with setting up new plants, getting men, machines, materials, and methods into efficient and economical use.

The Management Option supplies management training through such courses as Supervisory Training, Industrial Psychology, Small Business Management, and Labor Management.

GEORGE M. LAWSON, A.S., (Southern Technical Institute); B.S.Ed., (Oglethorpe University); Head of Industrial Engineering Technology Department; Assistant Professor of Industrial Engineering Technology.

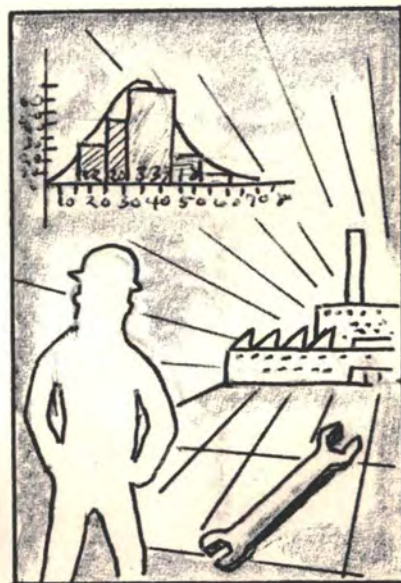

A. L. STEINKAMP, B.S.E.E., M.S.I.E., (Purdue University); Professor of Industrial Engineering Technology.

JAMES L. KEEN, III, B.I.E., (Georgia Institute of Technology); B.A., (Oglethorpe University); Instructor of Industrial Engineering Technology.

LAWRENCE L. PARLETT, A.S., (Southern Technical Institute); B.A., (Oglethorpe University); Instructor of Industrial Engineering Technology.

## TEXTILE

The demand for trained, qualified men by the textile industry is much greater than the number of students enrolled in the textile schools of the nation. The course in Textile Technology at Southern Tech is designed to fill the need for technicians in the textile industry.

The student is trained in communication, basic sciences, managing people, and textile manufacturing. This special training should give him the imagination, the knowledge, and the ability to develop eventually into a valuable executive in this great industry.

JOHN I. ALFORD, B.S.T.E., (Georgia Institute of Technology); Head of Textile Engineering Technology Department; Associate Professor of Textile Engineering Technology.

ROBERT B. WATKINS, B.S., (Tulane University); B.S., (Georgia Institute of Technology); M.S., (Georgia Institute of Technology); Instructor of Textile Engineering Technology.

## BUILDING CONSTRUCTION

The curriculum of Building Construction Technology is concerned with the design, supervision, and construction of homes, schools, factories, stores, and municipal projects. The student is taught the methods of designing, drawing plans, and following through with construction details and methods. Emphasis is placed on Architectural Technology; and upon successful completion of this course the student has many varied job opportunities in architectural and engineering offices and with building contractors and manufacturers of building materials.

C. R. ORVOLD, B.S., (Stout State College); Head, Building Construction Technology Department; Professor of Building Construction Technology.

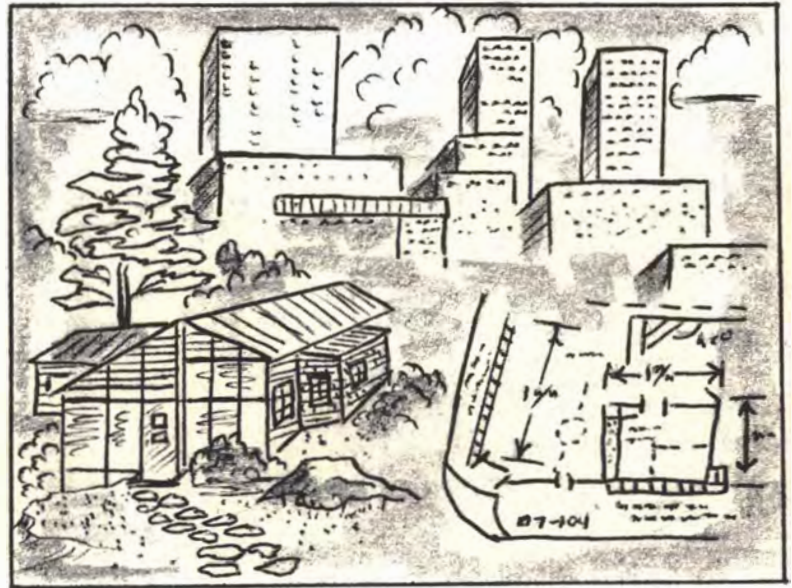

JOHN E. DUNN, B.S.I.D., Mathematics, (Georgia Institute of Technology); Assistant Professor of Building Construction Technology.

W. W. VAUGHAN, B.S., B. Arch. (Georgia Institute of Technology); P.E., (Georgia); Associate Professor of Building Construction Technology.

WILLIAM S. NEWMAN, III, B.S.Ed., (University of Georgia); A.S., (Southern Technical Institute); Instructor of Building Construction.

## ATHLETICS

The athletic program at Southern Tech consists of two parts, varsity athletics, and intramural sports. STI competes in intercollegiate athletics in five sports: basketball, baseball, track, tennis, and golf. STI holds memberships in the Georgia Junior College Athletic Association and National Junior College Athletic Association and competes with junior colleges and freshmen teams in Georgia and Florida in basketball and baseball.

Harry S. Lockhart is the Athletic director and coaches basketball and baseball. Floyd J. Gangloff coaches track, Bob Myatt coaches the golf team, and Harry V. Smith, Jr., is the tennis coach.

The intramural program consists of departmental teams within the school. These teams compete in basketball, volleyball, softball, track, tennis, and ping-pong. First-, second-, and third-place points are awarded for each sport, and the total points for the year determines the winner of the intramural trophy each year.

HARRY S. LOCKHART, A.B., (Mercer University); Athletic Coach; Assistant to Dean of Students.

## MECHANICAL

LAWRENCE C. CUBA, B.Ed., M.A., (University of Minnesota); Assistant Professor of Mechanical Engineering Technology.

The Mechanical Technology Curriculum offers training in three categories, basic courses in English, physics, mathematics, etc. Specialization courses which deal with the mechanical aspects of manufacturing, personnel, and management courses dealing with human problems that arise in manufacturing.

Class room theory is correlated with laboratory work in which the student becomes familiar with the basic tool and machines used in the mechanical field.

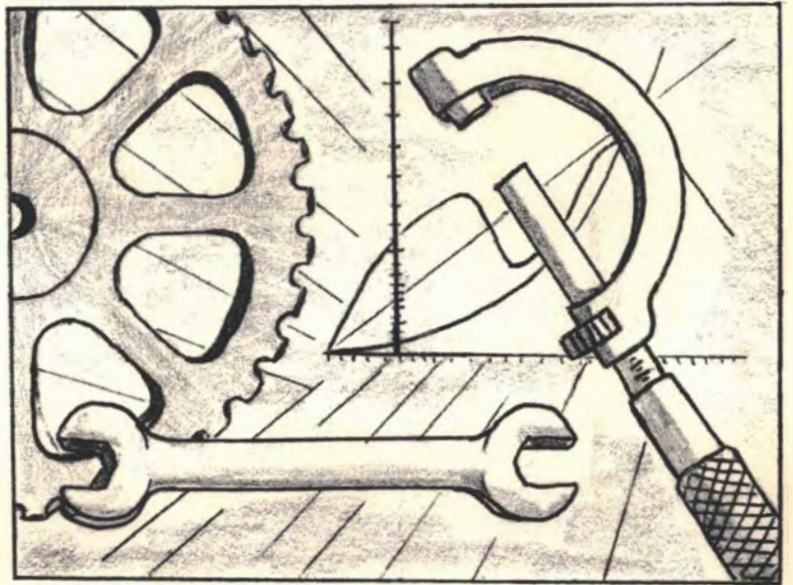

CLARENCE A. ARNTSON, B.S., (Stout State College); Head of Mechanical Engineering Technology Department; Associate Professor of Mechanical Technology.

CHARLES R. FREEMAN, B.S., M.S., (Stout State College); Associate Professor of Mechanical Engineering Technology.

MELVIN SORRELLS, West Georgia; Special Lecturer Mechanical Technology.

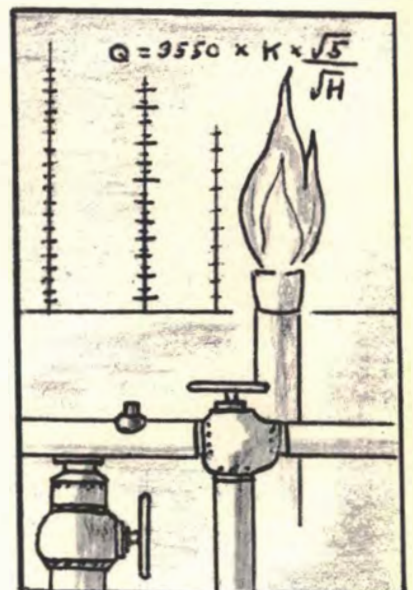

## GAS FUEL

One of Southern Tech's major distinctions is its gas fuel technology department—the only course of its kind in the United States.

The gas industry is one of the top leading industries in the United States, and the demand for trained technicians seems almost insatiable.

The course encompasses the transmission, distribution, and utilization of natural and liquefied petroleum gases. Of course, basic science subjects, English, management courses, and courses related to the major technical specialty are included. The program is constantly surveyed by leaders in the gas industry to assure that the curriculum is designed to adequately train gas technicians.

W. L. THOMAS, B.S., (University of Omaha); Head, Gas Engineering Technology Department; Coordinator of Cooperative Program; Associate Professor of Gas Fuel Engineering Technology.

# ADMINISTRATION STAFF

Mrs. J. S. Mavity  
*Administrative Assistant*

Mrs. Armenta Simmons  
*Acting Placement Director*

Mrs. Vernia Fuglaar  
*Financial Secretary*

Mrs. Annette Mansell  
*V.A. Secretary*

Extension Division*

# ENGINEERING EXTENSION DIVISION

The Engineering Extension Division is that division through which the Georgia Institute of Technology extends its educational resources to those who do not desire to enroll as full-time day school students, or who desire special programs of instruction in the technical institute, engineering, or management areas.

The Engineering Extension Division includes three units in addition to Southern Tech. These are the Engineering Evening School and the Short Courses and Conferences units both operating on the main Georgia Tech campus, and the Industrial Education Department operating throughout the State.

Through the Engineering Extension Division, Georgia Tech extends its resources to serve approximately 12,000 people each year.

ROBERT S. HERNDON  
*Director of Engineering  
Evening School*

MRS. BLANCHE TURNER  
*Registrar*

MRS. JANE WHITNER  
*Administration Secretary*

*Class President*  
Robert Clements

*Class Vice President*  
Larry Surber

## SENIOR CLASS OFFICERS

The new senior class president, Robert Lewis Clements, is from Wrens, where he graduated from high school in 1956.

He is a member of Sigma Chi Tau and is captain of the club's intramural softball and basketball teams.

He has been a co-op student with the highway department for the last two years and has been on the dean's list three out of four quarters. His point average, at present, is 3.13.

Larry Surber, Jr., the newly elected vice-president of the senior class, has lived in Marietta most of his life. He was graduated from Marietta High School in 1961 and started to STI in the fall quarter of the same year; he took a double major and will graduate with a B.C. and Civil Technology degree. He served as freshman representative to the Student Council, and was on the Dean's List for two quarters, with an overall point average of 2.75. Larry was social chairman of Alpha Beta Sigma and in charge of the Hearts and Shadows Valentine Ball. He also participated in intramural bowling, basketball, and golf.

W. D. Koempel

*Class Vice President*  
Dennis Weaver

## FRESHMAN CLASS OFFICERS

William Daniel Koempel, freshman president, was graduated with honors from Plant High School in Tampa, Florida, in 1958. After graduation he entered the United States Air Force and served for four years. He participated in football at Plant High School and was a member of the annual staff. At STI he enrolled in the Electrical Department, electronics option. He is the editor of *The Log* and a reporter for the *Technician*. He is a member of Epsilon Pi Chi.

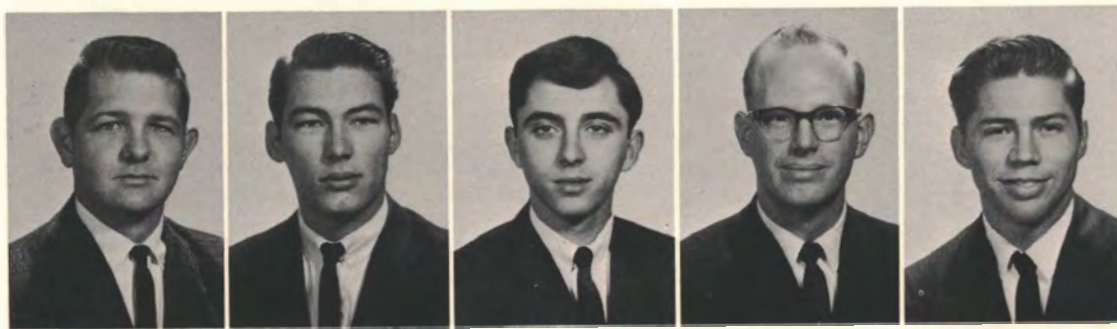

Robert Dennis Weaver, the new vice president of the freshman class, graduated from Rossville High School in 1960 and entered Georgia Tech in the fall of '60. In high school he was a member of the band for five years and received a letter in wrestling in his senior year. He assisted with the publication of the school newspaper and was active in the Science Club, Spanish Club, and the Motor Club as secretary. He transferred from Georgia Tech to STI in the fall of 1962.

# SOUTHERN TECH

# CHEERLEADERS

Linda Morgan  
Jane Williams Vonne Brawner  
Virginia Stewart—Elaine Powell—Anita Jenkins

The Hornets of Southern Tech were encouraged to play basketball with greater strength against their opponents as they were cheered-on by the high-spirited cheerleaders.

We, the members of the basketball team, would like to thank them for the splendid job they performed.

*Kneeling, left to right:* Wilkes, Richard—Deaton, Bob—Sims, Bob—Battle, Jimmy—Perkins, Ed—Miller, Dale. *Standing, left to right:* Lockhart, Coach—McDonald, Dennis—Wilson, Jim—Rainey, Hue—Smith, Wayne—Ingram, Ben—Holbrook, Richard—Cook, Findley—Palmer, Holt—Ross, Ken—Chambliss, Al—Stancil, Jim—Samples, Mike.

## SOUTHERN TECH WINS STATE CHAMPIONSHIP

For the first time in the history of Southern Tech, Georgia's junior-size rendition of the Ramblin Recks, athletic distinction is merely a step from realism.

Never before 1963 had Southern Tech won a state baseball championship, but last week chance, strong pitching and hitting turned to their favor and Coach Harry Lockhart's boys won the rule of an Eastern and Western Division split in the Georgia Junior College Conference, taking, in turn, the state title. "We're waiting now to get final confirmation on who wins in Florida," said Coach Lockhart on Saturday. "Whichever team it is will come here for a play-off that will decide who will represent our area in the nationals in Colorado.

"The games for the play-off will be a best two-of-three, starting here on May 17," added Lockhart. "We don't know yet if we'll be playing night or day games."

Southern Tech won its right to meet the Florida entry by compiling an overall record of 13-3 and winning the Western title. They then met Norman, Eastern division champs, in a play-off and won in a two-of-three series.

Pleasing among the many fine aspects on the Southern Tech team this year was a solid and strong pitching staff. Jimmy Stancil earned a 6-1 record, two victories coming in play-offs. Bobby Sims was perfect in the statistics, 4-0, and Jimmy Wilson, who broke his foot, came in with two crucial victories late in the season and finished with a 3-2 record. Dale Miller went 3-1 on the year and reliever Bob Deaton saved three games, though he did not receive any credit.

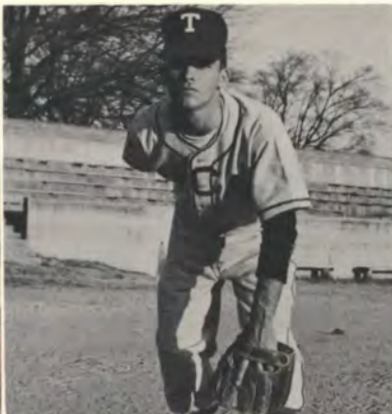

The club consisted of Wayne Smith, catcher who hit over .300; Decatur's Hue Rainey at first, leading batsman with a .379 mark; Murphy's Jim Battle at second; Ed Perkins of Jacksonville, Florida, at shortstop, and Richard Wilkes, Thomaston, Ga., at third.

The outfield was composed of Ken Ross, Johnson City, Tenn., in left; Ben Ingram, Southwest DeKalb graduate, in center, and Dalton's Mike Samples with Jimmy Wilson in right field.

"We were fortunate this year to have strong hitting and pitching," said Coach Lockhart. "In this league, you graduate so many."

## Southern Tech Wins President's Trophy

Southern Tech was awarded the President's Sportsmanship trophy at the fall coach's meeting at Douglas, Ga., last week. This trophy is given each year to the school who displays good sportsmanship at all games, treats visiting teams courteously and handles their athletic program in a manner conducive to good relations with other schools in the conference. The trophy will be presented to Director H. L. McClure at the regular meeting of junior colleges at Tifton in the fall.

## Four Make All State Team

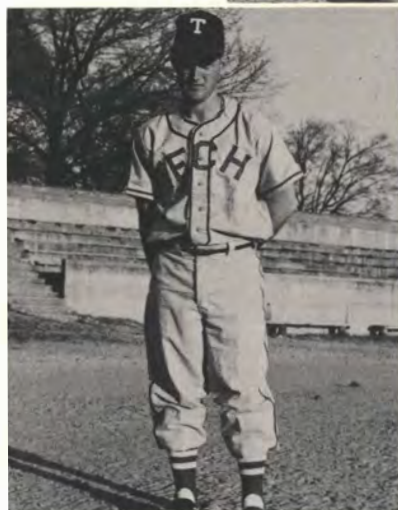

Wayne Smith, catcher; Hue Rainey, first baseman, Ken Ross, outfielder, and Jim Stancil, pitcher, were named to the all state baseball team for 1963.

Smith, Rainey and Ross all hit better than .300 for the season and Stancil won five games while losing only one as the hornets won their first state baseball championship with fifteen victories against four losses.

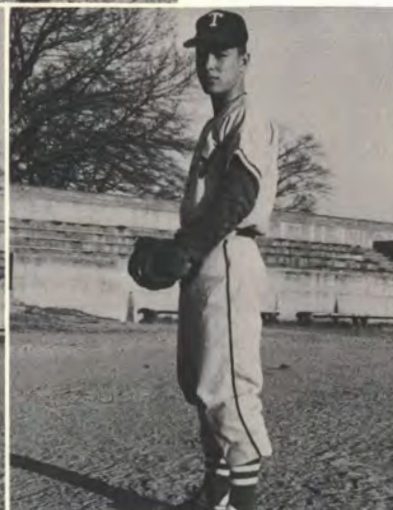

Smith is a senior in the Building Construction Department and Rainey, Ross and Stancil are freshmen who will return next year along with seven other freshmen lettermen who should make Southern Tech a contender in 1964.

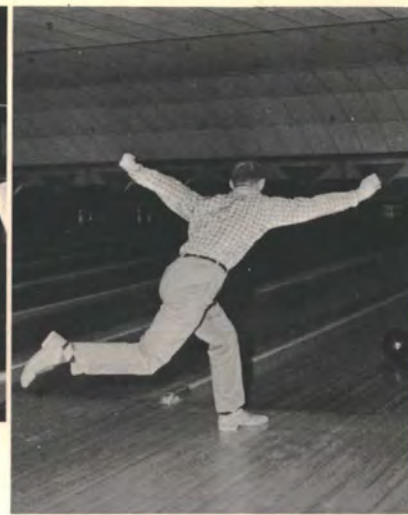

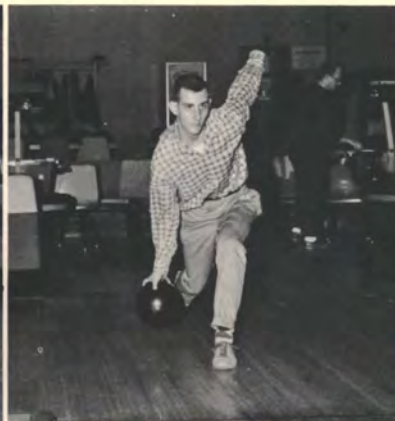

Stancil, Jim

Deaton, Bob

Emory .....	March 30—	Won
Emory .....	April 6—	Won
G.M.C. ....	April 6—	Won
Middle Georgia Tournament		
.....	April 13—	2nd Place
STI Tournament.....	April 19—	3rd Place
Gordon Military Tournament		
.....	April 26—	2nd Place
State Tournament.....	May 9-10—	4th Place

## Golf Team Wins Three Matches

The Southern Tech golf team is still undefeated after its first three matches.

The first match of the year was a triangular match with Emory at Oxford and GMC. In a closely fought match Larry Surber saved the match by one stroke.

The following day, April 6, Emory at Oxford was again defeated by Southern Tech. This time Southern Tech won by a margin. The third match was forfeited to Southern Tech by Augusta College.

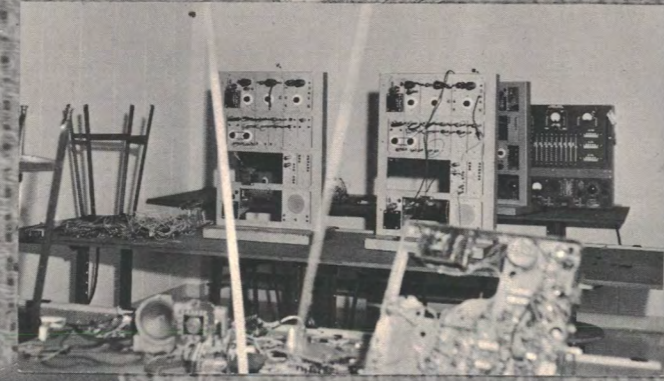

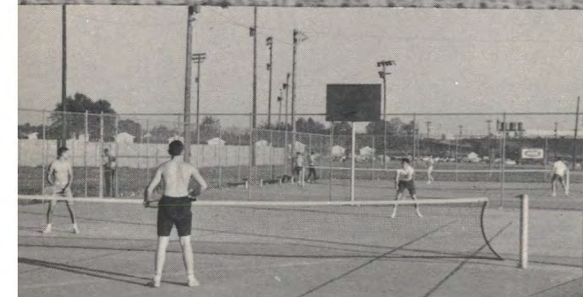

The golf team's next match will be the first Southern Tech Invitational Golf Tournament. Six four-man teams will compete.

The Southern Tech team is anchored by returning lettermen B. J. Hatcher and Frank Garbutt. The new players are Stanley Butler and Larry Surber. Bob Myatt and George Lawson are the coaches.

Row 1: Frank Garbutt, Larry Surber, B. J. Hatcher, Stanley Butler. Row 2: Bob Myatt, George Lawson.

## Miss, No Miss, Didn't Miss In Try For Beauty Crown

### List of Contestants for Miss Southern Tech

Mrs. Donna Crowder, Sponsor for ASTME, Escort Mr. Jack Crowder; selected Miss Southern Tech.

Miss Toni Wagnon, Sponsor for Alpha Beta Sigma, Escort Mr. Stewart Colvard; First Runner-up.

Miss Robbie Zell, Sponsor of Iota Tau, Escort Mr. Roy Tuck; Second Runner-up.

Miss Kay Clark, Sponsor for Eta Alpha Gamma, Escort Mr. Bob Stewart.

Mrs. Lucille McLean, Sponsor for Tech Annes, Escort Mr. Johnny McLean.

Miss Ruthie Jones, Sponsor for Sigma Chi Tau, Escort Mr. Jim Bay.

Miss Jane Williams, Sponsor for Sigma Delta Phi, Escort Mr. Charles Elrod.

Mrs. Travis Mattice, Sponsor for Technician's Log, Escort Mr. Dale R. Mattice.

Miss Mary Fisk, Sponsor for Toastmasters, Escort Mr. Jon Hoialmen.

Mrs. Shirley Weaver, Sponsor for Technician's Paper, Escort Mr. Robert Weaver.

Miss DiAnn Powers, Sponsor for Alpha Mu Sigma, Escort Mr. Dick Turner.

Miss Margie Westmoreland, Sponsor for Student Council, Escort Mr. Jerry Kirk.

Miss Ann Long, Sponsor for SAM, Escort Mr. Gerald Long.

Miss Ann Knight, Sponsor for Gamma Phi Kappa, Escort Mr. Andy Schneider.

Miss Michael Swenson, Sponsor for Epsilon Phi Chi, Escort Mr. Bill Poulos.

From left to right—Miss Toni Wagnon, Sponsor for Alpha Beta Sigma, First Runner-up; Mrs. Donna Crowder, Sponsor for ASTME, Selected Miss Southern Tech; Miss Robbie Zell, Sponsor for Iota Tau, Second Runner-up; Miss Toni Diane Bryant, Sponsor for ASTME, Miss Southern Tech of 1962.

## THE STUDENT COUNCIL

The purpose of this organization is to recommend student rules and regulations, to transact business, to represent the interests of the students, and to execute their will in accordance with the privileges granted the student government by faculty and administration of the Southern Technical Institute.

OFFICERS: *Left to Right*—Charles W. White, Vice President; Alfred C. Cornelius, President; Charles Ward, Secretary; Cyrus V. Maddox, Advisor.

# ALPHA BETA SIGMA

## BUILDING CONSTRUCTION ENGINEERING TECHNOLOGY

Alpha Beta Sigma originated in 1948 as Building Construction Club. The club was changed to Alpha Beta Society in 1955 and in 1959 to Alpha Beta Sigma.

Its purpose is to promote better school spirit among the students of the Building Construction course; to develop initiative, leadership, and an ability to work cooperatively with others; to provide an opportunity for meeting and becoming better acquainted with fellow members of the BC department.

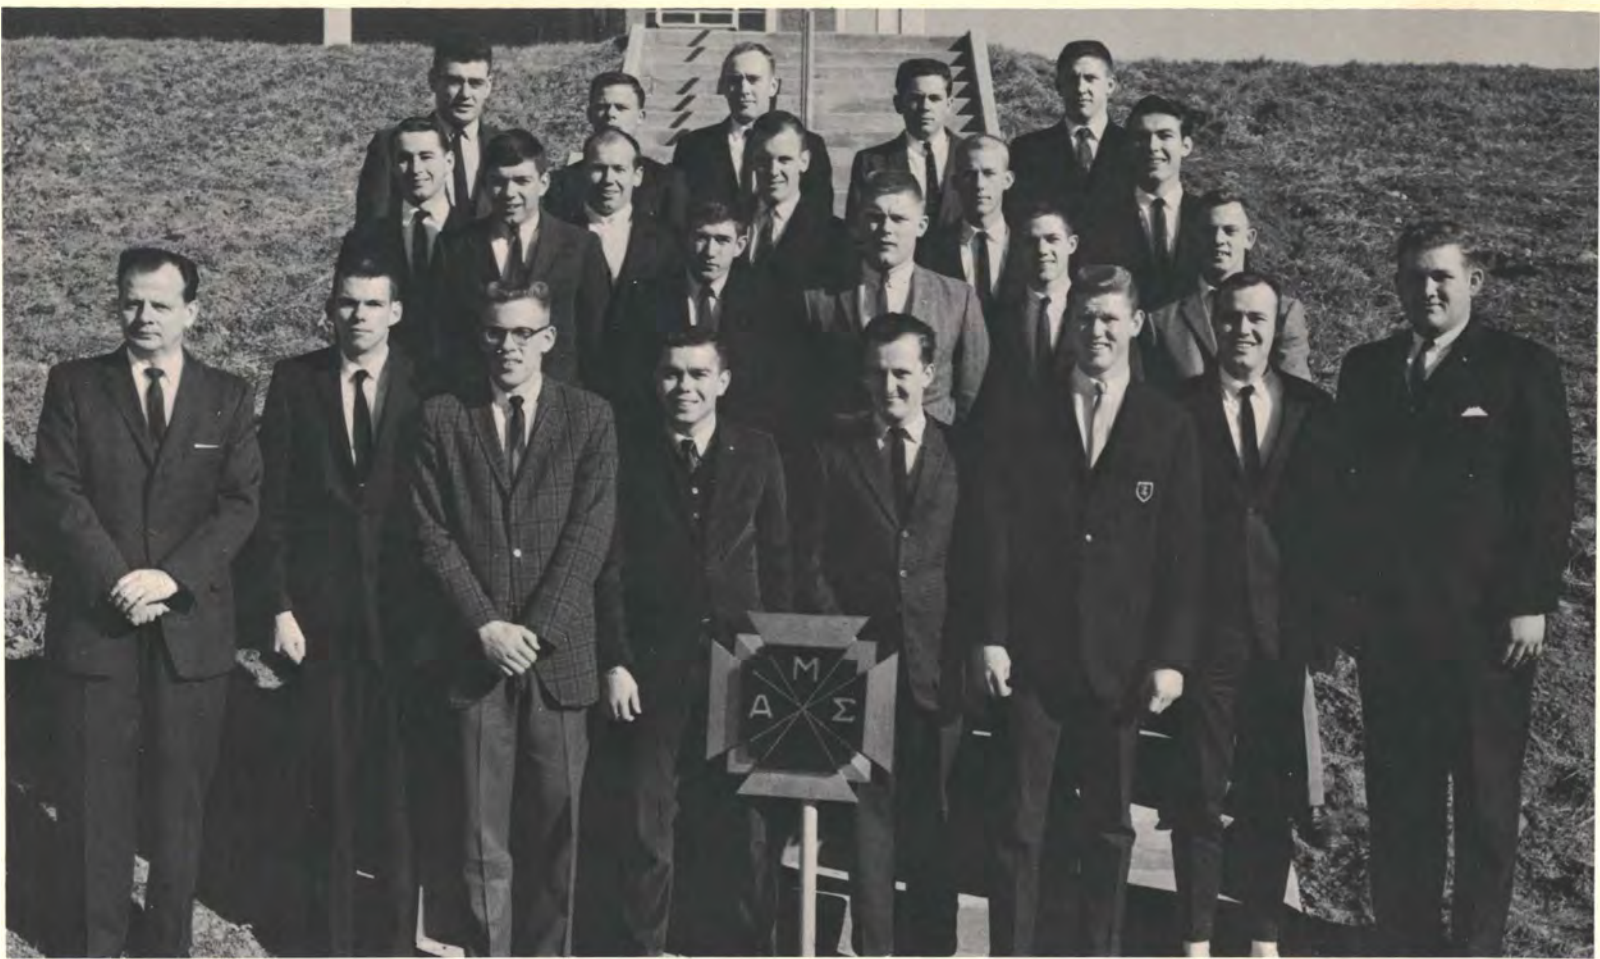

The Valentine dance, sponsored by the Alpha Beta Fraternity had as its setting the Dixie Ball Room of the Henry Grady Hotel. Richard Peden was the chairman of the dance committee. Mr. James Defore was the master of ceremonies.

OFFICERS (L to R): Row 1—President, Peden, R. H.; Vice President, Moody, R. L.; Secretary, Hall, Ben; Social Chair., Surber, L. L., Jr.; Treasurer, Dennis, Harold R. Row 2—Student Council Representatives (Seniors) Hatcher, B. J.; Publicity Chairman, Jenkins, A. L.; Sports Director, O'Shea, J. M.; Pledgmaster, Rainey, Steve; Parliamentarian, Dixon, Robert; Student Council Representative (Freshmen) Palmer, Hoyt.

Brooks, William L. Bowman. Row 3—Dennis Weaver, Charles Galbaugh, Doug Wampole, Lee Jenkins, Richard C. Adamson. Row 4—Gene Morris, Jimmy Meeks, Kenneth Porter, Steve McKinney, Chaffin L. Wesley.

# ALPHA MU SIGMA

## MECHANICAL ENGINEERING TECHNOLOGY

This is the official fraternity of members from the Mechanical Department.

Alpha Mu Sigma, formerly known as the Mech Club, is composed of members of the Mechanical Department. The club was founded to promote fellowship among members of the Mechanical Technology Department and to provide social functions for all members. The Mech Club has grown as the school has grown and is now recognized as one of the leading fraternities on the campus. AME has made its name through hard work on the part of the members in supporting intramural sports and good-will programs aimed at achieving a more pleasing name for Southern Tech.

**OFFICERS:** Row 1—Richard Parker, Student Council; Bruce Barron, Secretary; Buddy Cook, President; Dick Turner, Vice Pres. Row 2—William Martin, Sgt.-at-Arms; Bruce Edwards, Pledge Master; Ken Massey, Student Council.

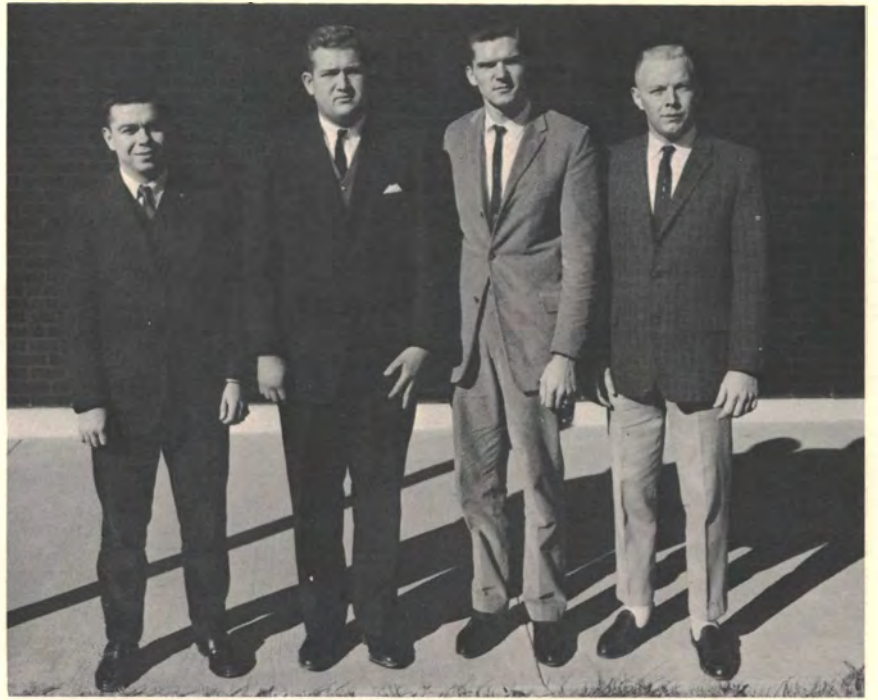

# A.S.T.M.E.

## CAMPUS-WIDE

To study and improve the methods of tool engineering.

ASTME, meaning American Society of Tool and Manufacturing Engineers, is a campus-wide organization open to all department members. Founded in 1956, it has grown rapidly and has more than doubled its active membership. The society promotes interest in tooling standards through many and varied plant tours. To promote better relations between student chapter and senior chapter, many meetings have been held jointly with the senior chapter in Atlanta.

OFFICERS (L to R): Secretary, Cook, Buddy; Vice President, Martain, William; Treasurer, Stamey, Henry G.; President, Tichenor, Jack T.

Row 1—L. G. Cuba; Cook, Buddy; Martain, William; Tichenor, Jack T.; Stamey, Henry G. Row 2—Duke, Richard; Williams, Bennett; Edwards, Bruce W.; Merrkow, Ralph L.; Jenkins, Lee. Row 3—Weaver, Dennis; Bowman, William L.; Parker Darrell F.; Adamson, Richard C.; Barron, Bruce; Leatherwood, William, Jr. Row 4—Restrepo, Pedro L.; Robledo, Silvio; Crowell, Michael R.; Marden, James L. Row 5—Herington, Donald W.; Cooper, Lynn J.

Row 1—Artom, George V.; Farr, E. C.; Grubbs, Frank; Brown, L. E.; Battle, James P.; Burton, W. E. Row 2—Laurito, Anthony R.; Galbraith, Dave M.; Poulos, William E.; Dooley, Jack D.; Neill, R. G.; Youngblood, R. P. Row 3—Buford, J. W.; Boggs, John J.; Harrison, R. D.; Stewart, T. J.; Koempel, W. D.; Watson, C. P.; Murray, A. J., Jr. Row 4—Robertson, Bill; Fricks, J. A.; Wesley, Andrew; McClung, William S.; Stowe, R. T.; Peele, Thomas; Dennis, Fred; Kehoe, R. D. Row 5—Cole, Richard L.; Altwies, James A. Row 6—Jones, Cary H.; Townsend, Guy H.; Mills, Donald W.; Turner, L. Hunt; Estes, Charles H.; Neal, Wallace, J. Row 7—Haygood, Jerry C.; Martin, James F.; Terry, Dan. Row 8—Guice, Johnny C.; Ellis, William C.; Burdette, Gary R.; Fincher, Charles L.; Wray, LeRoy. Row 9—Mitchell, Kenneth L.; Neville, George B.; Cook, V. W., Jr.; Brittingham, Walter W., Jr.

# EPSILON PI CHI

## ELECTRICAL DEPARTMENT

Dedicated to the promotion of social activities for students in the Electrical and Electronics departments. The Epsilon Pi Chi is one of the largest of the campus clubs. Activities are planned to promote fellowship and good will among its members and to help make the students' stay at Southern Tech a more pleasant one.

OFFICERS (L to R): Row 1—Sgt.-at-Arms, Dooley, Jack D.; Student Council Representative, Peele, Thomas; Historian, Laurito, Anthony R.; Pledgemaster, Poulos, William E.; Secretary, Battle, James P.; Treasurer, Brown, L. E. Row 2—Advisor, Burton, W. E.; President, Farr, E. C.; Activity Chairman, Artom, George V.; Vice President, Grubbs, Frank; Pledgemaster, Galbraith, Dave M.; Advisor, Youngblood, R. P.

# ETA ALPHA GAMMA

## HEATING AND AIR CONDITIONING ENGINEERING TECHNOLOGY

ORGANIZED IN 1948

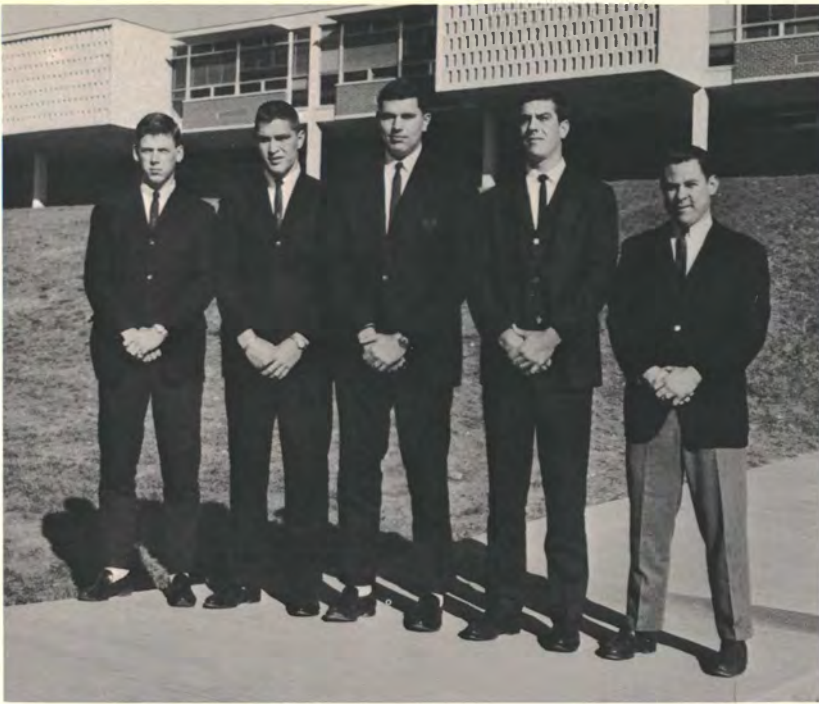

To promote interest in Heating and Air Conditioning.

Jimmy Mumford was selected to fill the top office; David Smith, vice-president; and Larry Wallace, secretary-treasurer. Also elected were Fred Bonner and Bob Stewart to the senior and freshmen student council post respectively. Henry Wages was elected party chairman.

The new president appointed James Ingram and Charles Ethridge to be in charge of the winter-quarter pledges.

Pledges for the winter quarters are James Brooks, Steve Michaels, John D. Williams, Ben Tingle, Tony Hampton, and Omkar D. Mathur.

Returning old members are Gene Smith, Jack Lee, David Smith, James Ingram, Charles Ethridge, Bill Mitchell, Henry Wages, Pat Dean, Fred Bonner, Jimmy Mumford, Bob Stewart, and Red Wallace.

OFFICERS (L to R): Stewart, R. J., Student Council Representative (Freshmen), Wallace, Larry R., Secretary and Treasurer; Smith, David E., Vice President; Bonner, James F., Student Council Representative (Senior); Mumford, James P., President.

Advisor, Mr. T. M. Sullivan; Sponsor, Kay Clark; President, James P. Mumford; Vice President, David E. Smith; Secretary, Larry R. Wallace; Treasurer, Larry R. Wallace; Student Council Representative (Freshmen), R. J. Stewart; Student Council Representative (Seniors), James F. Bonner.

Row 1—Sullivan, T. M.; Bonner, James F.; Wallace, Larry R.; Smith, David E.; Stewart, Robert J.; Mumford, James P. Row 2—Omkar, D. Mathur; Ingram, Benny J.; Howell, T. D.; Hardy, Lamar E.; Brooks, James A. Row 3—Bevill, Donald; Lee, Jack; Mitchell, Bill; Clark, Alexander G.; Dean, W. P. Row 4—Ethridge, C. W.; Tingle, B. A.; Michaelis, Steve; Hampton, Tony. Row 5—Wages, Henry E.; Smith, Gene.

Row 1 (L to R)—De Rose, Kenneth O.; Smolik, Vince; White, Charles W.; Crawford, Joe K.; Winters, Harlan L. Row 2 (L to R)—Schneider, Andy; Rawls, Robert W.; Yongue, Walter C.; Wenzel, L. Robert.

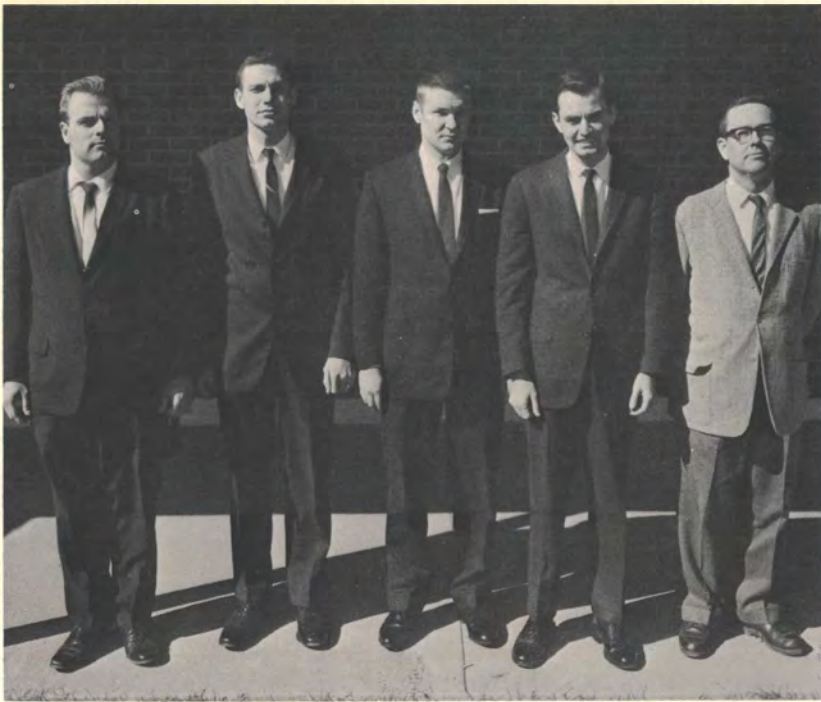

# GAMMA PHI KAPPA

## GAS FUEL DEPARTMENT

Gamma Phi Kappa is the official club of the Gas Fuel Department, with the function of providing a medium of recreation within the department. The club maintains contact with the gas fuel industry in order to keep abreast with the latest developments in gas-burning and allied equipment. Speakers are invited to meetings to give the student closer contact with the practical aspects of his studies.

OFFICERS: Vince Smolik, Vice President; Charles White, President; Joe Crawford, Treasurer.

OFFICERS (Left to Right): Treasurer, Parker, Roderick S.; Secretary, Medlock, R.; Vice Chair, Solomon, A. C.; Chairman, Hall, L. W.; Advisor, Carter, R. C.

# I.E.E.E.

## ELECTRICAL TECHNOLOGY

Adviser, Robert Carter; President, Larry W. Hall; Vice President, Arlyn C. Solomon; Secretary, Raymond T. Medlock; Treasurer, Roderick S. Parker.

The IEE, Electronic Engineers, is the largest engineering society in the world. It has been increasing at the rate of approximately 14 per cent each year with an anticipated membership of 1,000,000 by 1962. In 1961 there were 17,000 student members from colleges and universities throughout the world.

The Southern Tech Student Associate Branch of the IEEE was organized in February, 1960 and has since grown to be one of the largest clubs on the campus. The international and local chapters of the IEEE are organizations for the advancement of electronics and related fields.

Row 1—Medlock, Raymond T.; Solomon, Arlyn C.; Parker, Roderick S.; Hall, Larry W.; Carter, Robert C. Row 2—Taylor, Frank W.; Harrison, R. D.; Yehudah, Uhlmann; Peele, Thomas; Grubbs, Frank. Row 3—Haygood, Jerry C.; Fricks, Jesse A.; Dillinger, Daniel B.; Robertson, Bill; Spruell, James. Row 4—Noggle, William M.; Terry, Dan; Mattice, D. R.; Hamilton, Richard L. Row 5—Coker, James; Pittman, Charles; Bowden, Ben Hill; Scott, Clinton; Minor, Richard F.; Dennis, Fred W.

Row 1—Slocum, Jerry; Denning, Gus; Saucier, Joe; Tuck, Roy; Robledo, Silvio; Cornelius, Alfred; Webb, Charles W.; Keen, James L., III. Row 2—Taylor, F. C.; Oldknow, Larry; Tritt, R. L.; Hammock, Jerry; Gaforth, Edward R., Barfield, Larry W.; McMillian, Robert S.; Smith, Paul R.

## IOTA TAU

Iota Tau is a club organized to relate the Industrial Student to industry; to promote unity, strength, and enthusiasm among the students and members of Iota Tau; to develop, train, and further prepare the members of Iota Tau as to their responsibilities to industry and the community; to encourage individual member participation in a common interest through an organized effort.

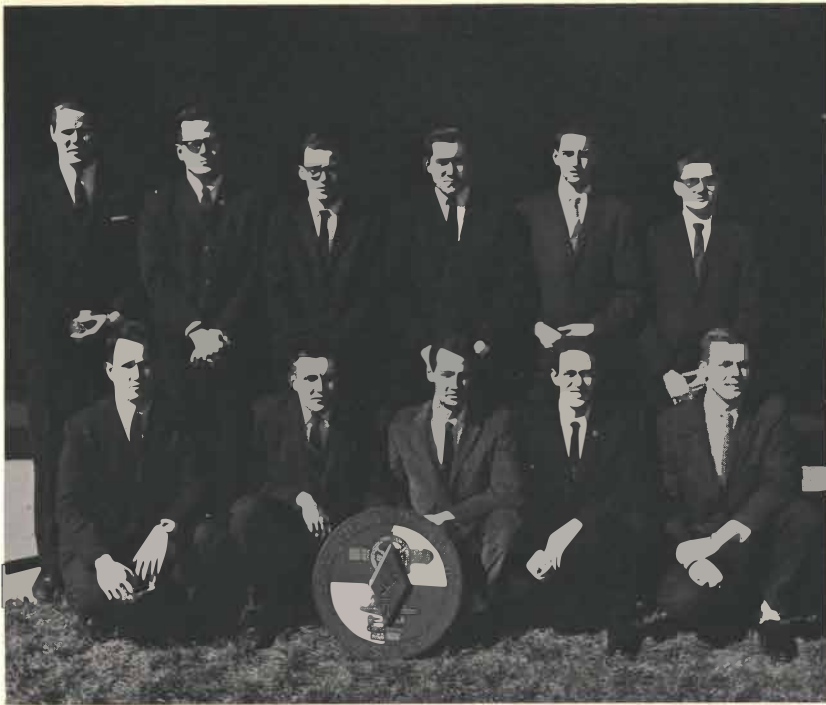

OFFICERS: Row 1—Webb, Charles W., Pledgemaster; Cornelius, Alfred C., Sgt.-at-Arms; Tuck, Roy E., Secretary. Row 2—Robledo, Silvio, Treasurer; Denning, August F., President; Saucier, Joe, Vice President; Mr. Keen, Advisor.

# SIGMA CHI TAU

## CIVIL ENGINEERING TECHNOLOGY

The purpose of this organization is to promote better relations between the clubs and organizations on the campus; to promote better school spirit among the students of the Civil Department; to develop leadership, initiative, and all useful training in all educational endeavors of this college.

Advisor, Mr. R. L. Myott; Sponsor, Miss Ruth Jones; President, Wesley Trapp; Vice President, John Williams; Secretary, Jimmy Hendricks; Treasurer, James Bay; Pledgemasters, Richard McNeely, John Murry, Kenneth Lewis, Gary Holton, David McElveen; Sgt.-at-Arms, Kenney Lewis, John MacMurray; Social Chairman, Sammy Lord, Charles McDaveol; Reporter, Gary Holton.

**OFFICERS (Left to Right):** Lewis, James K., Sgt.-at-Arms; Williams, John, Jr., Vice President; Trapp, Wesley E., President; Hendricks, James T., Secretary; Bay, James A., Treasurer; Murray, John M., Jr.; Sgt.-at-Arms; Carnes, Jim, Stu. Council Representative; Lord, Sammy S., Social Comm.; McNeely, Richard B., Social Chairman; Holton, Gary L., Reporter; Piroaska, Joe, Stu. Council Representative.

**Row 1**—Piroaska, Joe; Hendricks, James T.; Williams, John, Jr.; Trapp, Wesley E.; Bay, James A.; Lewis, James K. **Row 2**—Murray, John M., Jr.; Carnes, Jim; Holton, Gary L.; McNeely, Richard B.; Lord, Sammy S. **Row 3**—McDaniel, Terry O.; Cochran, David V.; Hogan, Roy; Clements, Robert L.; Saye, Freddie; Long, Robert M.; Stephens, Richard. **Row 4**—Black, John; Tillison, Jerry; Pope, Kim; Eisiminger, Harold J.; Waddell, John W.; McElveen, David L.; Perkins, Don; Rice, Gerald. **Row 5**—Ashmore, Len H.; Holley, Donald K.; Middleton, Douglas D.; Ashmore, Henry L.; Dillard, Charles T.; Dickerson, Charles M.; Hampton, Harrell J.; Myatt, R. L.

Row 1—Elrod, Charles; Threlkeld, Joe; Artom, George; Langston, Leon; Bradford, Randall; Thompson, Larry. Row 2—Grimsley, G. H.; Schurknight, J. T., Jr.; Brown, Roy; Jenkins, J. R.; Garland, Richard; Holloway, William; Watkins, Robert.

# SIGMA DELTA PHI

## TEXTILE DEPARTMENT

The purpose of the Textile Club is to coordinate the student with the textile industry. The organization promotes scholarship as well as social activities among its members. Field trips to outstanding mills in the area are a regular part of the club's program.

The Textile Club members attended the Annual Textile Exposition Show in Greenville, S. C.

Many textile machinery manufacturers were present to display their new and improved textile machinery.

Other industries had informative displays on hand also, such as Humble Oil Company with their improved lubricants for textile machinery. Tool manufacturers had a wide display of all the new designs and modern techniques in tool manufacturing. Heating and air-conditioning firms were present with an assortment of interesting displays.

As was evident from this exposition, the textile industry is becoming extremely concerned with the development of new techniques toward a higher quality product.

OFFICERS: Row 1—President, Charles Elrod; Sec. Treas., George Artom; Vice-Pres., Joe Threlkeld. Row 2—Student Council, R. Bradford; Student Council, Thompson; Act. Chairman, Leon Langston.

# TAU ALPHA PI

Tau Alpha Pi is a national honor society, organized in technical institutes, for the purpose of recognizing and promoting outstanding academic achievement.

OFFICERS: Row 1—Piroska, Joe, Sec. and Treas.; Betenbaugh, Cecil W., President; Bagwell, Joe N., Vice President; Jones, Richard L., Jr., Public Relations Officer; Mr. Hurst, Advisor.

Row 1—Reese, George B.; Purcell, Richard L.; Betenbaugh, Cecil W.; Bagwell, Joe N.; Jones, Richard L., Jr.; Piroska, Joe; Hurst, William. Row 2—Winslow, Russell E.; Elrox, Charles B.; Moody, R. L.; Pitts, Johnny H., Jr.; Benton, Richard S.; Buice, J. M.; Weed, Charles W.

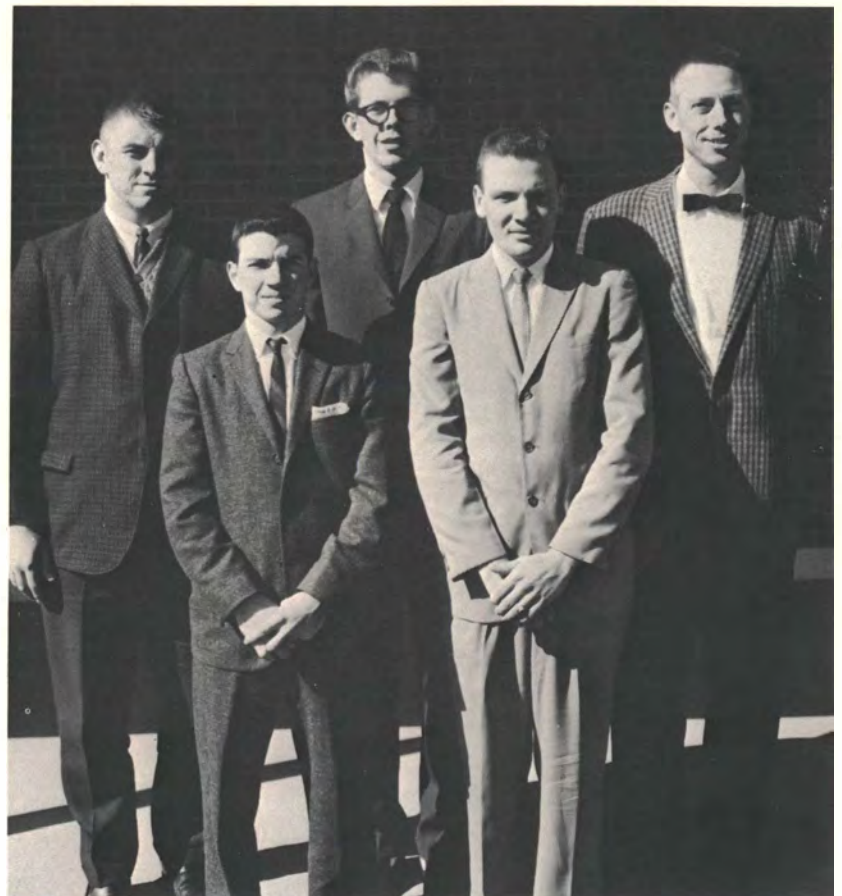

Row 1—Wages, David R.; Dooley, J. D.; Holloway, Quentin D.; Cooper, Carl H.; Spaeth, W. O. Row 2—Taylor, Frank W.; Solomon, Arlyn C.; Hamilton, Richard L.; Brown, Lewyn E. Row 3—Jamieson, Mahlon R.; Schoonover, Bruce; Boyette, R. M.; Doster, John R.

# TAU EPSILON SIGMA

## ELECTRICAL ENGINEERING TECHNOLOGY (TELEPHONE)

Tau Epsilon Sigma, the Telephone Engineering Society, was formed to provide information and social activities for members (regardless of field of study) who are interested in industrial and technical developments in the field of telephony. The club has sponsored field trips to telephone exchanges, lectures, demonstrations, movies, and dinners for members and prospective members. Membership is small, but the club is active and growing. All students interested are invited to attend.

OFFICERS: (Left to Right) Secretary, Cooper, Carl H.; Treasurer, Holloway, Quentin D.; President, Dooley, J. D.; Vice President, Wages, David R.; Advisor, Spaeth, W. O.

# S.A.M.

## SOCIETY FOR THE ADVANCEMENT OF MANAGEMENT

OFFICERS: President, Ellis, W. R.; Secretary, Denning, August; Vice President, Winslow, R. E.; Advisor, Herbert Eller; Public Relations Officer, E. H. Huddleston.

S.A.M. is an organization dedicated to the advancement of management and management men since 1912, when the original Taylor Society was established. It serves to bring together executives in business and students preparing to go into business; to exchange and to distribute the problem, policies, and methods of industry and management; to give the students the opportunity to participate in the organizing, planning, directing, and controlling of the organization.

Row 1—Webb, J. J.; Denning, August; Ellis, W. R.; Winslow, R. E.; Rowland, C. L.; Eller, Herbert. Row 2—Robledo, Silvio; Dachner, Bernardo; Stamey, H. C.; Long, G. W.; Grogan, C. L.; Roos, T. H.; Koempel, W. D.

Row 1—Crowder, Jack F., Treasurer; Bill Poulos, President; Henry K. Street, Vice President; George B. Reese, Secretary; James H. Workman, Advisor. Row 2—Robledo, Silvio; Goodwin, Glen, Administrative Vice President; Thomas, Isaac; Bevill, Donald; White, Charles W.; Pitts, Johnny H., Jr.; Hess, D. Glenn; Dip, Abraham A.

# TOASTMASTERS

Toastmasters is an international, nonprofit organization with over 2800 clubs located throughout the world. The home office is in Santa Anna, California, where the first chapter (known as Smedley Chapter No. 1) was organized by Ralph Smedley in 1924.

The club objectives are to improve oral expression, to develop the ability of members to appear effectively before audiences, to develop the habit of listening, and to promote fellowship among similarly interested men.

# MONOGRAM CLUB

OFFICERS: Public Relations, Rainey, Steven; Parlett, Larry; Lockhart, Harry; President, Miller, Dale; Secretary and Treasurer, Middlebrook, Jerry.

The Monogram Club at Southern Tech consists of the lettermen of Southern Tech's expanding sports program. A vital necessity for any sport is team spirit and the aid of returning lettermen.

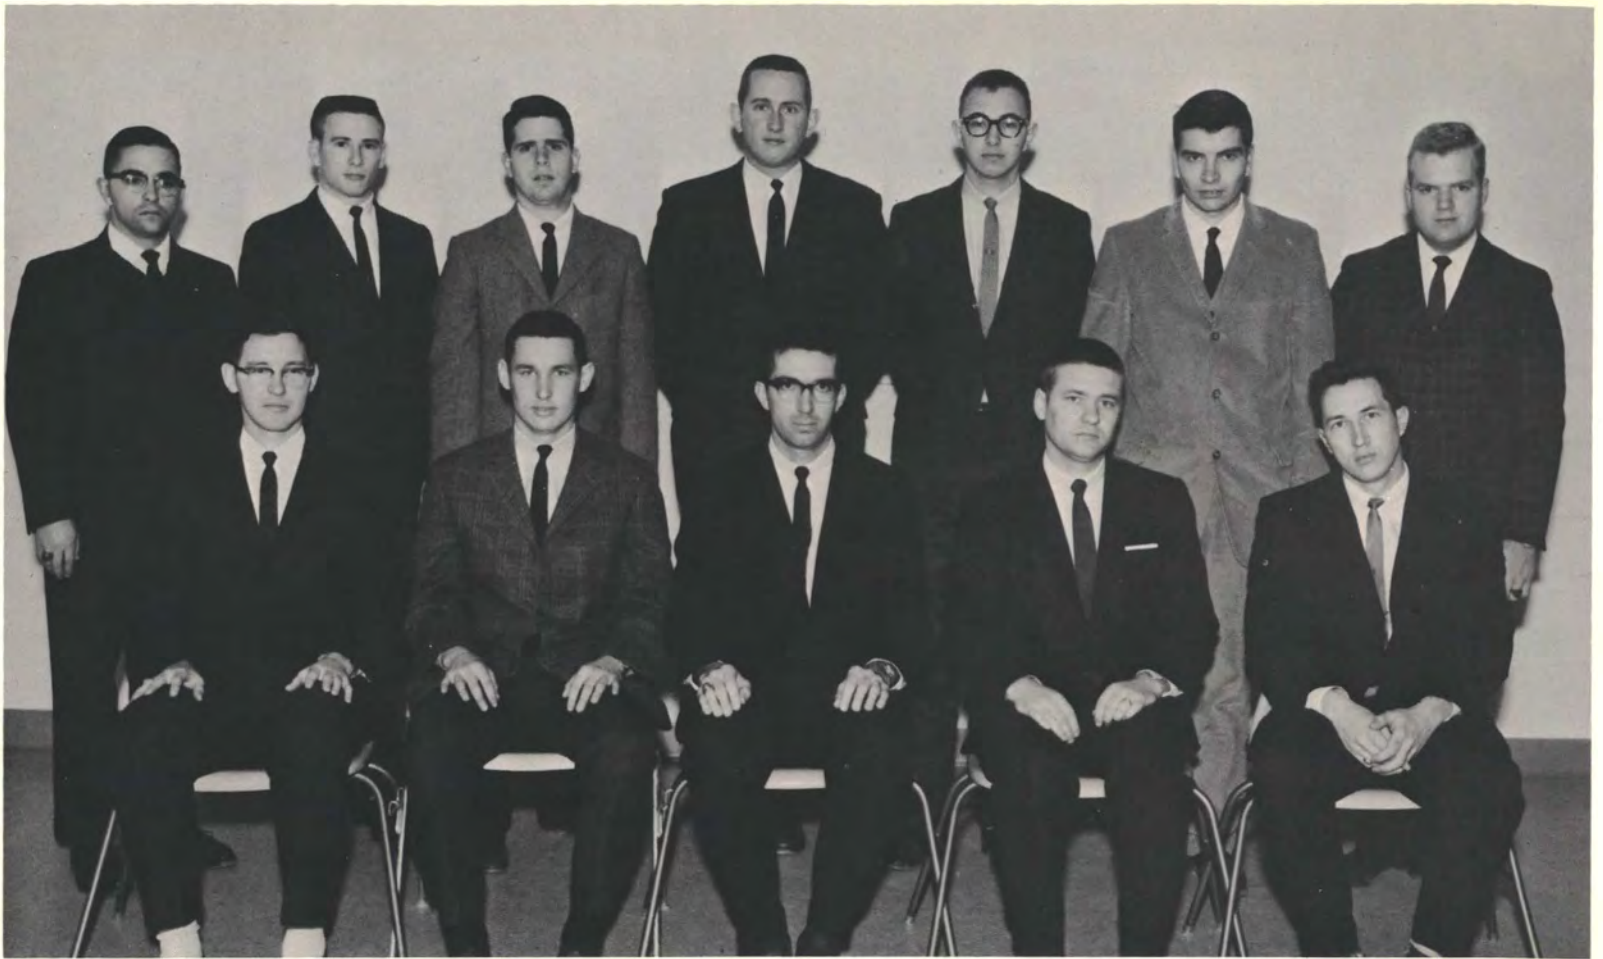

The club is dedicated both to the advancement of athletic activities on an intercollegiate level and to the promotion of student interest in Southern Tech athletic teams.

Under the direction of Coach Lockhart, the members supervise the school intramural program which offers the students a chance to participate in sports during the entire school year.

The club members have maintained a higher academic average than the overall scholastic point average of the student body.

Row 1—Parlett, Larry; Dillinger, D.D.; Rainey, Steve; Miller, Dale; Middlebrooks, Jerry. Row 2—Hatcher, B. J.; Samples, Mike; O'Shea, J. M.; Ingram, J. B.; Cook, Buddy. Row 3—Lockhart, Harry; Smith, Harry.

Row 1—Newman, W. S., III; Buice, M.; Pitts, Johnny H., Jr.; Solomon, Arlyn C.; Nelson, LeRoy C. Row 2—Robledo, Silvio; Cullars, Glenn; Gold, Stephen; Dillard, Samuel S.; Langston, Leon; Wray, Fred L.; Neill, R. G.

#### FALL QUARTER OFFICERS

## CIRCLE K CLUB

The first service club to be formed at STI. The Circle K Club is sponsored by the Sandy Springs Kiwanis.

The organization's objects are to promote the advantages of our American way of life; to provide opportunities for leadership; to afford useful training in the social graces and in personal development; and to develop aggressive citizenship and the spirit of service for school and community.

#### STUDENT DIRECTORY

After seven months of preparations, the Circle K Club of Southern Tech placed the 1962-1963 edition of the Student Directory on sale April 4.

The directory is the result of a joint effort involving the Marietta and Metro Kiwanis clubs, who gave guidance and assistance; the businessmen of Marietta and Cobb County, who placed ads in the directory; the Lockheed Company—Georgia Division, which did part of the printing at no cost; the Dunn Printing Company, which did the remainder of the printing; the STI cashier's office, which handled the financial arrangements; and the Circle K Club of Southern Tech, who organized and expedited the entire operation.

#### SPRING QUARTER OFFICERS

The officers of the Circle K Club are Dallas Shelton, president; Walter Yongue, vice-president; Robert Rawls, secretary; Glenn Cullars, treasurer; and Gene Smith, parliamentarian.

Advisor, Mr. D. Newman; President, Arlyn C. Solomon; Vice President, Johnny H. Pitts, Jr.; Secretary, J. M. Buice; Sgt.-at-Arms, Lee Roy Nelson.

# GEECHEE CLUB

OFFICERS (L. to R.)—Weil, Gary I., Treasurer; Roach, President; Rusk, Pledge Master; Robertson, Secretary; Tilton, Vice President; Bosher, Advisor.

It is primarily a social club composed entirely of students from Savannah, Georgia. Its aims are to promote fellowship among the Savannah students attending Southern Tech.

Row 1—Robertson, John G.; Weil, Gary T.; Roach, Patrick; Tilton, John H. Row 2—Sheppard, John E.; Rusk, Oren C.; Bagley, Nathan E.; Dixon, Robert F.; Schou, Thomas J.; Thomas, C. E.; Beazley, Alex H.

ENTIRE CLUB: Row 1—Lf. to Rt.—Mrs. Leroy Nelson, Mrs. Scot McDonald, Mrs. Joe Warrenfells, Mrs. Richard White, Mrs. Wayne Hall, Mrs. Arlyn Solomon, Mrs. Gordon Persons, Mrs. W. S. Newman, III (Sponsor). Row 2—Mrs. Alex Clark, Mrs. Eugene Moss, Mrs. Robert Mitschele, Mrs. Jack Crowder, Mrs. R. A. Ware, Mrs. John Pitts, Mrs. Fred Bonner, Mrs. Tom Freeland, Mrs. Dick Jones, Mrs. Johnny McLean, Mrs. Jerry Cannady, Mrs. R. L. Myatt (Sponsor).

All the clubs at Southern Tech are not exclusively for men! Tech Annes is a club composed of the wives of students; its purpose is to promote friendships between married couples and to provide fellowship for members. Meetings are held on the second Thursday of each school month, and a social get-together is held each fourth Thursday.

Tech Annes worked on various charity projects during the year and sponsored several recreational functions such as a turkey raffle, a square dance, a fashion show, and a spring banquet for members and their husbands.

## TECH ANNES

OFFICERS: Row 1—Mrs. Leroy Nelson, Pres.; Mrs. Arlyn Solomon, 1st V. Pres.; Mrs. Joe Warrenfells, 2nd V. Pres.; Mrs. Wayne Hall, Corresponding Sec. Row 2—Mrs. Alex Clark, Recording Sec.; Mrs. Richard White, Treas.; Mrs. John Pitts, Pub. Chairman; Mrs. Fred Bonner, Parliamentarian.

SPONSORS—(In Picture of Officers and Sponsors) Mrs. R. L. Myatt (sitting); Mrs. W. S. Newman, III (standing next to Mrs. Fred Bonner); Mrs. H. L. McClure.

# HAM CLUB

## W40MC

The club was organized to promote interest in communication and service over the facilities of Southern Tech Radio Station, W40MC.

The members are always ready to provide emergency communications during periods of disaster. The Hams are a valuable asset to the community and to Southern Tech.

The 9309 Air Force Recovery Squadron has allowed the Ham Club joint use of a semi-trailer for club activities. Professor Newton, who is a major in the Air Force Reserves, is the liaison from the Ham Club to the Air Force. He is a former Military Affiliated Radio Service Director, and now holds the station license of W4YVA the 9309 AFR Squadron amateur radio station.

The Ham Club also has joint use of surplus military equipment. The Ham Club, whose call sign is W40MC, expects to have the club station on the air as soon as the equipment can be set up.

Only qualified persons will be allowed to use the equipment as it will be under control of the Federal Communication Commission and the Air Force.

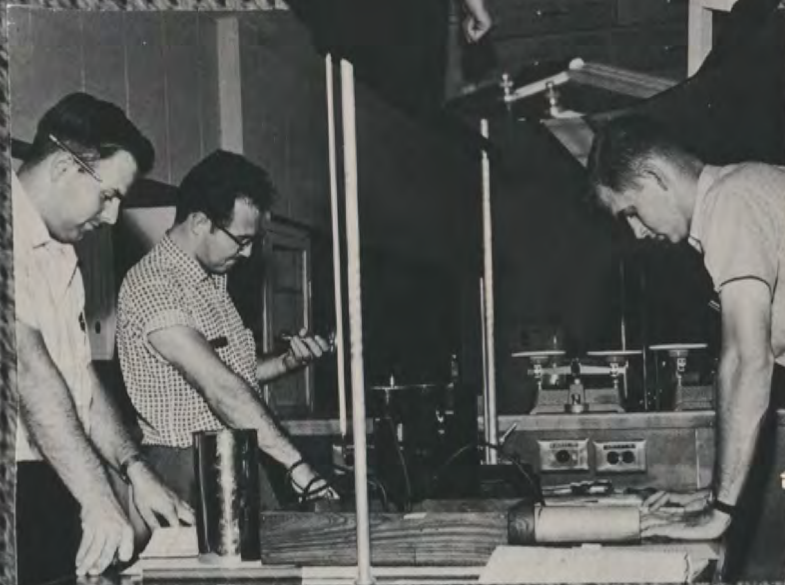

OFFICERS: (L. to R.)—Faculty Advisor, Burton, W. E.; Program Chairman, Neill, R. G.; Faculty Advisor, Baker, V. D.; President, Johnson, W. R.; Vice President, Collier, E. N.

Row 1—Collier, E. N.; Neill, R. G.; Johnson, W. R.; Burton, W. E. Row 2—Baker, V. D.; McDowell, W. D.; Smith, W. W.; Galbraith, D. M.; Brittingham, W. J., Jr.

# THE

Robert N. Edwards  
*Library Supervisor*

# LIBRARY

Grace C. Brooks  
*Library Assistant*

The Southern Tech Library provides services for both students and faculty. Six people—four of them student assistants—keep the library open for 90½ hours per week. All of the 130 seats are usually occupied in the mornings and early afternoons, and many students work during the late afternoons and evenings. Some work on Saturdays and Sunday evenings. The library is small, but it provides facilities and opportunities for Southern Tech students to learn things outside the classrooms and adopted textbooks.

Although the seating space is limited, the library provides a number of services. Available to students are over five thousand books, over a hundred periodicals, and a half dozen newspapers. Three typewriters are available for students who want their themes and reports to have a neat, professional appearance. A Verifax copying machine is available for making copies of materials needed in reports or notes. Maps, globes, and atlases are also available. All these things are provided to aid students and to help them learn more about science and technology while they are at Southern Tech.

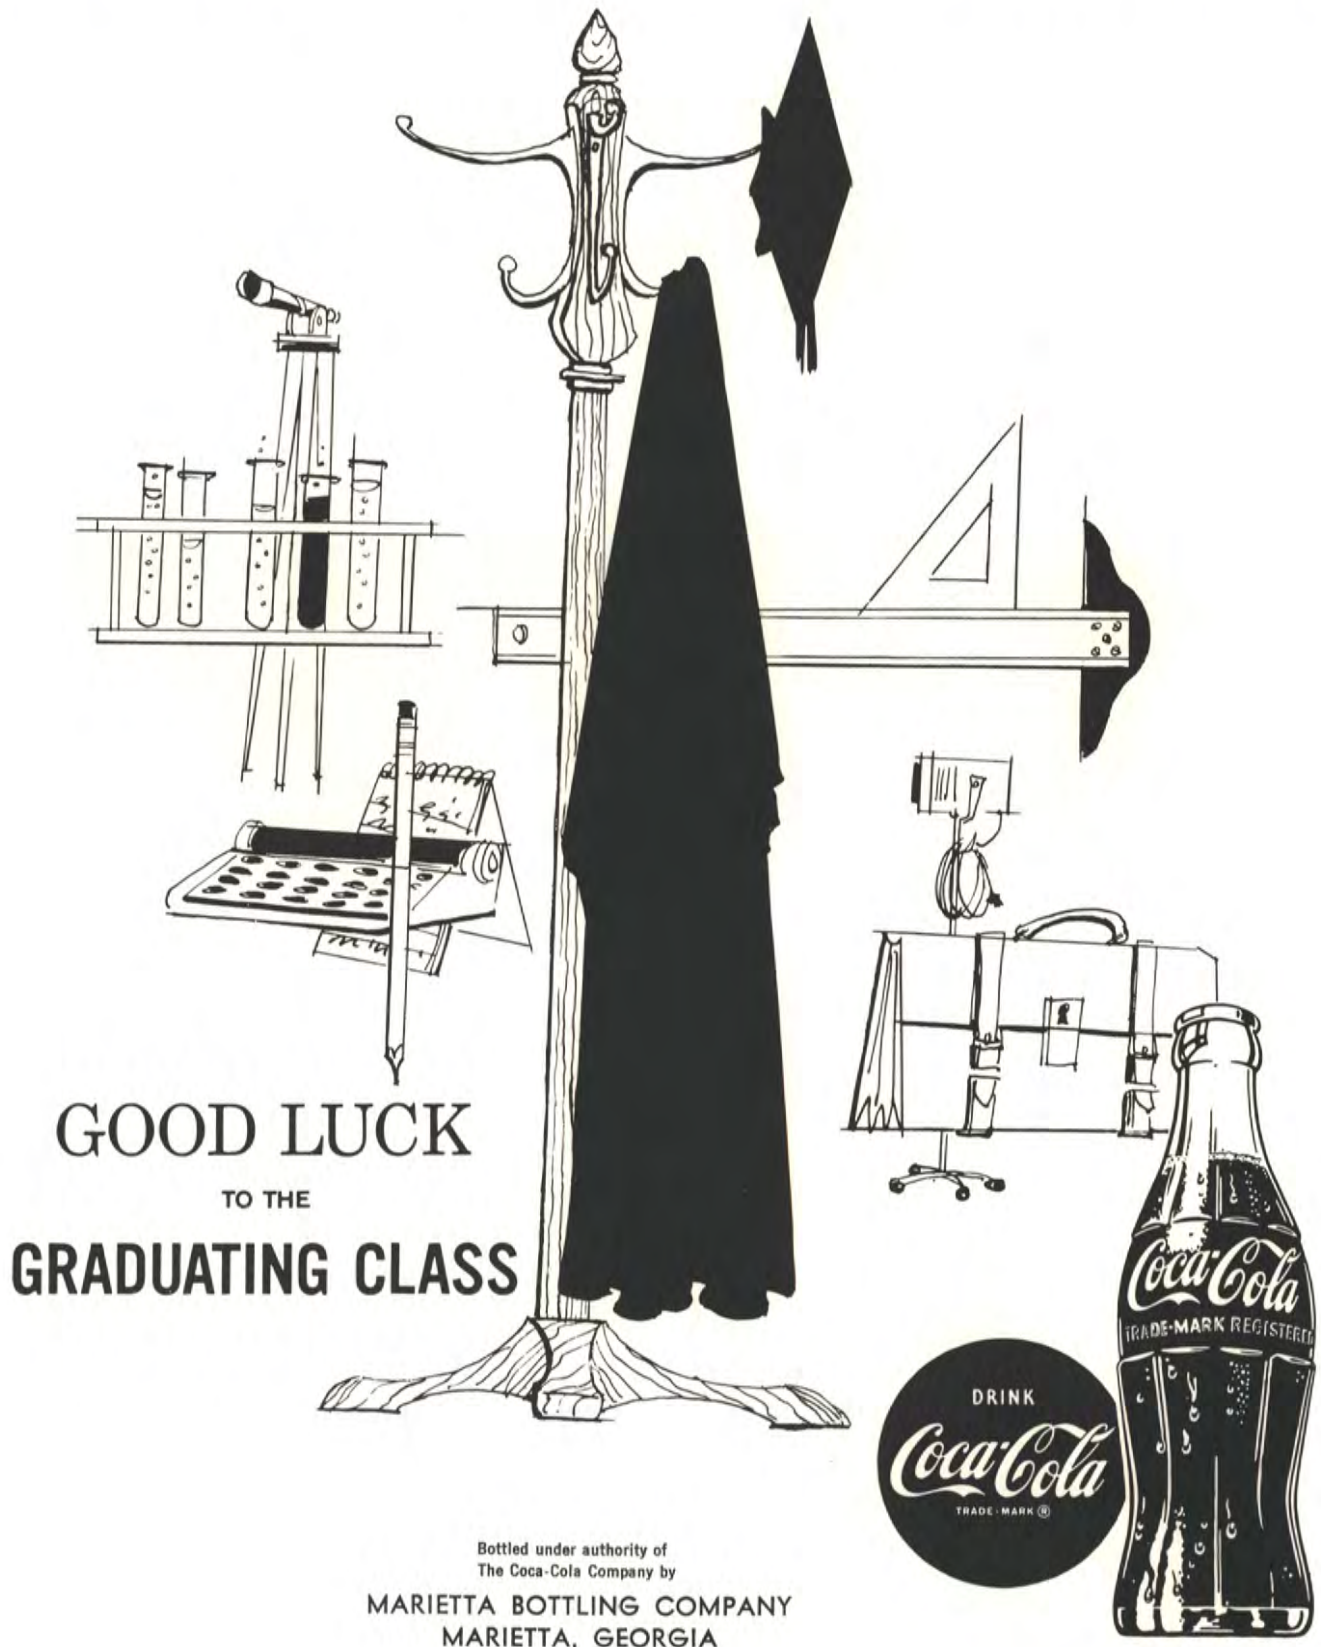

*Miss Southern Tech of '63 tours campus with Director.*

The 1963 Technician's Log expresses its appreciation to the following business concerns, whose co-operation and interest have help to make possible the publication of this yearbook of Southern Technical Institute.

The editors and business managers respectfully urge that students and friends of STI carefully examine the advertisements of the following businesses, and call upon them for service at every possible opportunity.

Enjoy that

**TRY THE "ALL AMERICAN"**

100% Pure Beef Hamburger  
Crisp Golden French Fries  
Old-Fashioned Shake.

McDonald's Hamburgers and Fries are always piping hot and tasty . . . the Shakes are always thick and creamy . . . the service is instant and friendly. Mom likes McDonald's, too . . . says she can feed us for less there than she can at home. She likes the speedy service . . . no car hops . . . no tipping . . . plenty of parking space . . . but most of all no dishes to wash and no fussing in the kitchen. Dining at McDonald's is one of the good things of life—*the tastiest food in town at prices that please!*

*look for the golden arches*
