FOREWORD

Unpleasant experiences we like to forget; pleasant ones we like to remember. People, places, events, classes, teachers, classmates — in the future we would like to remember these. May the work necessary to produce this yearbook be successful in helping students recall their days at Southern Tech with

cherished memories

YOUTH... our future!

Cone Mills, a major producer of high quality and modern fabrics, is staffed to meet the needs of today. Yet we are already looking at the 70's and beyond to determine our needs as industry becomes increasingly complex.

To maintain our standards, we are seeking young people with imagination and initiative.

If you are interested in becoming a part of our future, write Industrial Relations Department, Cone Mills Corporation, Greensboro, N. C.
