

WHATSIZNAME??

SOUTHERN TECH

April 2, 1974

This is a petition for HELP!

The WHATSIZNAME needs reporters to cover campus activities. (This may be a paying position in the future.) The Clubs and Fraternities are also asked for their help. In the past only a few organizations have informed the WHATSIZNAME of their activities. It is important for the whole Student Body to be involved.

It is your responsibility to keep the paper alive! If you have any suggestions or something you believe would be worth printing, contact Tim McCarthy R. O. Box 8596 or the WHATSIZNAME .
