SOUTHERN TECH

OCTOBER 2

NEW STUDENT ORIENTATION

Editorial by Russell Beach

We believe there should be some changes made in the New Student Orientation program. The present procedure brought many complaints from the new students, some apparent from observation and a large number voiced to the student guides. The most vocal complaint was about the long, long session in the gym.

Since the SGA provides funds for the New Student Orientation program, we propose the SGA organize, man, and operate this program. The SGA and student guides would not take any glory from school officials if they informed the new students about parking, auto decals, drop slips, and other basic information. The new students would be more interested and would remember such information if a fellow student gave him the scoop.

The Student Guides participating in the orientation program this year made many recommendations for changes during the critique with Professor Black. We hope the changes will be made before next orientation. We're certain the next group of new students will be more enthusiastic about Southern Tech after they complete their orientation program when these changes are made.

- ATTENTION -

NEW STUDENTS WHO DID NOT ATTEND ALL REQUIRED MEETINGS DURING ORIENTATION.

THE SGA WILL NOTIFY YOU OF THE TIME AND PLACE TO APPEAR BEFORE THE SGA JUDICIARY BOARD.

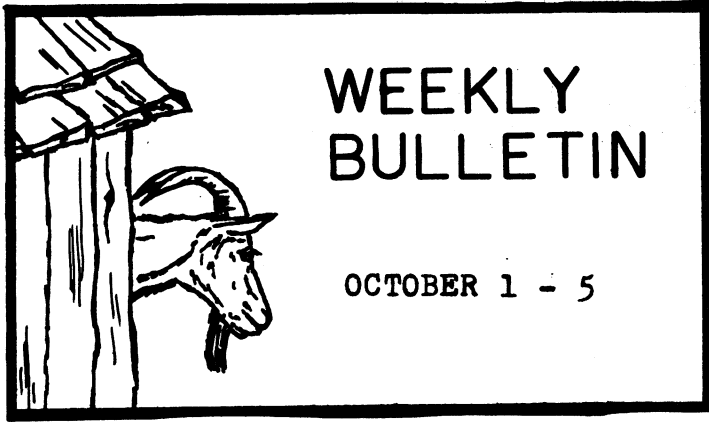

JEFF TUCKER SAYS,

"The Student Government Association has a great group of people in the organization this year. They are serious minded and are aware of the function that Student Governments must serve. I feel that these students are performing this function in an ultimate fashion. This does not mean that the Student Government Association can do this alone. We need the support of the entire student body."

SOUTHERN TECH ATTENDS SAC MEETING

Dr. Carlson, Dean Van Gorder, Coach Florian, Coach Ross, and Professor Summers attended the fall meeting of the new South Atlantic Conference held at Valdosta State College September 27 and 28. The SAC members determined championship schedules for basketball, baseball, cross country, golf, and tennis for the next three years and passed legislation limiting members to NCAA membership. Plans for televising games were discussed and action on these plans will be taken by SAC Commissioner J. B. Scearce, Jr., former head coach at Georgia Southern. The SAC voted to adopt a Conference Seal designed by Southern Tech's own Coach Ross.

Southern Tech will host another first on its campus when the first Conference game between the Hornets and Armstrong State College is played Friday, December 7, at 8:00 P.M. in the Gym. The SAC is comprised of six schools; Armstrong State College, Augusta College, Columbus College, Southern Tech, Valdosta State College, and West Georgia. The SAC is in Division 2 of the NCAA.

FROM THE DEAN OF STUDENT AFFAIRS .

PARKING INFORMATION

Parking can be a problem if you don't park properly. Here are some suggestions to prevent tickets and resultant fines:

1. Do not park on campus drive.
2. Do not park on the grass.
3. Park in the main parking lot or the Gym parking lot.
4. Do not park in a space with a name on it or RESERVED painted on

it.

5. Do not park at either dorm or at the gym building.

Beginning Monday, October 1, 1973 the police will not allow a car on campus without a decal.

MAJOR MEDICAL AND HEALTH INSURANCE

This is available for all students. This could save you or your family hundreds of dollars. This is not to be confused with your required medical fee. Stop by Dean of Students Affairs Office to get application or info.

DO YOU QUALIFY for work study?

Check in the Administration Building at the Financial Aid Office. Mrs. Glover will be happy to assist you.

ANY VETERAN

Who has not signed up (enrollment card) please do so immediately. WE MUST HAVE A CARD ON EACH VETERAN. See Mrs. Charlesworth in the Administration Building.

IMPORTANT NOTICE TO STUDENTS WHO ORDERED TECH GAME TICKETS

The following students have not picked up their tickets. Please see Jeff Tucker in the SGA office in the Library.

Bert Bugg, Stanley F. Cagle, Robert K. Corley, David Dunnimon, Robert E. Ensor, Benny W. Folsom, Claudis B. Fraley, Eddie Fritz, Polly Goldberger, Steve Hadley, William Holmes, S. Loyons, Tim Morchman, Brian Morgan, Earl Morrison, Roy Phillips, Royal F. Rankin, Guy D. Remsen, A. L. Rolan, John W. Saunders, Tom Shaw, and Franklin B. Ward.

SGA MEETING THURSDAY, OCTOBER 4, 1973

In the Seminar Room of the Library at 5:00 P.M. Everyone is welcome. Come and meet your representatives. Your President is Jeff Tucker and your Vice President is Linnie Thomas.

RING MAN WILL BE IN THE BOOKSTORE ON OCTOBER 4, 1973 FROM 10:00 A.M. to 3:00 P.M. TO TAKE RING ORDERS. THIS IS THE ONLY TIME THIS QUARTER HE WILL BE HERE. PLEASE BE SURE TO CHECK WITH HIM AT THAT TIME.

OFFICAL SCHOOL CALENDAR, OCT.

- Oct. 9 General Faculty Meeting, 12:00 Noon
 - 26 End of Deficiency Report Period - Reports due in Registrar's Office no later than 5:00 P.M.
 - 29 Curriculum Committee Meeting 2:00 P.M.
-

SPORTS

Southern Tech Veterans Club,

On behalf of the Southern Tech Athletic Department and the Southern Tech Boosters Club I would like to thank you for giving your time to sell student memberships in the Southern Tech Booster Club. I thank the students who bought these memberships.

The money collected from these memberships will be used to aid a worthy young man participating in athletics for Southern Tech.

Fran Florian
Athletic Director

KENNY'S FISHING FORECAST

 B	 G	 F	 P			
30	1	2	3	4	5	6
						

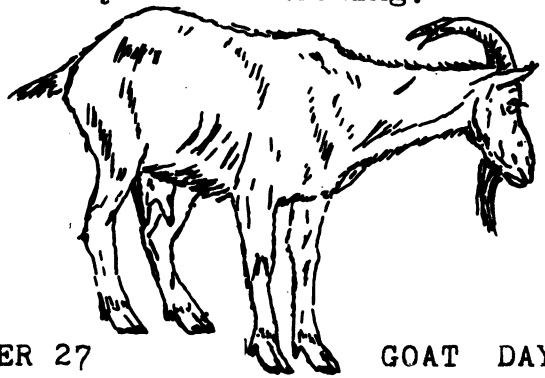

CAMPUS OBSERVATIONS

Heard from an Old Student in the Cafeteria: I wonder if there is any wind in the windmills of Axley's mind?

Coach Florian's Black and Blue shoulder and no game when dove hunting. Joe Willie Namath's Black and Blue shoulder and no game either.

Observed by Prof in Mechanical Dept. "I wonder why that goat in the paper (last issue) has an udder and a beard." Community Standards apply here.

Yucca Dew: That which forms on your yucca early in the morning.

OCTOBER 27

GOAT DAY

KENNY'S KOLUMN

Kenny said to tell his readers that the only reasons his dad caught more crappie Saturday night than he was because his dad used four rods and he only used one rod. And that ain't fair (for dad)! Kenny challenges Coach Florian and Professor Summers to a fishing match. He said that he "really don't think they count too well."

Kenny reminds you that when you have your trophy buck mounted, taxidermists' fees usually depend on the experience, quality, and the amount of work an individual taxidermist has to do. The average cost for a shoulder or neck mount ranges from about \$35.00 to \$60.00 plus an optional wooden plaque which usually costs about \$5.00.

CLUBS IN ACTION

TKE WELCOMES NEW STUDENTS:

I'd like to welcome all new students to Southern Tech and to inform you of the XI CHI Chapter of TAU KAPPA EPSILON here at Southern Tech. We became a Chapter of TKE only last February and have already established a name for ourselves among the older Chapters in Georgia. Earlier this year we won 1st place at the West Georgia College TKE Invitational Basketball Tournament. Among the teams we played against were Ga. Tech, Ga. State, U. of Ga., Valdosta, Auburn, U. of Alabama, and West Georgia. Last year we won the Bathtub Race held at Southern Tech and the Best Pit Crew Competition. Last year, as we do every year, our Fraternity went to Panama City, Florida for three days. A motorcade leaves from school on a Thursday night with enough Bubbly Beverage to float a Battleship. A motel floor or entire wing is rented in advance and for three days we have one h... of a good time. Somehow we manage to get back to Southern Tech each time. These are some of the things that we have done in the past; come and be a part of what we'll do in the future. Our meetings are every Thursday, 12:00 P.M. in Room 358. Come and see what TKE is all about.

Nils L. Wüstrom
President

FROM THE VETERANS CLUB:

There are about 450 veterans enrolled at Southern Tech. This is almost 25% of the student population and with a little effort, could be the most influential group on campus. Attend the first meeting of the quarter Tuesday, October 2, 1973 in Room 268 at 12:00 P.M.

LIONS CLUB IS BUSY:

Help the Lions Club purchase a Sight Machine for the Library! Join in their Halloween Candy Sale going on now. Don't forget the Motorcycle giveaway on October 27, 1973, Goat Day.

STUDENT CHAPTER AIA SAYS:

Welcome to Southern Tech! We thought we would join in with the other 2000 welcomes you've recieved. As entering AET students, you should consider what you want to do with your education. Many students will decide to become registered architects. At this point I'd like to suggest the Student Chapter of the AIA. As fellow students and members of the AIA, we would like to invite you to the first meeting of our chapter this year. The meeting will be Wednesday night at 7:30 in the Seminar Room of the Library. We will acquaint you with what steps you need to take in order to become an Architect, what types of employment you can expect, and a connection between the real world of Architecture and the story book world of school. This first meeting will be a Get Acquainted With The Prof's Night. We will have some of the professors from the AET Department discussing what you may expect from the department and the school.

G. A. Griffin
President

THE NEWSPAPER DID NOT HEAR FROM THE OTHER CLUBS!!!!!!

'STI SPIES'

FELIX & STELLA FLY

BY

Felix: Hey Stella, how's the old wing?

Stella: Well, Doc says it should be okay in time for the snack bar opening in the fall.

Felix: Hey, that's great! But you know I hear they put some new machines in there.

Stella: Yeah, darn it! Leave it to that human Tucker to louse up everything for us bugs! I think he did it for spite. He knows I have a weakness for week old sandwiches.

Felix: Aw, cheer up Stella. Things could be worse. They could have taken our Dempsty Dumpster!

Stella: You're right Felix. I should count my blessings. And my first blessing is that I'm not one of them new students here.

Felix: Yeah, wasn't that first day of speeches boring? I thought those guys were telling them to fill out their wills because they were going overseas to war!

Stella: All right now, I don't want you to start your war stories --I've heard them all at least ten times!

Felix: Well, I'm proud of my service in WW2, the Big War. I served in some of the better mess halls in Europe!

Stella: O.K., O.K., Superfly! The point is that those new students weren't welcomed with enthusiasm, no one seemed happy. And the speeches just rambled on and on and on and on and onnnnnnnnn!

(continued in future issues)

CONCERT REVIEW

David Horner

If you were one of the few who went to the Bloodrock Concert on Friday, then you really know what it was all about. If not, then you can honestly say that you missed a good concert. In fact, both groups put on a terrific show and they have to be commended for that; even though the first group was late in getting there, and a few minor difficulties were involved in getting started.

"Vince Vance and the Valiants" did music from the early fifties, while "Bloodrock" did more modern and up to date music. This was quite good entertainment that people should not have missed.

In view of the FANTASTIC turnout, perhaps we may have another concert on campus in the coming year. However this is a matter of opinion.

STAMP CLUB MAY FORM

Students interested in forming a Southern Tech Stamp Club should contact Prof. W. B. Hinton in his office, Room 275. Prof. Hinton said, "It doesn't matter whether a collector considers himself a beginner or a more advanced collector."

If enough interest is shown, a regular meeting time will be established. Prof. Hinton especially invites foreign students to share their stamps with native students as well as with each other.

THANKS

Whatsizname thanks

These Vets raised over \$100.00 for
the Booster Club.

PLACEMENT & CO-OP OFFICE

Graduating students who plan to interview this quarter will need a resume. If you wish to use the STI Resume Form, come by the Placement Office immediately to obtain information. It takes about a week to have these printed, and interviews begin on October 9.

Lockheed has openings for Milling Machine and Turret Lathe Machine Operators on the Swing Shift - 3:45 PM to 12:00 PM. At least one year of experience is needed and more preferred. Salary range - \$4.83 to \$5.48 D. O. E. If qualified, contact the Lockheed Employment Office or call 424-5000, for more information.

MR. SMITH plans to have a meeting for NEW CO-OP STUDENTS later this month. WATCH THE NEWSPAPER FOR A DATE.

DECEMBER, MARCH AND JUNE GRADUATES
Placement Orientation Thursday, October 4, 1973 in the Library Seminar Room, 12:00 Noon. IF YOU PLAN TO USE THE SERVICES OF THE PLACEMENT OFFICE, IT IS VERY IMPORTANT THAT YOU ATTEND THIS MEETING. PLEASE BE PROMPT.

BUY SELL SWAP

30" Hardwicke Stove, Natural and Propane Jets, Burner with a brain, Harvest Gold, NEW, never been used. New price \$185.00, your price, \$1.30. Call extension 214 STI.
