Room 104

The staff of the "Whatsizname", pictured below, would like to wish every one a very Happy Thanksgiving. If you are driving home please drive carefully.

The last edition of the "Whatsizname" for this quarter will be December 4th.

Tim McCarthy: Editor

## AIE

Congratulations are in order to Al Wehunt, president of A.I.I.E., STI chapter. Al was recently elected secretary of A.I.I.E., Atlanta Chapter. The Atlanta Chapter consists mainly of professional I.E.'s, with the Southern Tech and Georgia Tech Chapters as branches of the Atlanta Chapter. Al's election to secretary is a first in that Al is the first student to hold office in the Atlanta Chapter. It should be noted by the students of STI that Georgia Tech students were also eligible to hold office, but it was the Industrial Engineering Technologist that was elected. This could be an important step in the recognition of the Technologist.

Remember to attend the meetings and watch for important events. There has been excellent speakers here that some of ya'll have missed. Also, let me remind some of you to send your dues into A.I.I.E. Headquarters. You are NOT considered a member until you pay your dues!

See you at future meetings.

Ed Ferguson  
A.I.I.E. Secretary

# SGA

Congratulations to Jim Fangman and William Barrett upon winning the Freshman Class elections. Freshmen, these are your representatives, so voice your problems and/or opinions to them.

Doug Laird announced the rejuvenizing of the Chess Club. The SGA agreed to buy the club chess boards.

TKE fraternity is in the process of compiling a student register. Completion date is registration day Winter quarter.

The evident tone of last weeks S.G.A meeting was one of frustration. Student representatives voiced complaints about pre-registration, the Athletic Department, recruiting, and a general lack of confidence in the Goat Shed.

Questions asked included: Why are the students having to make and pay for a film about the college? Why are the students having to publish and fund a student directory? Why do students have to continually endure a long disorderly pre-registration? Why doesn't our school have a P.E. program? Why does the Goat Shed not know the proper channels for getting legalized beer on campus?

These and other questions created a feeling of frustration and anger. The students could see no solutions to these problems coming from any present source.

Russ Bartlett

## EDITORS NOTE

Since the last edition (November 20), the "Whatsizname" has been flooded with letters, two to be exact, in answer to the Inquisitor. The following letters tell the WHY but do not say anything about money. Those of you that were here during the time of Deputy Dog know that we are in much better hands than ever before. Southern Detective, who used to protect our campus, afforded STI

with a detective tops in his field. One night during intensive investigation of the back parking lot Deputy Dog fell asleep in his truck. During his nap some STI student removed his drive shaft! Now thats protection.

As far as money goes I think that the Inquisitor will be happy to know that the State of Georgia gave us the station wagon. They said that it was either that or nothing. The International you didn't pay for either. The bikes? Well it seems that Georgia Tech has quite a few of them so they gave us two. As for the student police, they are on work study so the Feder Government pays 80% of their wage. The 20% is not out of your student activity but another budget.

Hopefully this information puts Chief Howard in the clear. If anyone has further questions why not go see Chief Howard?

Good news for you Mr. Soar As\_!!!!!!! From what I've seen, some of the sand paper has been picked up. I hope you won't be rubbed the wrong way anymore. By the way, this edition of the "Whatsizname" was proofread from a roll!

Mr. Stage, there's no answer to your question about WSTB. As a matter of fact I haven't recived any waves from them in a long time. As soon as they tell me something I'll be sure to print it.

The "Whatsizname" would like to thank all those who wrote in. It shows that there is an interest in STI. If you have any questions or comments please don't hesitate to send them in. Your name won't be printed if you don't want it to be. Drop your letters in the mailbox outside the Log office. Thank you!

Tim McCarthy; Editor

## LETTERS

I believe everyone is entitled to ask why? -- for how can they know the answer if they do not ask....so I would like to give you some of the answers to WHY!

Several years ago we did not have our own security at Southern Tech. We had only one man about sixty-five, employed by the school through the Southern Detective Agency. He patrolled our campus in his own car and (continued on page 4)

# SPORTS

Good luck to the Wrestling and Basketball teams. With a little hard work I am sure that the wrestling team will get on it's winning way. The basketball team should do better than they did last season. I see there strong points which are a good running offensive team, with some very good shooting. With the depth which they have at all their positions it should help in the running game.

Intramural Football ended this past week with the Cavaliers winning in the white division, while over in the green division we had the Backstabbers as winners. Both teams will have played in a playoff game by the time you read this story. It should have priven to be a great game and it will be the first playoff game played at 12:00 Noon on a Tuesday afternoon.

Well, the time has come for us to start thinking about Intramural Basketball. It is time to sign your teams up! There is a list on the board outside the office in the gym. All teams must be signed up by Friday, January 4, 1975 and play will get under way some time the next week. The more teams we can get, the better the season will be and more people will be able to play. Let's try to keep the size of our teams down to about 10 or 12 members. You fraternities with a large number of members, why not break down into A and B teams. Delta Phi Delta has seen that it has a lot of members who care to play so to give them the chance to play they will be having two teams. Well let's get signed up and good luck to all the teams.

Tomorrow is Thanksgiving and I hope everyone has a nice day. Remember, there will be some good football action this weekend and there is nothing like a cold turkey sandwich and a tall cold beer to go with a good football game.

## S.T.I. WRESTLING

The STI wrestling team rebounded from its opening match loss by defeating Clemson 36-15 in Clemson last Thursday night. The STI Grapplers are now 1-1.

Individual results:

- 118 lbs. John Reed(STI) pinned James Lowry (C) (5:38)
- 126 lbs. Terry LaVoie (STI) won by forfeit
- 134 lbs. Ted Souris (STI) pinned Steve Hancock (C) (2:15)
- 142 lbs. Robert Freeman (STI) dec. Dave Thurston (C) (11-2)
- 150 lbs. Tony Smith (C) pinned Nick Brock (STI) (3:23)
- 158 lbs. Bruce Vogel (C) dec. Phil Howland (STI) (8-4)
- 167 lbs. Dave Granade (STI) pinned Chris Carter (C) (6:33)
- 177 lbs. John Diacsuk (C) pinned Lamar Eaton (STI) (3:16)
- 190 lbs. Mike Speed (STI) dec. Bill Walker (C) (8-2)
- Unl. Ray Perry (STI) pinned Arnold Car (C) (7:45)

The STI Basketball Team will be playi in Collowhee, N.C. on November 29-30. Thi is the Western Carolina Tip-off Tournament.

(continued from page 2)

part of the time in one of the Physical Plant trucks. -- You could almost say we had no security.

What was the result -- One of the secretaries in the Administration building had her car stolen some time between 8 A.M. and 5 P.M. -- this was not unusual for many students cars were also stolen between these hours plus there were batteries, tape decks, and radios stolen and then there was the time that one student's car was parked in the Dorm Supervisors lot directly across from the Administration Building -- all four tires were stolen and the car jacked up on cement blocks. With this happening in broad day light, you can just about imagine what happened at night. The situation was so bad that many students offered their own time to help patrol the campus.

If those students were here today, they would probably be so happy with our present Police Department, they would stop by the office each morning just to say "THANK YOU."

Thank you for asking why-for it gives me another opportunity to say Thank You to our police Department.

Betty Hilton  
PBX Operator

I have had the good fortune to have worked for Chief Howard and I also had the misfortune of being on Campus when Southern

Detectives were "protecting" our campus. The gentlemen from Southern Detectives could never be located in case of emergency, and could not handle an emergency even if they could have been located.

Chief Howard has installed walkie-talkies and has 24 hours of coverage in his office. He has several work-study students assisting both in the police work and in the clerical work required in his office. He can be called at any time of the day or night, and has on many occasions, been called out of bed to come to STI or to give advice to his officers.

It is not unusual for Chief Howard to question a student who is working on his car in the parking lot, not only to offer assistance but to be certain that it is his own car he is working on. This type of precaution is in existence 24 hours a day.

Taking a student to the doctor or hospital during the wee hours of morning or during school hours is also not unusual for Chief Howard. You can also feel secure in knowing that should an emergency call be received for you, no matter what time of day or night, his department is trained to locate you and deliver the message to you as soon as possible.

If you stop and think, no matter what event we have on Campus, Chief Howard is there, no matter what emergency occurs, Chief Howard is there -- What more can anyone say -- perhaps just "Thank God for Chief Howard."

Anne Westlake

### PLACEMENT OFFICE NEWS

ATTENTION DECEMBER GRADUATES: Post Graduation Information Forms have been sent to your Post Office Boxes. Please read the letter accompanying the form, complete the form and return to the Placement Office before leaving campus this quarter.

Regularly scheduled campus interviews have been completed for the quarter. If you are graduating and need assistance finding a job, come by the Placement Office and see Mr. Smith.

CO-OP STUDENTS who will be working Winter Quarter must sign out. Be sure to indicate on the sign-out sheet where you want pre-registration information sent to you for the Spring Quarter. If you are a new co-op student (first work quarter) you must complete some records for the Co-op Office before going to work; check with Mrs. Howard or Mr. Smith to be sure this is in order. Co-ops who are returning to work Winter Quarter must sign out by December 11, or you will be dropped from the program.
