## Cigar Connoisseurs

Anyone who is interested in being a participant in the first cigar club on the Southern Tech campus, please write your name and box number on a piece of paper and leave it at the SGA office or tell Jim Axley.

The purpose of the club is to purchase cigars that are of the best quality. And, as a group, the cost would be at a minimum for each member.

## NOTE

Be sure to bring the articles you want to display or sell to the Seminar Room of the library on Monday, April 21 and 22. If you want to sell them, state your price. Display will be attended at all times from 10 am to 8 pm. Ten percent of the selling price of all items sold will be deducted for a study corner in the new Student Center.

We want to see what you have done. We want you to buy what someone else has made. Don't forget April 21-25.

Students! Be sure and stop by the Cheerleaders' Concession Stand at the Arts and Crafts Show April 21-25. It will be in the Library.

Elections for Student Gov't are just around the corner. The schedule for these elections are:

April 21 - Begin accepting petitions for office.

May 5 - Deadline for petitions for office.

May 12-20 - Campaigning.

May 21 - ELECTIONS.

May 28 - Runoff (if necessary)

Anyone interested in campus activities and/or problems is encouraged to seek a position in student government that meets their interest.

Qualifications for office include:

1. A 2.0 grade pt. average.
2. No record of crimes.
3. Class officers must meet the minimum number of hours for their respective class. Scheduled hours for Spring Qtr. are included.
4. SGA President and Vice-President must either be a junior or senior classman in the Bachelor Prog.
5. Campus-at-large candidates must have completed three qtrs. at Southern Tech.

Students will vote for SGA President, secretary, Vice-President, treasurer, night school representative, 5 campus-at-large representatives, 2 co-op representatives, (Summer-Winter, and Fall-Spring), and their appropriate class officers and department representative.

## FRANKS' FOOD FACTS

The STI Snack Bar is open again this qtr. in the evenings Mon-Thurs. 4-7, and Fri. 4-6. I mention this because we don't seem to have the evening classmen's support this qtr. We operate it at a loss in the evenings anyhow, and we would just like to see that the service is used.

Spring is here-or nearly here- and with it some primal urgings, one of which seems to be to shed shoes, long pants, shirts, etc. Please be advised (and forewarned) that anyone not wearing shoes and/or a shirt will not be served in our food facilities. These are not just silly foodservice rules; they are based on health Depart. guidelines and restrictions which in turn are derived from law. In other words, we can't serve you because we are not allowed to, not because we don't want to.

STI baseball team is off to a very slow start but things should get better. Even though the team has a 3-10 record at this time (0-4 conference), I think they will come around. Because of the rain, and a very young team, I feel they have had the slow start. The pitchers are off, and are a little wild at the time. The team is made up of many underclassmen and it will take a few games being played until they feel at home at STI. It is a big jump from high school ball to the college level. The nineteen man team has two senior, Roy Mersfelder and Rick McDaniel who were with the team last season. Four juniors, Gary Spencer, Ron Prince, Mike Windom, and Drexel Taylor. Six sophomores, Bruce Kapperman, Danny Benson, John Godfrey, Walter Murray, Greg Bartlett, and Mike Gillum. The rest of the team is made up of seven freshmen, Danny O'Neil, Gary Payne, Terry Stancil, Bill Frank, Leslie Maddox, Jim Atkins, and Attila Szekes.

So even though the team has dropped a pair to Valdosta, and Augusta this past week, I am sure things will be better in the future.

Good luck to the team, and Coach Lumsden, for the rest of the season.

# VETS

# SPORTS

Public Law 93-508 enacted by Congress in December, 1974, authorizes a 9-month extension to the present 36-months entitlement authorized. To qualify for this extension a Veteran must:

- A. Have been originally entitled to the full 36 months.
- B. Not possess a Bachelor's Degree at the time the extension is requested. In this sense, a Veteran who is pursuing a second degree is not qualified for this extension.
- C. Must be, or have been, enrolled at an institution of higher learning at the time the original entitlement was exhausted.
- D. No change of program, or course, other than a normal progression from an Associate Degree may be authorized either at the beginning of, or during, the 9-month period from the program pursued when the original entitlement was exhausted.

The 9-month extensions are not automatic and must be requested to complete the Baccalaureate Program. This request will not be made until the last school qtr. in which the initial 36-month entitlement will be exhausted.

Intramural Softball got under way this week. There are eleven teams taking part this year, with each team playing ten games. The top four teams will then play in a championship playoff, to see who are the champs.
