"HOW TO GET ON THE DEANS LIST"

The faculty approved a recommendation to increase the overall point average required for graduation at the Associate level from 1.8 to 2.0.

The faculty approved the recommendation that Southern Tech retain the English designation for honors graduates. The faculty further approved the following changes effective Fall, 1974:

For graduation "With honor" the minimum average is 3.5. For graduation "With high honor" the minimum average is 3.7. For graduation "With highest honor" the minimum average is 3.9.

For graduation with honors a candidate must have a minimum of 60 hours in residence for the Associate Degree, and a minimum of 90 hours in residence for the Bachelor Degree.

Dean's List - Students (full-time) with a grade point average of 3.5 or greater for the current quarter and who are not subject to disciplinary action shall be on the Dean's List which is published each quarter by the Registrar's Office.

Conservation

Aren't you tired of hearing about it? It isn't something you can turn your back on though; it could leave you in the dark! You would be surprised how much you can save by just turning out the lights you don't need. What about the gas you use just to run around during the week. At almost 50¢ a gallon, what a good reason to stay home. Try parking the car for the weekend, turning out the lights and you can use the money you saved to pay for the family you may have started! Energy is something we need. Please conserve it.

FRESHMAN ELECTIONS

The results of the recent Freshman Class elections are out, and Pat Cox and Karl Elliot, both of whom are now members of Sigma Pi fraternity, have been elected President and Vice President respectively. They took their places as members of the Southern Tech SGA at its final meeting of the quarter, and were well received by the organization.
