PRESENTS

THE

TECHNICIAN'S LOG

Because you were never too busy to handle our problems, never too busy to talk to us, and never too busy to do something for the school, it is to you, Mr. Sewell, that we, the students of Southern Tech, dedicate this Technicians Log of 1952.

## Director Johnson Advises Students

L. V. JOHNSON  
Director

pleasant. Our faculty will offer you excellent instruction and will be glad to have you consult with them at any time on problems which may arise.

Southern Technical Institute is the place for men to work and not for boys to play. Let me urge you to do everything possible while you are here to utilize to the fullest all that we have to offer. In addition to the technical and practical training, we offer a wide variety of extracurricular activities.

As director of Southern Technical Institute, I would like to offer you the opportunity to work for us. We are looking for men who are serious about their education and who are interested in the future of our country. We offer a wide variety of opportunities for advancement and growth. We are looking for men who are serious about their education and who are interested in the future of our country.

### STUDENT COUNCIL

#### Participate in Activities

Also take advantage of the many extracurricular activities offered — sports, music, drama, publications, and more. We have many club activities and groups that are important not only for relaxation and pleasure, but also for the development of your leadership abilities.

## Fall Term September 8

Public Campaign Station

Southern Technical Institute gets its fall term enrollment on September 8. This estimate is based on the application of new students and the return of students on vacation. To further the publicity campaign, a public campaign is being conducted under the direction of Loy Y. Bryant and Head George L. Carroll. According to Mr. Carroll, the campaign consists of advertisements and feature stories in 88 Georgia newspapers and announcements over 27 state radio stations. Articles and advertisements are being published in Georgia's larger cities such as Atlanta, Columbus, Macon, Augusta, Rome.

## 79 Southern Tech Students Complete Year 8

H. L. Wingate Exercises

At formal graduation exercises scheduled to take place on Saturday, September 8, a total of 79 Southern Tech students will receive diplomas in their respective fields of study. Represent-

At the graduation exercises, which will be held at the Air Station the day following the completion of the year, Mr. Harry L. Wingate, president of the Georgia Farm Bureau Federation and a member of the Board of Regents of the University System, will deliver the main address at these exercises, the fifth in the history of the school.

Presided over by school and visiting dignitaries, the exercises will feature the awarding of diplomas to both the June and September classes. Numbering 38 students, the spring quarter class will graduate with the 41 students completing their courses.

### ALPHA BETA SOCIETY

The Alpha Beta Society, which aims 66 members of the class, of whom are residents of the Greater Atlanta area.

Although the 1951-52 Southern Tech Green Hornets opened the season with a shakier start than that to which its fans are accustomed, the team suddenly found itself and avenged all defeats except the ones to Brewton-Parker Institute. The Green Hornet's only defeat in their last sixteen games was under the onslaught of the Brewton-Parkerites.
