1. Your selection as Airman of the Quarter for the period 1 April-30 June 1967 is commendable, and you are to be congratulated. This award does not come easily, as the selection can go but to one of nearly 1,000 men each quarter.
2. Outstanding military bearing, job attitude, personal achievement and civilian activities are among the criteria upon which the award is based.
3. As recipient of this award, you are entitled to several special privileges during the period.
4. A copy of this letter will be made a part of your permanent records.
5. I congratulate you, your family and your organization upon your selection. You reflect great credit upon each and upon the U.S. Air Force Reserve program.
