Letter of Appreciation

1. The Logistics Management Conference for Commanders, held at this headquarters on 29-30 June 1971, was considered highly successful. In the supply portion of the conference, most of the credit for whatever success was realized, was directly attributable to the efforts of personnel assigned to the 918 MAGp who assisted in making the presentations at the conference. These personnel were:

Major Jerrold A. Peery, Staff Supply Officer
Mr. Robert J. Lassiter, Satellite Supply Operations Officer
Mr. Frasure K. Frye, Jr, Equipment Management Officer
Mr. Marion Thomas, Supply Management Officer
Mr. Charles M. Gardner, Chief, Equipment Control

2. The presentations were informative, well-prepared and well-presented, reflecting the time and effort which had gone into them.

3. Please convey my appreciation and that of General Anderson to the personnel indicated above for an excellent job.
