SOAR
DELTA PHI EPSILON

Delta Phi Epsilon is a social sorority which emphasizes friendship and academic achievement. Our local chapter was founded in January of 1985. Our symbols are the unicorn and the rainbow. The unicorn symbolizes the freedom and individuality of our members. The rainbow symbolizes the never ending friendship of our sisterhood. Our philanthropies include Cystic Fibrosis and ANAD. In addition, we sponsor self-protection seminars and donate food and clothing to the needy throughout the year. Our social activities include a Purple Iris Ball, Purple Passion Party, Sweetheart Social, Halloween party, Christmas party, and Family Day yearly. Also, we have mixers with fraternities each quarter. Our goals are to help each other acquire knowledge, appreciation, and a true feeling of sisterly love through the interaction of each other and outside groups. We are not interested in finding people to fit a mold, we encourage our members to express their own individuality and thus each person brings unique and special characteristics to the organization. To be a sister of Delta Phi Epsilon would mean becoming a part of an ever-excelling group with forever lasting friendships and true sisterhood.
PANHELLENIC

The KSC Panhellenic Association (KSCPA) was formed jointly by Delta Phi Epsilon and Phi Mu. The National Panhellenic Council (NPC) is an association that was formed to bind affiliating national sororities together, as well as act as a neutral body to set governing guidelines for rush.
MU RHO SIGMA

The purpose of Mu Rho Sigma is to promote friendship through association with women who are or have been married; scholarship through recognition of outstanding scholastic achievement; and service through working for the school, community, and sorority. The Kappa Chapter was chartered at Kennesaw State College in 1982. All interested women students enrolled at Kennesaw who are or have been married and are not on scholastic probation are eligible for membership. Because our group's age range is large, and because we are women who chose to enrich ourselves with education and handle the demands of family and work commitments, we are unique. Our members can benefit from a sisterhood that cares, shares, supports, and has fun. We are the only on-campus group made up entirely of married and/or formerly married women. We know what it is to try to balance a home, family and school. Our members realize the importance of a good GPA and strive to get the highest grades we can. Several of our members have been elected to the Who's Who, served as Ambassadors, are members of Blue Key, Golden Key and SOAR.
Phi Mu is a leader among national sororities. It is one of the largest and oldest, founded in 1852 at Wesleyan College in Macon, Georgia. Since that time, thousands of collegiate women have shared the bond of sisterhood unique to Phi Mu. The colors of Phi Mu are rose and white. The flower is the chrysanthemum. The mascot is the lion. The Theta Epsilon chapter of Phi Mu is the first national panhellenic sorority to be chartered on the KSC campus. The sisters of Phi Mu have been very active at KSC during the past year. Money was raised for the Children’s Miracle Network Telethon on KSC Day at the “Throw a pie at a Phi” booth. Money was also raised at the “Big Man on Campus” competition. The sorority has social activities throughout the year such as Christmas Semi formal, spring formal, mother-daughter tea and father-daughter cookout. Phi Mu offers scholastic, social, cultural, philanthropic and spiritual challenges. Each sister is given the opportunity to belong to a group yet still maintain individuality. Phi Mu is an ideal and a spirit.
PH KAPPA PHI

I imagine that last fall when someone mentioned the phrase “Pi Kappa Phi” it was seldom followed without a chuckle or at least the question, “Is that a fraternity at KSC?” But, if anyone has roamed the campus lately (outside of classes) it would be hard to believe that they have not heard that Pi Kappa Phi is official. The “old-timers” may recall with effort the non-glory days of Tau Beta Alpha - the appropriate, if not too unimaginable, Greek version of the letters forming the acronym “T.B.A.” meaning of course, “To Be Announced”. Happily we can say that the announcement was finally made on December 14, 1991 - when we became the Eta Delta Chapter of Pi Kappa Phi. Even through heavy toll and several occasions of near separation, I think that any brother of this chapter would agree that this victory was worth the battle. Now, as the dust settles, I sometimes hear mention from people (brothers and non-brothers) that the fight is over. I can not help but beg to differ as I feel the battle has only really begun.
THETA CHI

Theta Chi Fraternity is a dynamic group of college men that promote brotherhood, scholarship, and community service. Theta Chi was established as a colony at KSC, November 23, 1985. The fraternity traces its roots as a local fraternity back to 1980. Theta Chi was chartered as KSC’s first social fraternity on November 21, 1987. Since that time Theta Chi has earned the reputation as the social and service leader at KSC. As the largest and oldest Greek organization on campus, Theta Chi offers its members services and avenues for participation such as an alumni association, awards and scholarships to members, annual formal and awards banquet, a textbook library, and its own intramural team.
