LEMON STREET HIGH SCHOOL

Price 10 Cents

RECORD ENROLLMENT AT LEMON STREET HIGH FOR 1948-1949 TERM

Complete Year Of Activities

The Lemon Street High School opened its doors September 7th with the largest enrollment in its history, with a total of 645 pupils. Children from far and

near, trudged to school full of vigor, vim, and vitality; ready to begin the year's work in reading, 'riting and 'rithmetic.

The term promises to be successful, filled with a variety of activities. Some of these features have already begun; namely: Football, the Halloween Carnival, dances and many other social events which make for entertainment and recreation.

All the teachers are well qualified for their assigned tasks, and are striving to instill into the minds of pupils, that education is a means towards a prosperous life.

The newest additions to the elementary faculty are: Misses Emma G. Beavers, and Cornelia L. Pinkney. Along with these came Mr. Thurmond Wilson, to the high school department as Science Instructor. The school welcomes them to its Faculty Family.

STUDENT COUNCIL'S ELECTION BEGETS A CAMPUS UPSET

Mr. Raymond Moss of the Democratic Party caused much surprise and comment among students of Lemon Street High, when he defeated Messrs. George Carter, and George Dodd, of the Republican and Progressive Parties, respectively, by a land-slide of votes cast for him in the election for President of the Council.

Mr. Carter was as disappointed as Mr. Dewey, during the National election. Mr. Carter and his campaigners were so confident of winning, that they sat back, related jokes and smirked at the opposing parties.

Alas! the voters went to the polls, and cast their votes for the Democratic Party.

The returns were as follows:

Mr. Moss	111
Mr. Carter	47
Mr. Dodd	45

Mr. Moss is a Senior and cap-

tain of the Varsity football team. If the students stand wholeheartedly behind him he will be a guiding star and a credit to the school at large.

The school can be proud of its students because the campaign was conducted orderly and with fairness and justice to all.

Inauguration exercises were held in the auditorium Thursday, Nov. 18, and were quite unique.

FOOTBALL SQUAD MAINTAINS VICTORY STANDARDS AT LEMON

Coach Wilson of Lemon Street High, continues to direct the boys in his nonchalant manner, towards abolishing defeat in football.

The team under his untiring leadership has become famously known as the "Winning Squad."

So famous have they become that teams from other states are requesting a challenge.

Mr. Wilson, a graduate of Clark College, has won the love and respect of all the members of the athletic teams and the word "defeat", has long since been discarded in connection with any of the games played or those to be played in the future.

Three cheers for the Squad and Mr. Wilson!

P. T. A. LAUNCHES A BEAUTIFICATION DRIVE FOR SCHOOL LUNCHROOM

Plans to Entertain District Meeting

The P.-T. A. is forging ahead with its plans to improve the general appearance of the lunch room.

If you have a paint brush and a good strong arm, the body will welcome you to help with the painting this Friday night, November 19, at 8 p. m.

The P.-T. A. is going to entertain the district meeting in February.

This energetic group also hopes to present Graham Jackson—(The man with a thousand

fingers) in recital. As yet plans for this outstanding and colorful program are incomplete.

Come to P. T. A. each third Tuesday night at 8 o'clock, and bring someone else. The membership drive is on. Please help us to build a stronger and better P.-T. A.

Mrs. E. Garrett, Pres.

Mrs. W. B. Edwards, Sec.

So here hath been dawning another blue day:

Think, wilt thou let it slip uselessly away?

---Thomas Carlyle.

Lemon Street Talent Revue

This year the Stunt and Talent Revue will be given early to avoid crowding the closing events. We have plans of making this one of the most enjoyable entertainments of the year.

The Faculty is asking the cooperation of all students in this venture; not only in participating, but in advertising and selling of the tickets.

The date is set for Dec. 10, 1948.

You will hear more about the Revue in the near future.

(Miss) Edna M. Hill,
Coordinating Chairman.

Unpredictable Events

Now that the election is over, all is quiet and serene around the campus. It's quite odd how enthusiasm can be so high then suddenly decreases below par. Yet that is the way of life.

It is difficult to believe that out of all the predictions made, the majority were mistaken. Everyone expected the Republican Party would win and not the Democratic party. It just shows that one cannot successfully prophecy for the future.

Popular evidence revealed that the votes would be close. Evidence also showed the strength in the lower grades were for Carter. The only available answer is, that through the rumors received from "Professional Gossipers" we allowed the subtle influences of the teachers guide our thinking instead of doing it ourselves.

In conclusion, a lesson has been learned. Never rely upon predictions, and always doubt their veracities.

Editor-in-Chief.

A teacher was trying to explain the meaning of the word straight. She walked across the room very straight and upright, then she asked a little boy, "How did I walk, Johnny?"

Johnny answered, "You walked bowlegged."

Observing the School

I have been a teacher at the Lemon Street High School approximately three months now, and as the days and weeks pass, I have been exposed to every situation existing in the school. To me the school is wonderful, and a fine educational program is being put into execution, developing each boy and girl into useful citizens.

Sitting in the classroom, walking down the halls, eating in the lunchroom, wandering across and around the campus; I have often wondered what the students of the Lemon Street High School think of their school, and if they ever stop to think how fortunate they are to possess such a school as this, and the opportunities that are offered here.

Do they look upon the school as a means of escape from the truant officers? Do they attend just to be among friends? Or do they come because of compulsion from their parents? These are thoughts that have frequented my mind as a result of general observation.

The students should keep the school moving forward instead of backwards, and the only way to accomplish this is to improve that which they have. If this is done, much can be gained and a goal reached by remembering the "DON'TS".

1. Don't throw paper and rubbish all over the campus.
2. Don't carve the desk, walls and tables in the building.
3. Don't mark on walls.
4. Don't play with rock and articles that are liable to break windows.
5. Don't yell in the hall.

If you take note of these itemized "DON'TS", the teachers will know what you think of your school.

Remember, whatever good you do here at this school, you not only help yourself, but you also help the school, the home, the community and our entire race. Lest we forget "The seeds sown today, will become plants of tomorrow."

(Mr.) T. B. Wilson
Science Department.

Seeing America

Have you visited Glacier National Park, which is located in Glacier and Flarhead Countries, in Northwestern Montana?

Glacier Park is one of the largest and most noted parks and resorts in North America.

READINESS

How does one get ready? What does it mean to be ready- When is one ready in these days and times?

Different answers to these questions are given by different persons from different schools of thought, but the answers revolve around some type of education.

But what is education? Here again there are many answers, although what seems to be the most widely accepted, looks upon education as a threefold mind, body and spirit; or knowledge, skills, and attitude: or head, hand, and heart. All of these mean essentially the same thing, but my preference is for the second statement: Knowledge, Skills and Attitudes.

Readiness today most certainly includes increased knowledge. One needs to be well informed, not only in current affairs, but also in backgrounds of our cultural heritage. This long has held a high place in organized education, especially liberal education, and cannot be overlooked in any adequate preparation for readiness.

However, knowledge of itself is not sufficient for today's needs. One needs skill of body and of mind. To the *know* there must be added the *know how*; and there is hardly any area of learning to which this does not apply. There are language skills, and social skills, as well as perhaps the more familiar scientific and manual skills. The combination of skill with knowledge gives tremendous power. It is this combination which has been largely responsible for the great material advancements and comforts of our present civilization.

M. J. WOODS, *Prin.*

There are excellent facilities for visitors. Tourists from all over the world visit the park each year because of its beauty and varied attractions.

There are now wonderful hotels, for accommodations to all vacationists, also many miles of trail for walking and horseback riding.

This park is a monument to the past created by nature for you and me to enjoy.

If you seek a vacation of leisure and excitement, why not visit Glacier Park? It is truly the wonder land of America.

My advice to you is: "See America First!"

Associate Editor.

Hornets Take Calhoun For Two

The Lemon Street Hornets and the Calhoun High grid game attracted a large crowd of fans to see the opening game of the season played on the Lemon Street High's gridiron Friday afternoon, October 15.

This was not a test game for the Hornets, for there seemed to be very little competition. Calhoun was outsmarted in every play by the Hornets.

In the first quarter, Raymond Moss went over for the first touchdown of the game. Two more touchdowns were made in the first half of the game by the Hornets, on a pass from Moss to McAfee. Other runs were made by Walter Bates, left half, and Leroy Scott, right half.

At center—Mack Eppinger was tops, and the other linemen played a splendid game. Scores were 25-0.

Varsity Starting Lineup

<i>Hornets</i>	
Raymond Moss (FB)	(6)
Leroy Scott (RHB)	(7)
Porter and Carter (QB)	(5)
Frank Tillard (RE)	(31)
George McAfee (RT)	(2)
Alphonso Carter (RG)	(4)
Mack Eppinger (C)	(11)
James McConnell (LT)	(12)
Bennie Braswell (LG)	(8)
William McAfee (LE)	(20)

Substitute Lineup

Joe Strickland	(G)
Edwin Dyer	(B)
Dennis Williams	(T)
Willie Gresham	(C)
Charles Brown	(T)
Larry Styles	(E)
John Allen	(T)

The Hornets downed Calhoun High the second time on their home gridiron, 12-7 Friday night, October 22.

The stage was all set for an easy victory, but Calhoun made a comeback in the first period of the game. At that time neither side had scored.

At the beginning of the second period, Calhoun's fullback, Phillips, received the ball on the ten yard line and ran 90 yards with a beautiful down-field blocking, and crossed the stripes.

The Hornets though grim,

**Compliments of
Edna's Beauty Salon
Look Sharp - Be Smart
FORT STREET**

coming forward with a renewed spark of hope dug in determining to win, even with only 6½ minutes of playing time. The crowd became tense, as to the outcome. Suddenly Moss bolted forwards for a 35 yard pass, to McAfee for a touchdown. Another touchdown by Moss which ended the game.

Hornets Defeat Rockmart 48-0

The Hornets bounced back into their victorious stream, by downing Rockmart 48-0 Friday, November 12.

During the first quarter the Hornets easily scored over the Elve's with Moss going over for the first touchdown. After that it was a matter of repetition. The backfield combination was great. Each play called by little Carter was a first down or a touchdown.

Hornets Dazzle Cartersville

A showdown meeting between the Hornets and Cartersville was a pigskin spotlight before the disappointed Cartersville fans, as the Hornets of Marietta defeated them in their own back yard by a score of 46-0.

The Hornets weakened Cartersville's spirit by taking a lead in the first half. Although in the second half Cartersville made a strong comeback, to the extent of reaching the Hornets' one-yard line, but at that tense moment, Cartersville's backs became shaky and the ball was fumbled. Mack Eppinger (center) grabbed this opportunity to recover the ball on the five yard line. Scott, right halfback, then carried the ball to mid-field stripe.

From there Bates scored a touchdown, and then the same story began with more fumbles from the opposing team, and more touchdowns for the Hornets. So forceful was the expert line charging by the Hornets, that four men were sent out of the opponent's team because of injuries.

Finally with only six minutes of playing time, McAfee swept suddenly in and with Scott's interference, bolted a run of 25 yards. Thus ending the game.

CLUB NEWS

YOUTH COUNCIL

The members of the youth council are looking forward to a very prosperous year, under the direction of Miss R. Ivy as Advisor. The president, Miss Victoria Slade, plans many events for the forthcoming months.

TRI-HI-Y

The organization of the Tri-Hi-Y has been an inspiration to most of the teen-agers at the Lemon Street High School. Better conduct, high social intelligence and respect for grownups have been detected among the members of this fine club. They strive to make the slogan a reality, which is: "To create, Maintain and extend Standards of Christian Character throughout the school, and community."

Victoria Slade,
President.

BOBBY SOXER'S CLUB

The Eight Bobby Soxers Club was organized November 16, 1948.

Officers elected are:

President	Hattie E. Bates
Vice Pres.	Kathleen Williams
Treasurer	Margaret Price

The club meets each Wednesday evening at a member's home.
"MOTTO"

**"TOGETHER WE STAND,
DIVIDED WE FALL."**

The club plans to sponsor a Thanksgiving dance to swell its treasury.

CLASSROOM NEWS

FIRST GRADE A

"On Thanksgiving Day, On Thanksgiving Day;
If you want to be happy, give something away."

Through the lovely autumn season, our class has had good attendance. We enjoyed the stories about Christopher Columbus, the Pilgrims, and the Indians.

1st GRADE B

Here we are to greet you for the first time as members of the Elementary Department of the Lemon Street School.

Our First Grade family is a big one of 50, and we had a jolly time getting acquainted with our teacher and with each other.

Now we are hard at work learning to read, write, and engage in all of the other activities that will help us to grow up to be good citizens.

During "Fire Prevention Week" we had the thrills of our lives seeing the firemen demonstrating how to put out fires. After that our teacher told us how to prevent fires in our homes. We had lots of fun and we learned many lessons in fire prevention as we colored our fire books, which were given us by the Marietta Fire Department.

Last week we saw a picture about the Indians, and how they live. We liked it very much because we had been talking about the Indians, and how they helped the Pilgrims to celebrate the First Thanksgiving.

"Story Hour" is a happy time and we enjoy hearing stories, and telling them.

Most of us have learned to write our names and we are as proud and happy as we can be.

We should be happy to have you come to see us at any time.

Mrs. A. M. Edwards,
Teacher.

2nd GRADE A

Hello Everybody:

We have begun this year with much enthusiasm. Our first interest was getting acquainted. Now we have turned our attention to the theme: "Living Together in the Home".

Thanksgiving being near, we are reading stories about the Pilgrims and the First Thanksgiving Feast.

Happy Thanksgiving to all.

Mrs. E. T. Watson,
Teacher.

GRADES 2nd and 3rd B

We have developed an attractive Science Corner, of which we are intensely proud.

2nd Grade B has three members who have outgrown their grade and will enter the third grade at an early date. Guess who these three smart girls are?

Orchids to Mrs. A. M. Edwards who gave three children such a splendid start.

Mrs. W. B. Edwards,
Teacher.

3rd GRADE A

The forty members of our family have worked eagerly towards several goals. One of our goals have been improvements in the general appearance of our room, by the use of paint, potted flowers, and leaves, which were gathered from the fields. Our most precious possession is a collection of gold fish in colors of red and black. We named one Peter, another one Bobtail, and called one "Popeye", because of big eyes. We are still striving for improvement.

Miss C. L. Pinkney,
Teacher.

GRADES 3rd C and 4th C

Grades 3rd C and 4th B number 13 and 12 respectively. We had a Halloween party on October 29th. Each 3-C pupil reported an enjoyable time.

We hope to have a successful school term.

Miss E. G. Beavers,
Teacher.

4th GRADE A

The activities of our class have been many and varied, and we have planned many things for the year that we can enjoy together. One of our activities during the month of October was the beautification of our room. We brought varied plants from home, hoping each of us will win a prize for growing the best one.

Our teacher says, if we are very good in our work, she will

see that we have a grand Christmas party. WE ARE DOING JUS THAT! Now wishing you a Happy Thanksgiving, we bid you goodbye until next month.

Miss M. Dabney,
Teacher.

5th GRADE

The 5th grade class got off to a roaring start in September with 39 members.

The "Saving Club" members are:

President Samuel Elliott
Secretary Richard Ralston
Treasurer Mrs. R. Johnson

The class regrets that Richard Ralston has been hospitalized with a throat infection. We hope for him a speedy recovery. Many magazines, flowers and cards were sent to cheer him.

We are now looking forward to the Thanksgiving holidays.

Sandra Jackson,

Reporter.

Mrs. R. A. Johnson,
Teacher.

GRADES 5th and 6th B

The 5th and 6th classes have organized the class into a Democratic Club. The officers are as follows:

President Mary Lester
Vice President Lottie Gober
Secretary Geraldine Bronson
Asst. Sec'y. Jacquelyn Bryant
Treasurer Ethel Price
Critic Geneva Eummerow
Reporter Robert Barnes

We enjoyed a masked Halloween Party, and are now making plans for Thanksgiving.

Robert Barnes, Reporter.

Mrs. E. S. Jackson,
Teacher.

6th GRADE-A

The "Good Citizens Club" was organized Nov. 5 with Mary Dodd and Madeline Holland presiding. After careful consideration, we chose as our motto "Building Better Citizenship for Tomorrow."

With the cooperation of each student, we hope to accomplish much during the year.

Betty A. Evans,

Reporter.

Mrs. L. J. Phillips,
Teacher.

7th GRADE-A

The members of the 7th A class entered school in September with much enthusiasm. With much pride, we appreciate our newly decorated classroom, which makes our school life quite happy and comfortable.

We have started a Science ta-
(Continued on Page Five)

CLASSROOM NEWS*(Continued from Page Five)*

ble with a collection of tadpoles, fish, shells, and living plants.

Everyone is interested in our class club, which has been named "Cooperatives," which we have also chosen for our theme.

Annie Barnes,
Reporter.
Mrs. E. B. Hill,
Teacher.

7th GRADE-B

The 7th B class was organized into a club September 10, 1948. The club was named the 7th grade "Apple-Jackers".

Officers elected are as follows:
President Mary Shaw
Vice President Cecil Crook
Secretary Ida Wright
Financial Sec., Marion McGuthy
Treasurer Miss R. Hill
Miss R. Hill, Teacher
Freddie Broughton,
Reporter.

8th GRADE B

The class was organized in September with our home room teacher, Mrs. Banks. Our officers are as follows:

President William Harrison
Vice Pres. Warren Moon
Secretary Kathleen Williams
Asst. Sec'y. Harriet Slade
Financial Sec'y. Margaret Price
Treasurer Mrs. H. M. Banks

We are very proud to know that our teacher who has been ill will soon return to us.

Inez Dunn, Reporter.
Mrs. H. M. Banks,
Teacher.

9th GRADE

The ninth grade's "Social and Saving" club was organized September 7, 1948, with Miss E. M. Hill as our instructor. Our officers selected are as follows:

President Dorothy Milsap
Vice Pres. Annie Austin
Secretary Reuben Johnson
Asst. Sec'y. Mary Carter
Treasurer Patricia Huntley

After organizing and naming the club we selected the motto, "Together We Stand, Divided We Fall". Colors are blue and white.

We are planning to sponsor a "Jamboree" in the near future, and so far our plans have been very successful in our efforts towards this goal.

We are also proud of our class

members who are cheer leaders and members of the football team.

10th GRADE

The members of the 10th grade class organized September 7, 1948, with Miss Billups as instructor. The officers elected were as follows:

President Edna DeVaughn
Vice President Edwin Dyer
Secretary Harriet Booker
Asst. Sec'y. Barbara Evergin
Treasurer LeRoy Scott
Bus. Manager George Carter

The class tends towards a cooperative task of building a class treasury.

Miss E. M. Billups,
Teacher.

11th GRADE

The Senior class was organized September 7, with Mrs. Fredd as our adviser.

The class chose as its motto: "Enter to Learn, Leave to Serve."

We as Seniors are striving to become beacon lights to those who are aspiring to be future Seniors. Not only are we elated to have Raymond Moss as captain of the football team, but we're also as equally delighted that the students favored the Democratic Party enough to elect him for President of the Student Council.

We again feel honored to boost Miss LaVerne Woods as captain of the basketball team.

Jennie L. Hill, Reporter.
Mrs. M. Fredd, Teacher.

GOSSIP

We hear A. K. is going to visit Uncle Sam soon, and we know that A. S. will join the AWVS (formerly knowns as the Wac).

We wonder who V. E. is peeping at since popular C. V. H. has gone- It couldn't be anyone but A. B.

We guess B. J. D. will hold on to L. S. until she slides out of school. Or is he peeping at H. B.?

G. K. threw a hand grenade between C. W. and W. G., but N. A. really got the bomb.

Why is J. H. planning to go to Fort Valley state college? Is it because of C. V. H.? Or is she suddenly changing to go to Clark College?

A certain Senior says, L. W. is always sticking her nose in and attending to other people's business.

Last year C. D. dropped a large Atomic bomb between R. M. and V. S., but it seems that the bomb hasn't exploded. Have you noticed R. M. and V. S. lately?

I wonder if E. C. will be a nurse? She seems to like to go around sticking people with pins (giving shots.)

D. M. seems to be rather lonesome this year. I wonder is it because J. W. has gone?

S. S. has retired after unsuccessfully trying to cut in on F. J. and M. T.

We suppose L. W. will suggest going to Tuskegee on a basketball trip because of R. P. Or would she rather go to Hampton Institute because of A. W.?

M. A. is looking for a girl friend. He seems to have his eyes on C. S. Or is she too little?

Wonder why the girls don't like A. A.? Is it because she has that certain touch, or has she attracted all the boys' attention?

Wonder who W. R. is peeping at since A. B. has gone? It couldn't be anyone but L. W.

CLASSROOM BONERS

Teacher—What is a cypher?
Pupil—A cypher is a bottle that squirts.

Teacher — State the golden rule.

Pupil—"Whosoever you do, let them do to you".

Teacher—How are Criminals put to death in the U. S.?

Pupil—Criminals are put to death by Elocution.

Teacher—Give the meaning of matrimony.

Pupil—Matrimony is a place where souls suffer for a time on account of their sins.

Boy—What is a grass widow?

Girl—A grass widow is the wife of a dead vegetarian.

Teacher—How do we breathe?

Pupil—When you breathe you inspire, when you do not breathe you expire.

He—What is an Indian's wife and children called?

She—An Indian's wife is called a squaw and his children are his squawkers.

Teacher—What is the past tense of "I want?"

Pupil—The past tense of "I Want" is "I got".

JOKES

To Pete—"What's good for a bald head?"

Lots of hair, Hank, so long.

1st Man: Well Hal, how are you feeling?

2nd Man: I feel like a railroad conductor.

1st Man: How's that?

2nd Man: "Fare, Please."
