KENNESAW GAZETTE

VOLUME 1 EDITION 4 JULY 1978

A Monthly Community Information Publication About Life and Living In One of Georgia's Most Historic Communities

AMBULANCES OF MERCY

Pictured left to right: Mike Grizzle, Pat Atkins, Mary Ellen Atkins

The National Ambulance Service is located in downtown Kennesaw. Pat and Mary Ellen Atkins opened this service in February 1977 after several of Kennesaw's citizens convinced them that they could offer the community a badly needed service. The last company serving our community left when the funeral home closed, leaving our community without emergency ambulance transportation.

Mary Ellen and Tommy Atkins, Pat's younger brother, manage the company full time, along with three other professionally trained attendants. This allows Pat to continue his career with the State of Georgia, where he instructs emergency services in a vocational program. Pat travels to fourteen vocational schools in North Georgia teaching students how to become professional medical technicians. In his spare time he works diligently with his family members as they maintain a very busy 24 hour schedule.

Quoting Mr. Atkins, "Our job is to make our services available as quickly as possible. When we arrive on the scene, we are thoroughly trained to administer whatever aid necessary to preserve life and move the patient directly to the nearest medical facility. Our four ambulances are staffed and equipped with the best and we maintain a 24 hour vigilance to serve the people".

If they don't show a profit in a reasonable time, Private Ambulance Services are forced to move their offices to another area. This is alarming and all the residents of our area should be aware that, if National should be forced to move to another location for better business, we would be without help for emergencies.

If the County commission received the available funding from the state as other counties in Georgia have, we could set up a

professional team of para-medics stationed at the proper fire stations throughout north Cobb County. One elite team in Acworth and another team in Kennesaw. Their job would be to receive all calls of emergency and speed quickly to the scene to administer aid. The private company monitoring the call would then proceed simultaneously to the scene to receive the patient and then transport to the nearest medical facility. This would relieve the para-medical team and allow them to take other emergency calls. This unit would function very much like the T.V. team on "Emergency One". According to Mr. Atkins, this would greatly increase the effectiveness of emergency services through proper coordination and always guarantee the injured and sick immediate help.

This problem of proper emergency aid and transportation has been a controversial issue for years and the county commission has failed to take advantage of the state's good offerings. "If all we had to maintain was the equipment and reasonable medical personnel on board our units, then we could cut our expenses as much as 50% and we could afford to stay in business. As it stands now, if you are a small company without any influence, it's very hard to operate.

As we closed our interview with Mr. Atkins we were impressed with his concern for his community and for its future and we can't help but think there are sound and valid issues raised that need attention.

We published this article featuring a business as usual, but felt there were underlying issues that effect our community. We sincerely wish all the folks at National Ambulance Service the best of luck and remember, for excellent medical transportation, call the folks at National, 427-3131. Thank you.

Which Way is Up?

The early pioneers of Cobb County arrived in the latter part of 1832. They came from everywhere. The Carolinas, Virginia, Wales, Scotland, and of course England.

The people arriving in those days had been lured to this newly created County for various reasons. The gold fever was just beginning and the fertile valley lining the Chattahoochee River offered the finest corn and cotton farming to be found anywhere. The upper part of the County was still considered unknown by the "White-Man" and the Cherokee Indians continued to resist the onslaught of their pioneering through 1838. Forty acres was allotted through the raffle system if gold was suspected, and 160 acres were allotted, also through the raffle, for homesteading and farming.

Quoting Sarah Temple's marvelous book on Cobb County history, "The First Hundred Years", available at all county libraries, "We do not know how rapidly these pioneer settlers came into the County, although by the spring of 1834 the representative population of the County was 1,576 and by the summer 1,891. Certainly there were enough of them early in 1833 to set about the political organization of the County.

The first elections were held on the first Monday in March, 1833, and while it seems to have had none of those distinguishing characteristics for which Cobb's fiery interest in politics has caused it to be noted throughout the years, the imminence of an election would cause the citizens of the County to remark with pleasure - able anticipation that it was about time for the fights to begin, at least it was an occasion of widespread interest in Cobb".

America's Perfect Pool

Almo

PRODUCTS INC.

Pleasure - Value - Peace of Mind

One-Piece Fiberglass

Almo has been building one-piece fiberglass pools since 1960. Their acceptance has been outstanding with thousands of our pools presently in operation. Almo's high quality construction means no seams—and no leaks—ever. Everything is built right in—steps, non-skid coping, skimmer, main drain, return inlet, safety line holders, non-skid slope (shallow to deep end).

STRENGTH

Almo fiberglass pools have a flexural strength seven times greater than steel and twelve times greater than concrete. It will withstand freezing temperatures, hydrostatic pressure and expansive soil conditions to give you many many years of healthful enjoyment.

MAINTENANCE

Almo fiberglass pools have the color sealed in—no more yearly painting. No need for ever replastering or repairing cracks and holes. The non-porous surface stays bright and beautiful. Dirt and algae are easily removed with a damp cloth. The upkeep is so simple that no professional maintenance service is necessary.

COST

Almo fiberglass pools are comparably priced with any other quality pool. Although fiberglass is more superior than other pool building materials, the built-in features and ease of installation hold today's high labor costs to a minimum. In effect it is like purchasing a Rolls-Royce for the price of a Ford.

EDITORIAL (CONTINUED)

The following years, as we all know, presented our early ancestors with some basic and some not so basic issues to render on at the voting booth. During the war years, as the boys came home from the northern fronts, their main pride in civic duty was to go to the poles and vote their convictions. The Reconstruction period denied our people the right to vote on the issues that effected their lives, and now, 148 years since the first citizen of Cobb County voted, another election is imminent.

The primaries are slated for August 8th, in which we will vote for the offices of Governor, office of State Legislator, office of Superior Court Judge, office of State Court Judge, office of State Court Magistrate, and, the most hotly contested, office of 7th District Congressman.

The recent scandals uncovered by the special Grand Jury and the incriminating evidence and publicity that concerns the hierarchy in Cobb County government, makes it a must that you go to the poles and VOTE. We must start now to put Qualified People in our government and stop the patronage and crony politics or we too shall experience the dreadful results that scandal can bring to all too assuming and trusting constituency.

It seems to us, from the many people we have talked to, that very little is known about the candidates or the issues. We as citizens have learned from the past that remaining quite on vital issues in the long run costs us more than we can afford.

Which way is up? It seems to us that exercising your powerful vote this August 8th is the American way. Let's keep that spirit of 1833 alive. If you haven't registered to vote, please be advised that you may do so at any library or at Citizens and Southern National Banks in Cobb County.

Thank you.

HEAR YE.

PEOPLE IN THE NEWS

HEAR YE, HEAR YE

Happy belated Birthday Greetings to FLORENCE B. MCCALL who was 98 years young on June the 2nd.

The Kennesaw Softball Association is trying to raise money for a PA system and they are surely grateful for any contributions.

The Politicians came out of the woodwork for the KBA cookout at Boone's Barn on June 13. There were almost as many Candidates as there were business people, the supper was super and the speeches made one wish he or she could vote for all the candidates. SMITH FOSTER, who is a Congressional Candidate, was once again absent; where are you MR. FOSTER?

P.S. - There will be a Meet the Candidate night at Cobb Civic Center at 7:30 P.M. on July 6th - maybe the lost shall be found.

MR. and MRS. JOHN ALEXANDER of Pine Tree have recently returned from a trip to Russia. "The food wasn't very good" says MRS. ALEXANDER, "and the accomodations just fair, but the people were warm and friendly and couldn't do enough to make us feel welcome; it was a great experience." They were glad to see the good ole Georgia clay, but then, MRS. ALEXANDER turned right around and took off for a trip to Hawaii - must be nice!

The COUNTRY HICKS and the CITY SLICKERS at the Church of God are battling it out to see which team wins in making new contacts, visiting, best attendance, biggest offering and new members. The losers have to cook for the winners. Good luck!

MARY NELL and BUDDY CRAWFORD have not one but two daughters getting married this summer, "poor" BUDDY.

HEAR YE, HEAR YE (CONTINUED)

Ford Division of the Ford Motor Company recently announced that DONALD (BUD) HILL has attained the status of Master Sales Counselor in the Ford Society of Professional Sales Counselors for 1977.

The honor is awarded to sales personnel who display extraordinary sales achievement during the calendar year. BUD HILL is employed with JIM TIDWELL FORD in Kennesaw.

LOUISE and BILL LASLIE, new residents on Old Stilesboro Road, will be celebrating their 30th wedding anniversary July 4th. Good to hear of folks hanging in there together this long. Congratulations and welcome to the community.

VERBON WALKER and family left July 1st for Nashville, Tenn. where they plan to visit Opryland and the Grand Ole Opry. VERBON will close the Shanty House Restaurant from Saturday, July 1st through Tuesday the 4th. Hope y'all have a good time.

CHERI KAYSER wants her name in the paper, but hasn't done anything worthy of printing lately. Here's to you, CHERI. Do Something!

CAROLYN HERLIHY recently moved here from Florida. She is the mother of JERRY KERNIA. Welcome to Kennesaw.

NELDA AYERS got a whip lash and crushed thumb and totaled her \$59 at the Douglasville Powder Puff race. After winning 1st place 4 times in a row and on the last lap for her 5th win. Nelda was probably more disappointed with the loss than her pain. Take care, Nelda.

DOUG and JULIA RACE, owners of Almo Pools, are proud parents of a baby boy, ERIC DOUGLAS, born June 20th at 12:30 A.M., Cobb General Hospital.

Welcome Home from the hospital FLORENCE BOMAN, we are glad you are feeling better.

You can register to vote at the Library until July 10 to be able to vote in the August 8th Primary. All concerned citizens are urged to register and to vote. Let's avoid voter apathy in Kennesaw.

The KENNESAW BASEBALL TEAM wound up their season (almost) with a parade on Saturday, June 17th. The Shriners and Fire Department participated and the boys carried their banners from Kennesaw Elementary School to Adams Park.

The winners of the "Mustangs" (8-10 year olds) were the WARRIORS coached by HOWARD ARNOLD. These boys have won the championship 3 years in a row.

The "T-Ball" (6-7-8 year olds) League was also won by the WARRIORS, coached by MURRAY CHALMERS.

The "Broncos" are in a three way tie, the Mets, Cardinals, and Wildcats and we are sorry that the paper goes to press before we know the outcome.

GARDENING GUFFAWS

I'm afraid I don't do as much gardening as I used to. These days the ground seems to be so much lower down.

Every good gardener has a green thumb, which he sometimes gets from pulling 20's out of his wallet at the garden-supply store.

I think I'll relax this spring. Last year I planted a garden and all that came up was my water bill.

A gardener is someone who believes that what goes down must come up.

One of the nicest things about gardening is that if you put it off long enough it's eventually too late.

Never try to make anyone like yourself—you know, and God knows, that one of you is enough

WEDDING BELLS

Patterson-Merrill

Mr. and Mrs. Franklin Patterson of Kennesaw, announce the marriage of their daughter Marie Dianne to Jimmy Dale Merrill, son of Mr. and Mrs. James A. Merrill, also of Kennesaw. The Ceremony took place on Friday, June the thirtieth, at the Chapel of Prayer, Acworth Beach. A Reception followed at the Acworth Beach House. Cheryl Ann Merrill served as Maid of Honor for the Bride and David McPherson was Best Man. The couple honeymooned in the North Georgia mountains and will be living in Kennesaw.

Roman-Petty

Miss Mary Roman and Mr. Warren E. Petty, formerly of Kennesaw, were married on Saturday, June the seventeenth at one o'clock in the afternoon at the Bells Ferry Fire Department. Judge Jamison performed the nuptial vows. The bride is the daughter of Mr. and Mrs. Edward Reiger of Smyrna. Miss Shirley Boyd and Mr. Wayne Petty attended the bride and groom.

Scott-Hardin

Mr. and Mrs. Roy T. Scott of Marietta announce the marriage of their daughter Rita Faye to Mr. Steven Ralph Hardin, son of Mr. and Mrs. Ralph L. Hardin of Marietta. The wedding took place on Saturday the third of June at eight o'clock in the evening. The Reverend Charles Green conducted the service at the Kennesaw Church of God and a Reception followed at the City Hall. The bride's sister, Doloros Owens, was the Matron of Honor, while Sandy Hardin and Carol Holloway served as Bridesmaids. Mr. Ralph Hardin was best Man for his son. Roy L. Scott and James Hamilton were Groomsmen. The young couple, who are presently residing with her parents, honeymooned at Stone Mountain.

The Kennesaw Gazette will be happy to announce your engagement and your wedding. Contact Betty Junkin at 422-2643 or 427-8656.

LYNDA SPENCE

GOODBYE GIRL

A TRIBUTE TO A FELLOW MERCHANT

You look so nice, worth twice the price, your talents get rave reviews
A kind and gentle lady that Kennesaw hates to lose.

Your patience and instruction have meant so much to "we"
The unknowing but interested who found through art how beautiful life can be.

Calico Corners, a creators delight, housed pretty things to see
It was out of sight, paradise, a place we liked to be
I see the shop stands empty now, ragdolls all gone to play
Their Mom has deemed it necessary until another day.

Our lives have been enriched by this pretty girl next door
Her kindness and wit, always broke the bore

We wish you well, don't change your sell, a life as yours is tart
With all the change the days will bring, arrange it with your heart

Goodbye girl
Peter Popham and the Kennesaw Gazette

Ms. Lynda Spence will continue her classes at city hall and will be starting new classes in the fall.
If you are interested in making your life more creative through arts and crafts, call Linda at home 427-3683 or contact the city of Kennesaw Recreation Department.

"I Want to Help!"

THE KENNESAW GAZETTE is a FREE subscription to every resident with a Kennesaw mailing address. IT GOES THROUGH THE POST OFFICE.

We are also distributing large bundles of papers to all the libraries in Cobb County, which includes Kennesaw, Acworth, 7 in Marietta & East Marietta, Smyrna, Powder Springs, Mableton, and Austell --- and to many businesses in Acworth, Canton Rd., & Marietta. YOUR COST TO CONTACT THIS AMOUNT OF PEOPLE BY LETTER OF SOLICITATION WOULD BE OVER \$700.00.

DO YOU KNOW HOW MANY NEW RESIDENTS ARE MOVING INTO THE KENNESAW MAILING AREA? Regardless of the amount of business you already have, this is a very beneficial way of letting present or NEW residents know where you are and what you have to offer.

Several proprietors have told me they have set a RECORD IN SALES since they started advertising with us - - such as Shanty House Restaurant, Tommy's Men Shop, Big Shanty Hardware, Kennesaw Paint & Wallcovering, Kennesaw Tire Co., Kennesaw Cleaners, Hester's Florist, Tidwell Ford, & The Hair Shop. We're striving to make this the most interesting, informative, humorous, eye-catching paper in the South.

IF I can be of any help and you're interested in an ad, please let me know. LET US HELP YOU BE PART OF KENNESAW'S SKY-ROCKETING GROWTH. Thank you.

Due to numerous requests & inquiries, in our next issue, we will feature a classified want ad section for the community. In these smaller ads, at very reasonable rates, you may advertise anything you have for sale - - autos, boats, yard sales, household items, etc. Call for details.

Your friend,

Lt. Kenneth L. Carter

YOUR POLICE DEPARTMENT

This month we would like to officially recognize an officer who "wears many hats". He trains our new policemen. He supervises, under my direction, our Police Auxiliary. He is responsible for the maintenance of our patrol fleet and related equipment. He is the department investigative officer and works closely with Captain Hooper in the general administration of police affairs. I guess in short folks we keep this officer very busy, but he likes the challenge and does a professional job regardless of the assignment. LT. KENNETH L. CARTER is the man I'm speaking of and, as all of our team members can attest, he is a proud and professional member.

Lt. Carter came to our department in November 1973 after five years of service with the Austell Police Department, where he rose to the rank of Sergeant. He has a wide background in police work, spending the majority of his career in the patrol car and the classroom learning how to be a good policeman. Lt. Carter holds certificates from the Academy in the areas of burglary investigation, homicide investigation, rape crisis, and stolen vehicle investigation.

Lt. Carter enjoys working with young people most. We all at the department feel that if we can work closer with our teenagers and their problems, we can help them avoid a life that is marred by crime and its unhappiness.

Officer Carter will supervise the upcoming recurrent training that all officers must attend. This 80 hour session concentrates on the new laws handed down by the courts that effect the job of the police officer and we will also work on some new ideas for the betterment of the department.

Mr. Carter is married and his lovely daughter holds the title of "Little Miss Kennesaw".

The "River-Rats", a crack rowing and canoeing team that we have organized at the Department, has just returned from a wild and wooly encounter with the raging white waters of the Conosauga River.

The trip down the river that originates in the Tennessee mountains was without comparison in beauty and excitement. We camped three miles south of the famed Chief Vann house on a shore of white sand that I thought could be found only in Florida. The water was cold and so clear that you could see the red eyed bass and the mighty pike swimming as beautifully as the auto parts calendar that I saw on the wall of the local garage in my home town when I was a kid. All of the wives accompanied us on the trip and it did wonders for our imaginations and helped us to really relax and enjoy each other.

The Kennesaw Police Department softball team is doing well. We have compiled a two and 0 record, losing our most recent game with the Marietta Police Department in a redhot game. We'll get them next time! If any team would like to find out how strong our lineup is, we challenge you to a game. Call us at our switchboard number 422-2505 and we'll play anything that resembles a softball team and folks, we have played some wild teams. Our team motto is "We've beat the best and we'll play the rest".

In closing, I hope you have enjoyed this article. I sincerely hope that the next time you see a police officer you will take the time to say hello or wave. We like to know your ideas and feelings on our services and always remember that we are here to serve and protect you, our citizens.

Thank You,

Chief Howard

DOES ADVERTISING REALLY PAY?

WHY IS IT? A man wakes up in the morning after sleeping on an advertised blanket, in advertised pajamas. He will bathe in an advertised tub, wash with advertised soap, shave with an advertised razor, drink advertised coffee after his advertised juice, cereal and toast (toasted in his advertised toaster), put on advertised clothes and an advertised hat. He will ride to work in an advertised car, sit at an advertised desk, smoke advertised cigarettes and write with an advertised pen. Yet this man hesitates to advertise, saying that advertising does not pay... Finally, when his unadvertised business goes under, he will then advertise it "For Sale".

BETTY ROBINSON

MEET THE CANDIDATE

Betty Robinson, candidate for Commissioner-Western District-Cobb County

This column is a regular feature in the Gazette to acquaint you with candidates running for political office. It is not an endorsement, only a short character sketch of the people who have chosen to serve their community through government service. You be the judge - your vote counts.

Betty Robinson has had 30 years of civic and community involvement in Cobb County. She is the founder and original owner of the Flower Garden Florist. She helped organize the New Comer's Club in the early 50's through the Y.W.C.A. and served as the club's first president. Past president and former member of the Pilot Club of Marietta, Betty is presently serving as safety chairperson of Cobb County for the women's division of the Georgia Safety Council

Besides being active in the business and civic community, Betty still finds time to be a homemaker, wife, mother and grandmother.

In her own words she tell us "Cobb Countians need, want and deserve the best in fire protection, police protection, and all other public services under the jurisdiction of our county government. It is through the efficiency of these services that the people of Cobb County enjoy a presence of security and protection.

I believe that the Government of the United States of America, on all levels of government was established as a government of the

I believe that good government begins with you the voter and I believe that it is the responsibility of each and every elected official to represent the expressed desires and opinions of his constituents.

I believe that good government, like a successful business, depends upon honest, reliable, capable and efficient leadership and management. As your Commissioner, I would work with you and work for you for the continuation of a prosperous and progressive Cobb County. I would dedicate my time, my interest and my integrity to fulfilling the duties and responsibilities of Commissioner. I would work to insure that you receive full service for your tax dollars and to proving myself worthy of the trust and confidence delegated to me by the voters of Cobb County."

SHANNON STUDIES YOUR HOROSCOPE

SHA-NON, MYSTIC FROM THE EAST

has come to Kennesaw and wants to tell you what is in store if you have a birthday between June 22 and July 23. The Sun at the time of your birthday was in Cancer and your Sunsign is a Crab. You are gentle, kind and trustworthy.

To understand your unique personality, Sha-Non gazes into his Crystal Ball to study your present and future and analyze your character and he tells you thus -

"Your sign is like a rainbow, fortified by faith and gifted with calm moon glow. But, you are highly defensive, changeable, sometimes insecure and sensitive about criticism, yet you are constantly striving for success. Crabs feel a need to dwell by the water, their protective outer shell hides sensitive inner feelings and you seldom lay bare the deep seeded emotions which simmer beneath your surface. Seek a Taurus or a Virgo for a mate and be cautious with Aries. Rubies and white roses, lilting ballads and musk are favorites.

Surprises from a distance are in store for you around the 25th and good fortune may be coming your way. Be careful to stay out of family squabbles and be wary of hypocrites."

Sha-Non looks forward to next month for all of you who are Leo's.

AMERICAN BUSINESS WOMEN'S
ASSOCIATION

The American Business Women's Association (ABWA) is establishing a new chapter in the Kennesaw area.

ABWA is an educational association whose objective is to promote the professional, educational, cultural, and social advancement of women. It believes that advancement and promotion must be earned and stresses this by urging its members to improve themselves through both formal and informal education.

Now in its 28th year, the Association has over 1500 chapters and 96,000 members in all 50 states and Puerto Rico. There are currently 37 chapters in Georgia.

Last year ABWA chapters awarded over one million scholarship dollars on the local level and more than \$180,000 through SBMEF, its national scholarship fund.

The 14 chapters in the Atlanta area are sponsoring the 1978 ABWA National Convention to be held in Atlanta in November.

Membership in ABWA is by invitation only. Interested business women should contact Helen Dutch, National ABWA Field Representative, temporarily in the area to interview prospective members. Her number is 241-3823.

HAVE YOU MET?
JEAN W. DAVIS

There are so many interesting and talented people in Kennesaw and we hope to get to know many of you. This month let us introduce you to Jean Davis. You might bump right into her if you're crossing the campus of Kennesaw College or playing tennis at Pine Tree or shopping at any one of a dozen stores in Kennesaw. She is a great supporter of the local businesses and trades right in Kennesaw whenever possible.

Jean and Harlan Davis live at Pine Tree with their three delightful children, Dan, 19, at North Georgia College, Cristina, 14, at North Cobb, and Lee, 7, at Big Shanty Elementary School. They lead a busy life indeed as Jean is a Spanish Instructor at Kennesaw aside from being wife, mother, avid tennis player and community concerned citizen.

Jean has two degrees from the University of Georgia and taught English and Spanish in the elementary schools in several of the South America countries. Harlan was and is with the United States State Department.

"It was such a challenging and rewarding opportunity", says Jean, "to have lived and grown with the culture in different foreign lands, and best of all, when we lived in Brazil we had the amazing good fortune of adopting our youngest daughter, Lee, when she was just a few months old."

The entire family is bi-lingual, speaking English, Spanish and Portugese. "We all love to read", says Jean, "I'm interested in almost everything and I truly enjoy traveling with my husband, but teaching is my first love".

It is a privilege and a pleasure to have the Harlan Davis family as Kennesaw neighbors.

MERI'S MAILBOX

Dear Meri,

I'm getting married in August and am not real sure about proper dress. The wedding is scheduled for two o'clock in the afternoon and since short party dresses are "In" would it be all right for my bridesmaids to wear short dresses and my mother too? Also what do guys wear at that time of the day. I want the wedding to be formal but simple, could I not wear a veil?

Sallyann

Dear Sallyann,

Short or long, it matters not, either one is proper and you are right, simple elegance is always the best taste. Two o'clock is too early for Tuxedos (only should be worn after 6 PM). I would suggest lightweight navy blazers and white slacks or if you want to be more formal, you can rent what is called "A Stroller" which is a morning suit without tails, just as long as they are all alike. A bow or fresh or silk flowers can easily take the place of a veil. Blessings!

Dear Meri,

I have been married 10 years and my husband has been going out with the "boys" a couple of nights a week for all this time. I like to play bridg  and socialize with my friends too and have asked him if it's okay for me to have a night out with the "girls" a couple of times a month. He doesn't think it's such a good idea for me to go out and yet what do you think is fair?

Perplexed

Dear Perplexed,

Why not write down all the ways you help your helpmate and the things you do for him and ask him to do the same for you. Then, sit down and compare and share. Old habits are sometimes hard to break and new ones sometimes hard to accept. Talk it out together and love him a lot when you are both home, I bet he'll be happy to know you too are having a little fun.

TRAVEL TALK

Pack up your troubles in an old duffle bag and TAKE OFF! It's that time of year when we all feel a little restless and just plain need a vacation. Hawaii, London, Mexico, Canada and the Thousand Islands; How 'bout a Caribbean Cruise or even a camping trip to Jekyll Island? Did you know that your Travel Agent is free? Many folks think it will cost more to make flight and trip arrangements through a Travel Agent. Not so, their income comes from the airlines and hotels, tours, etc. that they book. A planned and guided tour to anywhere can be set up just for you and perhaps for less money than if you planned it yourself. Both Eastern and Delta have come up with a fantastic package deal for slightly in excess of \$300.00 per person where you have a choice of as many as 101 cities, 11 countries plus Walt Disney World in what is called "Unlimited Mileage". Travel is coach and you must travel over a period of at least 7 days but no more than 21 days. At least 2 adults must make the full trip together and at least two stopovers in addition to the final destination city are required.

Now is your chance to visit many of the places you have always dreamed about. You can fly from Atlanta to Los Angeles, Mexico City, Bermuda, Jamaica, all on the same ticket.

Then, too, we have a lot of beautiful beaches just a days drive away. Your family car or a motor home rental can get the whole gang to St. Simons Island, Savannah Beach, Hilton Head and Sea Pines, or to Amelia Island east of Jacksonville and on to Panama City, Fort Walton, Destin and many more.

It's a Great Wide Beautiful World we live in, let's take advantage of it. Have fun in the sun, everyone!

KORN COLUMN

Would it be asking too much to have a movie that could be labeled "E" for entertaining?

If a movie is rated G, the hero gets the girl; if it's R, the villain gets her; if it's X, everybody gets her.

LETTERS TO THE EDITOR

As a resident of Kennesaw, I am most concerned about what I consider a serious hazard at the railroad crossing. At least three or four times a week when I am driving into Kennesaw across the track on Cherokee, the red light is flashing but there doesn't seem to be a train in sight. However, there could be, and it's impossible to see whether or not there is a train coming unless I pull my car right into the middle of the track. Someone is sure to get killed unless there is some better type of warning such as a crossing gate that says STOP if a train is actually in sight. I hope you will publish my letter, perhaps it could save a life and most of us much precious time sitting and waiting for nothing - Or!

EDITORIAL FEEDBACK

The Editor
Kennesaw Gazette

Dear Sir:

Your editorial on The Half-Way House was small, like your paper. We are for the Women's Treatment Center and signed a petition, along with many local residents, in favor of the Center. The average Kennesaw folk is not concerned, and it appears some outspoken women got your ear.

Rumor has it that some leaders will now use the issue as their platform for councilwomen. We believe the original idea was to help the women, and make some effort to save Highway U. S. 41.

What else can Kennesaw get and hold?

Sincerely,

For the Community

REVEREND J. TOD ZEIGER

The Reverend J. Tod Zeiger has accepted the pastorate of the First Baptist Church of Center Point, Birmingham, Alabama. Mr. Zeiger comes from the same position with the First Baptist Church of Kennesaw, Georgia, where he has served since November, 1975.

Tod and his wife, the former Jane B. Hariston, have three children, Joy, Crissy, and J. Tod, II.

Mr. Zeiger has served churches in Tennessee, Georgia and Alabama.

He attended the West Rome High School in Rome, Georgia, graduating in 1965. Mr. Zeiger spent 3 years in the U. S. Army, one year of it in Viet Nam. He attended Berry and Shorter Colleges in Rome, the University of Tennessee in Chattanooga and completed his Bachelors degree at Luther Rice Seminary in Jacksonville, Florida, in 1974. In May of 1976, he received the Master of Divinity degree from Luther Rice and will receive the Doctor of Ministry degree in May of 1979.

The Zeigers will move to Center Point the last of June. As yet, no replacement has been named to serve the First Baptist Church of Kennesaw.

NOTES ON LOVE AND COURAGE

by Hugh Prather

We need other people, not in order to live, but to be fully human: to be affectionate, funny, playful, to be generous. How genuine is my love if there is no one for me to love, to laugh with, to treat tenderly, to be trusted by? I can love an idea or a vision, but I can't throw my arms around it. Unless there is someone to whom I can give my gifts, in whose hands I can trust my dreams, who will forgive me my deformities, my aberrations, to whom I can speak the unspeakable, then I am not human, I am a thing, a gadget that works but has no ashes.
