“Oh I Want To See Him”

Until We Meet Again

When dawn's first light turned into day,

Who knew an angel would soon call me away.

And though I didn't get the chance to say goodbye,

I leave you three things to help you get by.

I leave you *Courage*, that you might see

Your heart can rebuild a world without me.

I leave you *Faith*, that you might believe the spirit will survive

No matter how much we grieve.

And I leave you *Love*, to comfort you in its healing embrace

Until we meet again in another place.
