"She Was Different"

She was different, she was special

Unique in a thousand ways,
She was giving, she was loving,
And we'll miss her all our days.

She knew sorrow in great measure

And was stung by illness too
But neither could defeat her,
Nothing her faith subdue.

Her legacy was friendship
She was so giving of her time
Her bequest was her faith in God,
Her family and all mankind.

And so instead of mourning
As we remember her this hour,
We really should be celebrating
The blooming of the flower.

Because you see —
She was different, she was special
Unique in a thousand ways,
She was loving, she was giving
And we'll miss, all our days.
