ENGINEERS

Building your career is the most important task you'll ever undertake. A results oriented job search must be well organized and methodically planned. The Lendman Associates Career Conference System does exactly that.

Lendman Associates Career Conferences

IN THE PAST TEN YEARS LENDMAN ASSOCIATES HAS CONDUCTED OVER 600 CAREER CONFERENCES, RESULTING IN MORE THAN 23,000 HIRES.

The Career Conferences are *cost-free* "hiring conventions" which bring the corporate recruiters of many companies together in a luxury convention hotel environment with job applicants possessing at least a four year college degree, or that will be in possession of within three months.

The Companies interview for positions ranging from entry to mid-level management. To assist you in your job search, the Lendman Career Planning Office sponsors several *cost-free* JOB SEARCH SEMINARS prior to each scheduled conference, touching upon these important topics:

- effective resumes
- developing occupational goals
- realistic salary expectations
- effective interviewing
- marketing your product

The strength of the Career Conference System is its simplicity. There are no dotted lines to sign, and participation involves no commitment or obligation. The Conference simply serves to centralize the interviewing and hiring function by bring-

ing job applicants together with the hiring companies in an environment conducive to results. Over 2000 major companies utilize the Conference System, representing a broad range of career opportunities within many diverse industries.

**** NEXT CONFERENCE WILL BE JULY 28 - 29 ****

Lendman Associates will conduct 100 Career Conferences nationwide in 1978. The following is a calendar of the programs taking place in Atlanta:

July 28 - 29	August 25 - 26
September 22 - 23	October 19 - 20

For more information about the Conferences, send 10 copies of your resume,
