## RESUME

Scene II LTD some two years ago, was formed after most of the group completed charm and modeling classes under the instruction of Mrs. Deane Bonner, Model-Coordinator and Fashion Director, whose credentials come from some of the finest fashions schools in the country. The group wanted to continue in fashion, so with Ms. Bonner's guidance and expertise, they proved to be very creative and progressive young people.

Scene II LTD has performed mostly as a group and took the name Scene II, September 1975. They have also received individual attention with Debra Hall, being the Teen model of the year for 1977 going on tours with the biggest like Beverly Johnson, where she was co-featured in Miami and Billie Blair, in Memphis, Tennessee; Renadra Harden took the beauty title of Miss Cobb County and First Runnerup for Model of the year; Cheryl Allen, also a beauty winner, Miss Echo 1977; "Jeri", as she likes to be called, is a very talented fashion designer and won the Fashion Award last year. Her illustration grace our brochure; Janet Arnold, a very talented vocalist; Trevisa Gresham, Student at Barbizon; Floyd Martin Male Model of the Year and Barbizon instructor. They are the most exciting group of young models on the fashion horizon today.
