NORTHERN TELECOM RECEPTION--Representatives of Northern Telecom Inc. hosted a reception on campus recently to meet with students and introduce faculty and students to their product. From left are Carl Finch, a senior EET major; Bill Waring, director of operations of the Atlanta Transmission Division, Northern Telecom; April Lee, a recent EET graduate; and Bruce Jarvah, manager of personnel of the Atlanta Transmission Division. Company representatives are now holding campus interviews, recruiting technicians for their Stone Mountain plant to open soon.

STI BLOOD DRIVE

Sigma Pi Fraternity is again sponsoring the Southern Tech Blood Drive on April 16, 1979 in the Student Center Ball Room from 10:00 a.m. until 3:30 p.m. The Red Cross must collect 750 pints of blood every weekday to meet the needs of the area hospitals. Please make a point to stop in the Student Center on April 16th and make a "life giving" contribution.

DORM FEES INCREASE

An increase in dorm rates has been requested by STI to be effective Fall, 1979. The increase, to total about ten per cent, was requested by J.R. Robertson, director of business and finance, and approved by Dr. Carlson and Dr. Pettit. It will be decided upon by the Board of Regents during their May meeting.

"As a matter of philosophy we do not like to raise dorm rates but due to a state requirement that we must at least break even in our operations, we must go up," explained Robertson.

The request would make double occupancy room rates go from $182 to $200 per quarter, and single occupancy rates rise from $237 to $260.

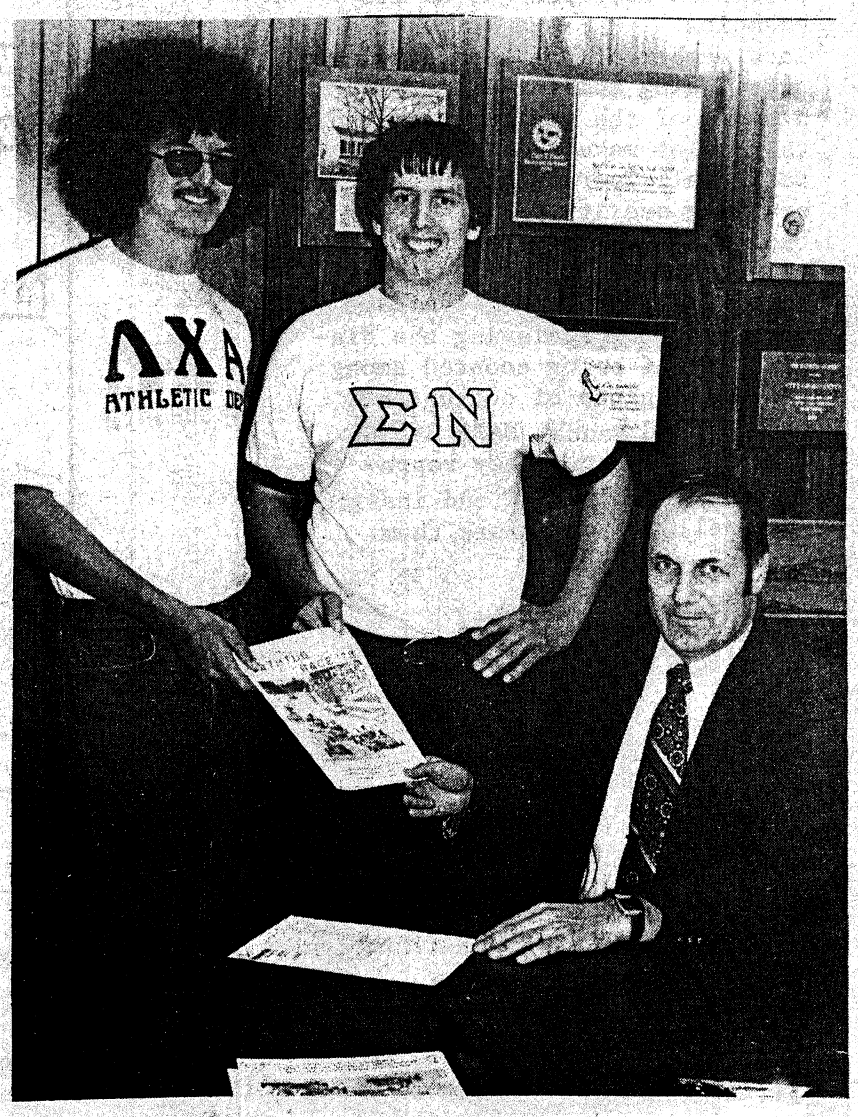
The reasoning for the requested increase is a combination of rising utility costs, labor and material costs. This year's utility costs for the two dorms have risen to exceed the budget by 14 per cent; minimum wage has increased 16 per cent in less than a year.

Robertson explained that the percentage of increase is less than in prior years. The rate has increased for the past three years; last year the increase was over 10 per cent; 16 per cent the year before and 26 per cent three years ago.

"Dean Smith (dean of students) and I have been working for some time to find ways to reduce costs. It was not our desire to go up but there are no state funds to run dormitories and we have to achieve a break-even point."

Since the dorms first opened the deficit has totaled $350,000; the increase is an attempt to break even in next year's operations.

Robertson said that if the dorms could maintain full occupancy, the financial problem would not be as severe. Norton, Dorm I, has a 186-student capacity; Howell, Dorm II, holds 288. Fall quarter is the only time the dorms approach full occupancy. It slacks off in the Spring and Summer.



MAYOR SIGNS PROCLAMATION--Marietta Mayor Dana Eastham has signed a proclamation that May will be "STI Interfraternity Council Support Leukemia Research" month in Marietta. On hand for ceremonies were (from left) Keith Fields and Archie Malcom, representing IFC, and Mayor Eastham.

Editor's Note: The following two letters are copies received by Dean Carlson. He was kind enough to share them with us.

Dear President Carlson:

The National Association of Intercollegiate Athletics (NAIA) sincerely appreciates your institution's recently hosting of the Mexican National Select University Basketball Team in a game played on your campus.
This event provided an excellent cultural experience for all of those who participated in the event in any way. Sport has increasingly become a valuable tool in promoting international understanding and friendship. We are very pleased that our Mexican friends were able to visit your campus, observe American higher education in action, and meet some of your outstanding students and faculty.
Please extend our sincere gratitude to all of those at Southern Technical Institute who had a role in the conduct of this significant event.

Cordially yours,
Harry Fritz
Executive Director, NAIA

Dear Dr. Carlson:

You, your coaches and the entire Southern Technical Institute basketball squad are to be congratulated on their superior play in the 42nd annual NAIA National Basketball Tournament, and the superb manner in which they represented District #25 as its champion.
Each member of the team displayed outstanding ability and was an example of the good sportsmanship that helps make the NAIA National Basketball Tournament an event of enduring quality.
Please convey my personal compliments to your team and the coaches of Southern Technical Institute for achieving the distinction of being counted among the elite group of contestants at the 42nd Annual NAIA Basketball Tournament. They represented your district and institution well and we salute them.

Cordially,
Harry Fritz
Executive Director, NAIA

Dr. Carlson on the Go

Dr. Walter Carlson, dean-executive director, presented a paper at the 16th Annual Institute for Engineering Deans conference in Lake Tahoe, Nevada on March 26. His presentation was entitled "engineering and Engineering Technology Education Aspects and Industry's Perception." He was one of three representatives of the Technical College Council attending the meeting as an effort to increase communication between technology and engineering deans.

Dr. Carlson is also serving on an ad hoc committee of the Board of Directors of the Engineers Council of Professional Development (ECPD) to possibly revise definitions of engineering and engineering technology which have been used by the ECPD for a number of years. Proposed revisions will be presented to the ECPD Council April 9 in Tulsa, Oklamhoma, at the quarterly meeting of the board of directors. Dr. Carlson serves on the board representing the American Society of Mechanical Engineers.

ARE YOU INNOVATIVE?

Do you have an idea for a new product? Do you think you know a better way? Maybe you even have something on the drawing board. If so, you will want to attend 1979's third meeting of Inventor Associates of Georgia, a noon luncheon on April 21, at the Western Sizzlin' Steak House, 3172 Roswell Road.

Inventor Associates of Georgia, Inc., (IAG) is a non-profit organization dedicated to encouraging and advising local inventors. IAG members include computer experts, housewives, patent attorneys, and shadetree mechanics. A number of these people are either marketing their inventions personally or receiving royalties.

So if you are an inventor or want to become one, you might be interested in joining Inventors Associates of Georgia. Charles Lefkoff, can give you more details at 321-1020 or Joseph Buffington at 768-7715.

CAMPUS ORGANIZATIONS

SIGMA PHI EPSILON

We, the brothers of Sigma Phi Epsilon, would like to thank the people that came to our Rush Party. We would like to extend a special word of "THANKS" to the sisters of Gamma Phi Beta. We would also like to thank Keith Fields and Eddie Wright for their help. We appreciate everyone's help and support.

We would like to congratulate everyone that received a bid this quarter. We will be having parties and get-togethers throughout the quarter. If anyone would like information on Sigma Phi Epsilon, please contact one of the brothers.

S.M.E.

The Society of Manufacturing Engineers will be meeting every Thursday this quarter at 12:00-noon in Room 626, Welding Shop. We encourage all old members and invite new prospects to come to our meetings. We are having our next tour on April 26, of the Western Electric Facility in Doraville. Watch for the time to be posted.

AUTO SHOP

Tuesday----------9:00 - 1:00
Wednesday----------2:00 - 6:00
Thursday----------9:00 - 6:00
Friday----------12:00 - 6:00

These are the tentative hours for the Auto Shop, Spring Qaurter. We are loaated in the M.E.T. building.

The Young Alumni

At this very moment, while you are reading this article, the Alumni Office is accepting applications for membership to the Young Alumni. This week, representatives of the Young Alumni are attending meetings at various organizations on campus to let you know about the fast-growing organization.

Want to hear more? The Young Alumni is a new organization made up of seniors and recent graduates formed to act as a middle-man between the student and the graduate.

The organization serves in many capacities from working on projects to helping students establish connections for good jobs. Most important, the organization works at building leadership in students through self-development.

What do you to to join? Stop by the Alumni Office located in the Administration Building for an application.

GAMMA PHI BETA

We, the sisters of Gamma Phi Beta, are happy to announce that we have rejoined the IFC, and that we are looking forward to participating in the activities of the IFC.

We also wish to announce that we will be having a car wash, April 21. We would appreciate your support.

Don't forget the HOE-DOWN, April 28, 1979, at Southern Tech from 12:00 Noon until 4:00 p.m. Tickets are now on sale with any Gamma Phi Beta Sister for 3:50 per person. The menu includes an 8 oz. steak, baked potato, corn-on-the-cob, and your choice of beverage. We are looking forward to seeing each and everyone of you there.

AIIE Meeting

The next meeting of the Southern Tech Chapter of the American Institute of Industrial Engineers will be Tuesday, April 17, 12:00 Noonm in Room 266. The featured speaker will be Mr. Jack Marsh, Manager of Public Relations and Civic Affairs for Stockham Valves and Fittings. His topic on this day will be THE MERITS AND THREATS OF AMERICAN FREE ENTERPRISE. All students are welcome.

SIGMA PI

Our trip to Florida was great. All those attending had a real "bang-up" time. Mark Morrison (alias Movie Star Mark) made "cliff diving" history. Right Stacey. The "Rooster" escaped and also made history.

We had good turn out for our Rush Party and a special thanks needs to be extended to Mrs. Thibodeaux for all the help she provided-

Through - joint effort, Mark Bill and Keith won the liquor raffle-dividing that little bottle seems to be a problem, though.

The softball team lost its first game and practices will now be held on a regular basis as soon as times are agreed on.

The bathtub effort is moving right along. Keith Sands, John Border, and the Alumni are each running tubs and any way you can pitch in and help will be appreciated.

The Blood Drive will soon be upon us. WE WANT YOUR BLOOD! So, please give. Sigma Pi challenges all fraternities and sororities to give more blood than we do. The date for this event is April 16 in the Ballroom.

Board of Regents to Meet on Campus

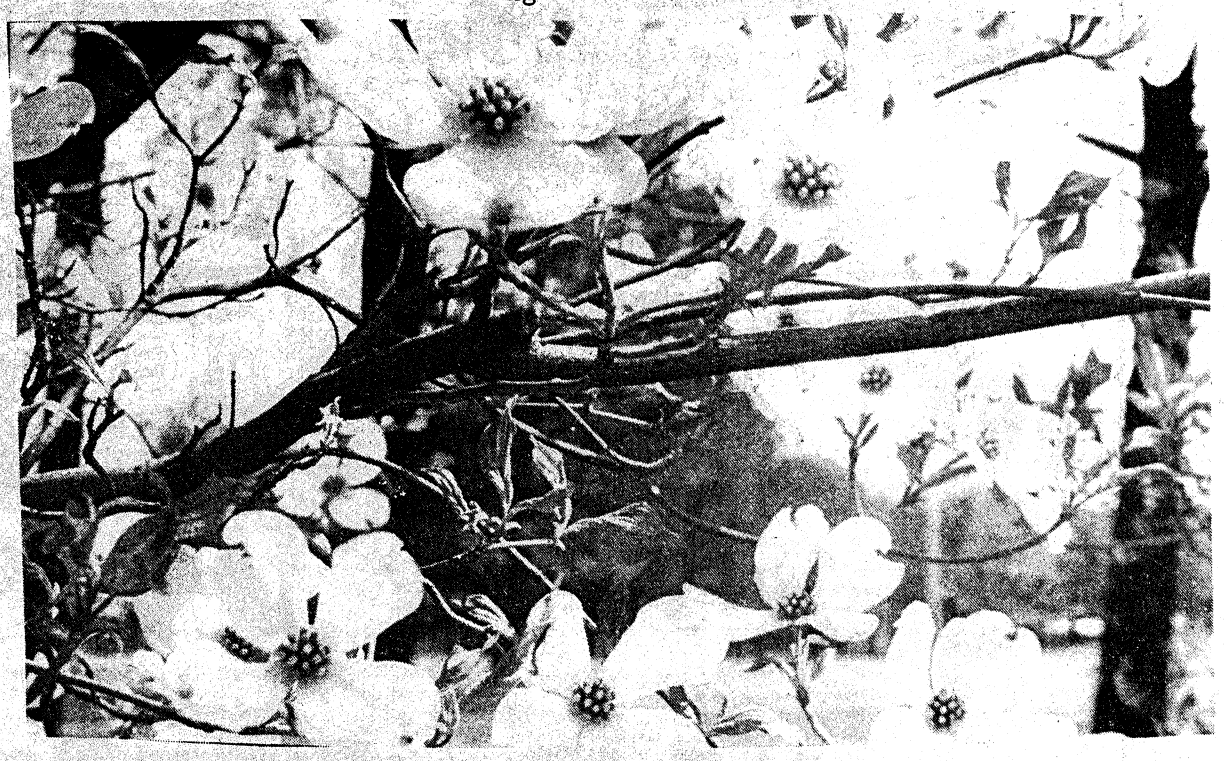
The Board of Regents of the University System of Georgia will hold its regular monthly meeting on the Southern Tech campus in May.

A spokesman from the Board officially accepted the invitation from Dr. Walter Carlson, dean-executive director at STI, Wednesday April 11.

The board's May meeting will be Tuesday, May 8 and Wednesday, May9. Plans have not been finalized for meeting places and times. Charlie Smith, STI dean of students, will be coordinating activities for the event.

The May visit to STI will be the first time in Southern Tech's 31-year history that the Board has met on the STI campus.

"This is an honor for all of us--faculty, staff and students--to have the Board of Regents meet on our campus," said Dr. Carlson. "It will provide us with a good opportunity to tell them about our fine educational programs and to show them our facilities."



ATLANTA DOGWOOD FESTIVAL concludes this week with a Midtown tour of Homes put on by the Midtown Neighborhood Association. This tour is scheduled for April 21-22 from Noon to 5:00 p.m. If you are interested, please contact Bruce Morris at 233-4141 or 876-3278.

Fernbank Science Center Plant Sale

Are you ready for springtime in Atlanta? Does your patio or screened porch need the beauty of luscious plants and bright flowers to make it more enjoyable? Then the Friends of Fernbank SPRING PLANT SALE is a must for you. On Saturday, April 21, from 10 a.m. to 4 p.m., the Fernbank Science Center greenhouse and botanical gardens, located at 765 Clifton Road (across from Druid Hills Golf Club) will be the site of a very special plant sale. Beautiful hanging baskets, bromeliads of several kinds, geraniums in fabulous colors, unusual plants for the collector, and and a large selection of herbs will be on sale for the benefit of Atlanta area gardeners and Fernbank's Botanical Garden.

There will be a special table "For Children Only" with sensitive plants and species of special interest to young plant enthusiasts. "Adopt a Tomato" and "Plump Pumpkin Competition" are two free events offered to delight children and their parents. Each person will be given a tomato seedling to pot and take home. Seeds of a variety of giant pumpkins will be distributed. The children take these home, plant them and when the pumpkin is fully grown, take it back to the greenhouse for a "weigh-in" any Sunday afternoon in October. The winners will be announced in November. The "Adopt a Tomato" and "Plump Pumpkin" activities will take place on the lawn of Fernbank Science Center, 156 Heaton Park Drive, N.E.

Mr. Angus Heeps, chairman of Fernbank's horticulture department and botanical gardens, will be on hand, along with other Fernbank horticulturists, to give free advice and information on plants and their problems.

Don't miss this interesting and beautiful way to spend a sunny spring day. You will enjoy the results of your visit to the Friends of Fernbank Plan Sale all summer long!

For more information, contact the DeKalb School System's Fernbank Science Center at 378-4311.
