Kennesaw Jr. College Marietta, Ga.
A unit of the University System of Georgia

*Here at this place in time, we have come together as those before.
We will learn, we will experience, we will be able to hold our
place in this—our world.*

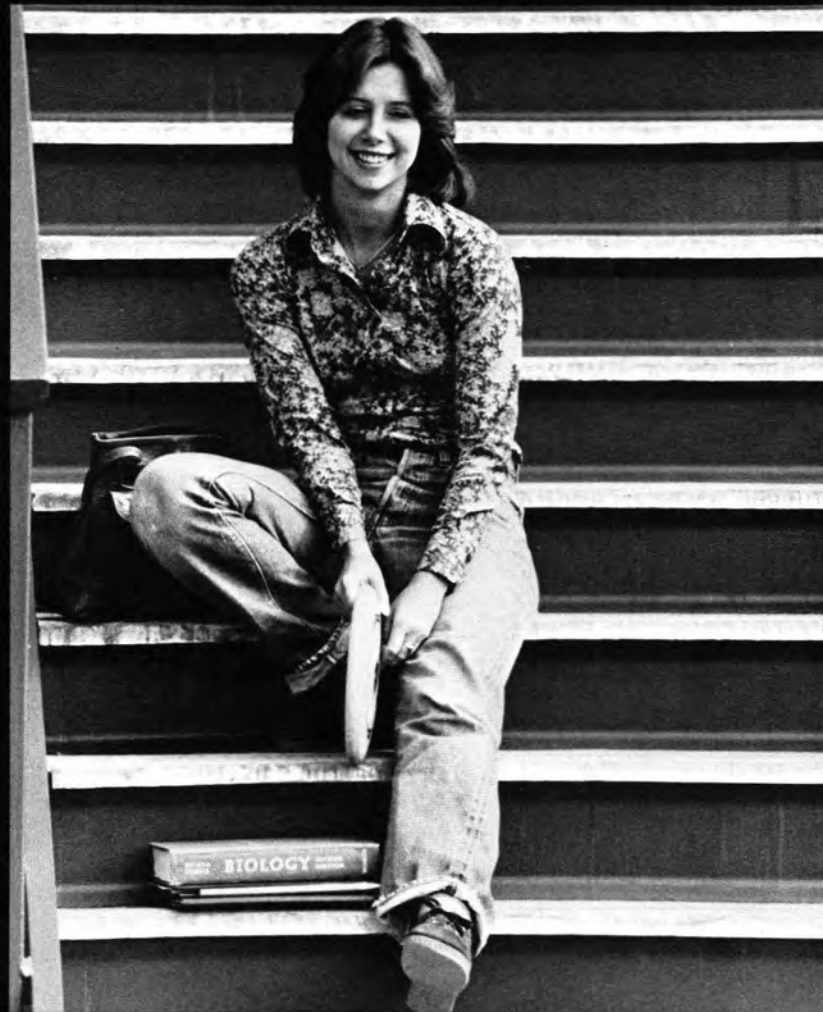

*Cloaked
in
our
differing
affairs
we—
like
the
living
cell,
our
mother,
move
together,
then
apart.*

*Our voices well and swell—they fill these rooms
and buildings in unison with a pregnant urgency, yet never hearing one another.*

That person—yes, the one next to you at the neighboring table—is different; never existing before, never to exist again. Recognize him.

Herded through our lines in registration, to eat, selected and rejected, we reflect on our one body; a part of this whole—we have a common goal.

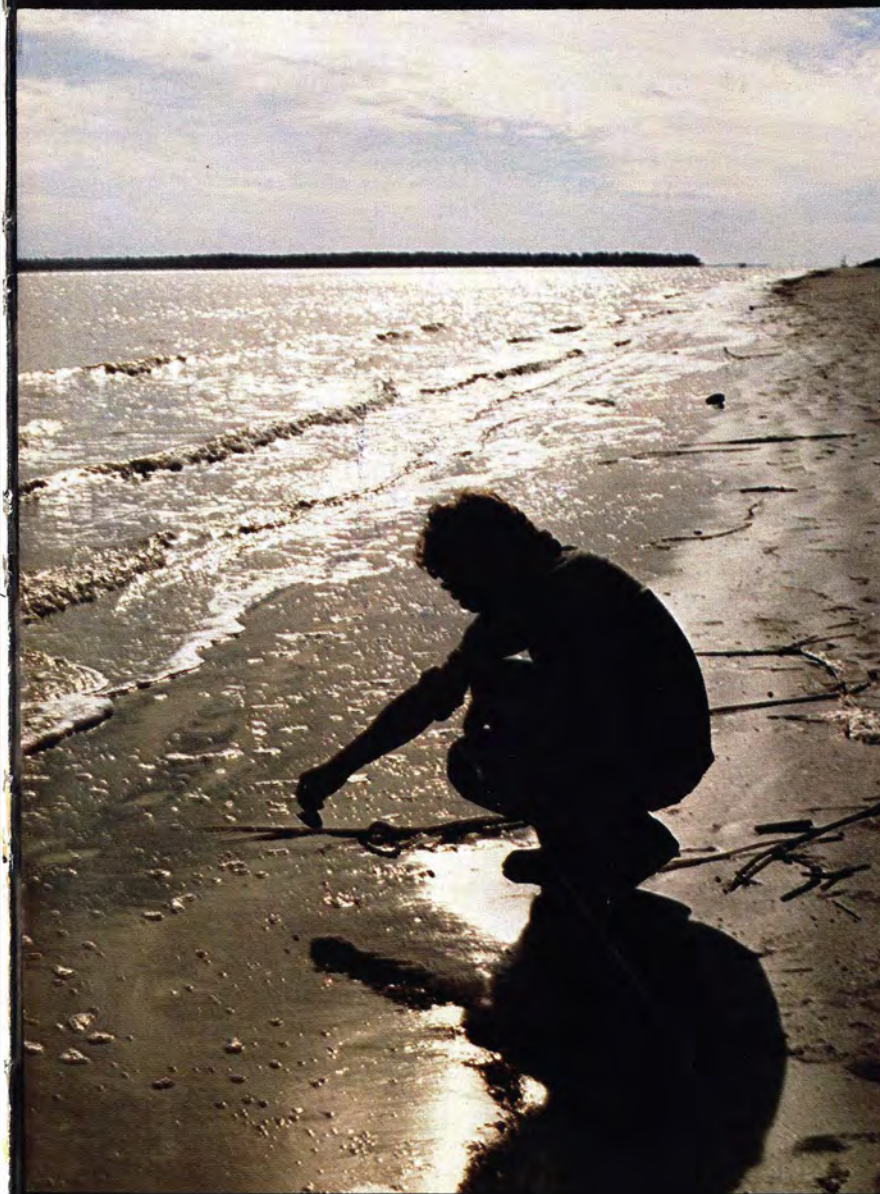

*In
learning,
that
process
of
forming
our
values,
strengthening
our
beliefs,
building
guidelines
and
blocks—
we
construct
our
lives.*

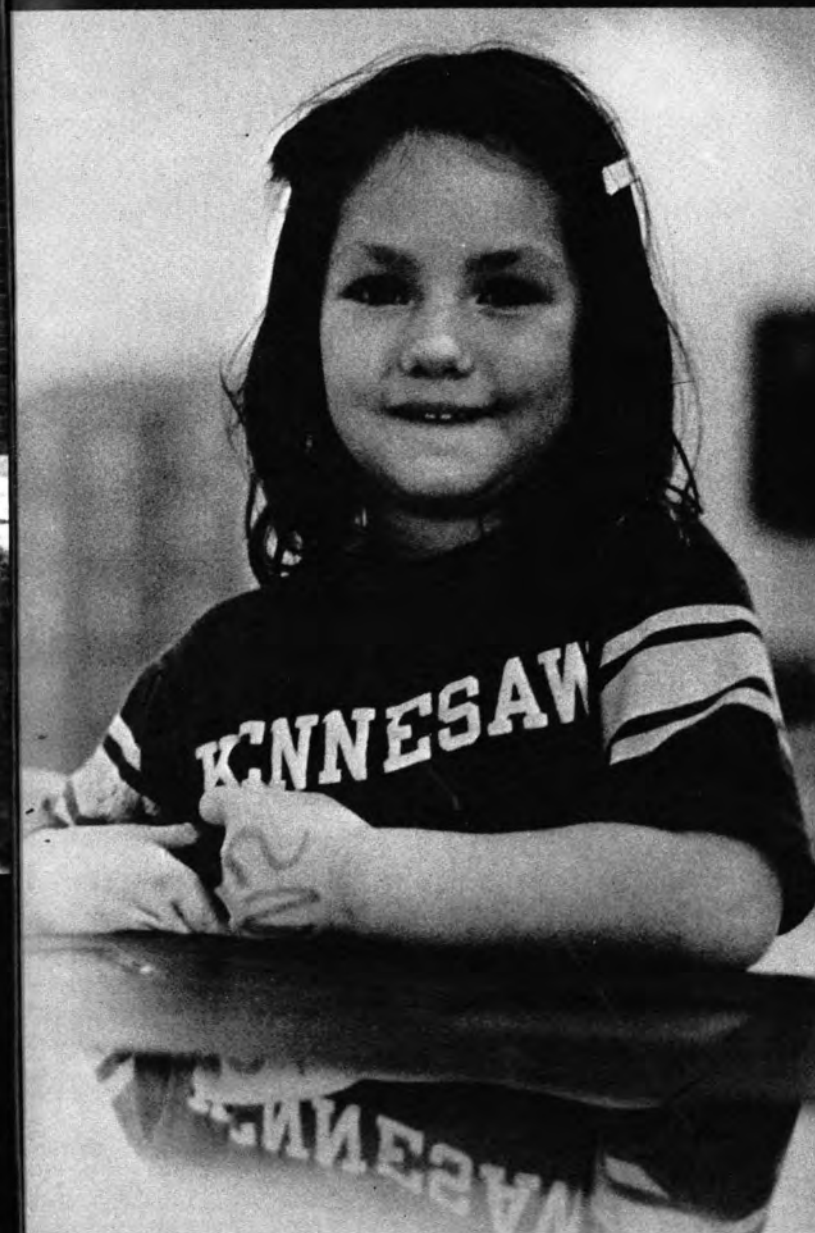

*Easily we identify with—fraternize and consort
with—those whom we name teacher.*

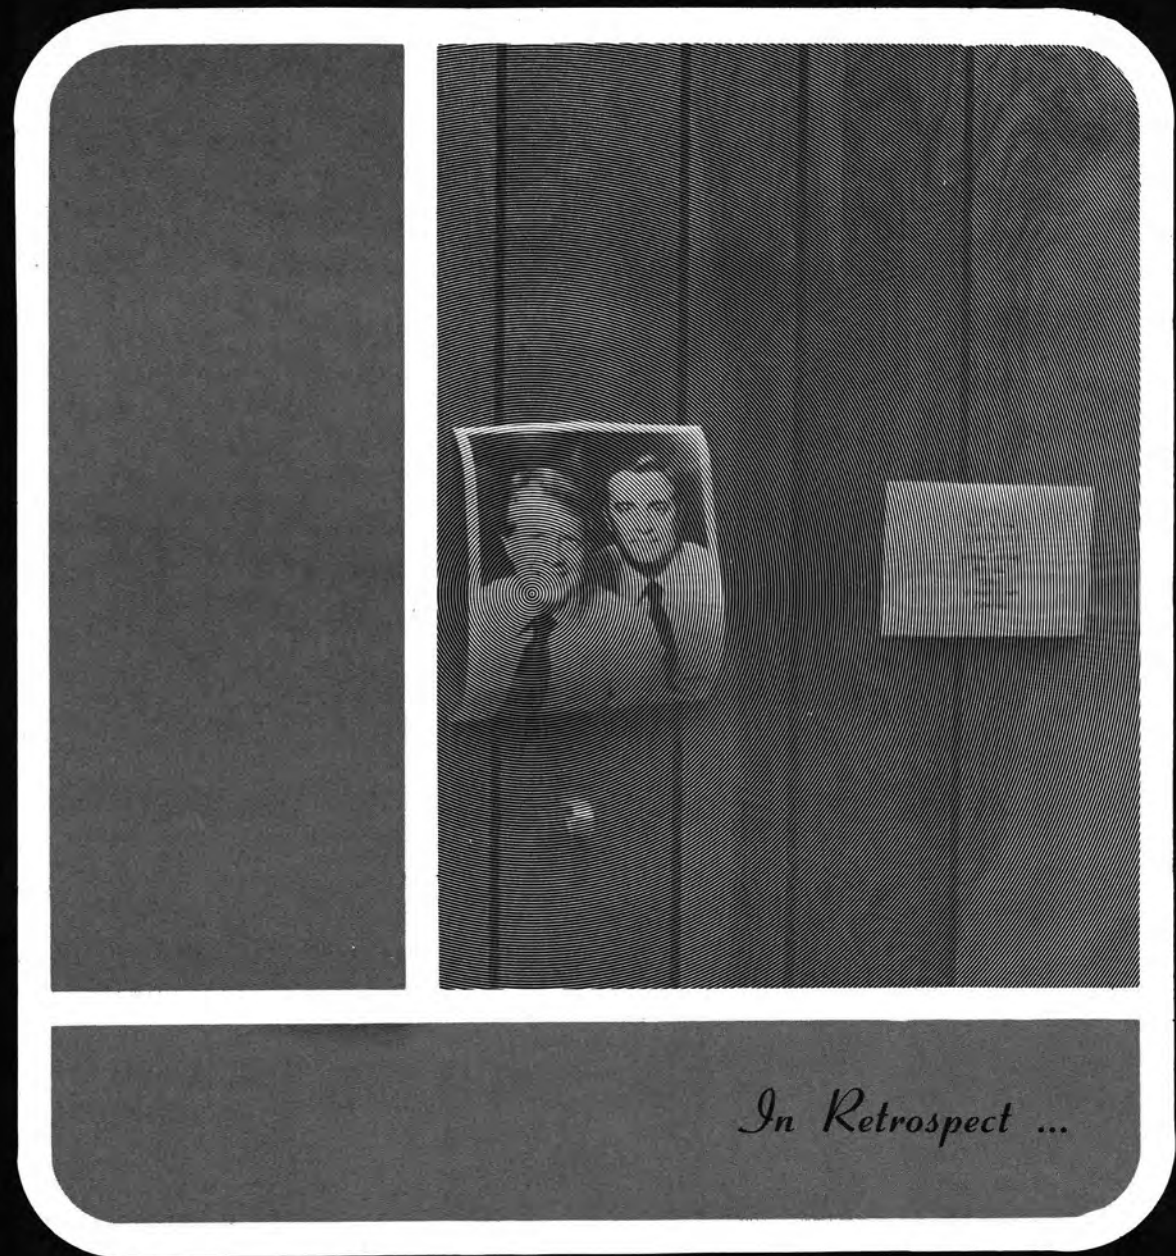

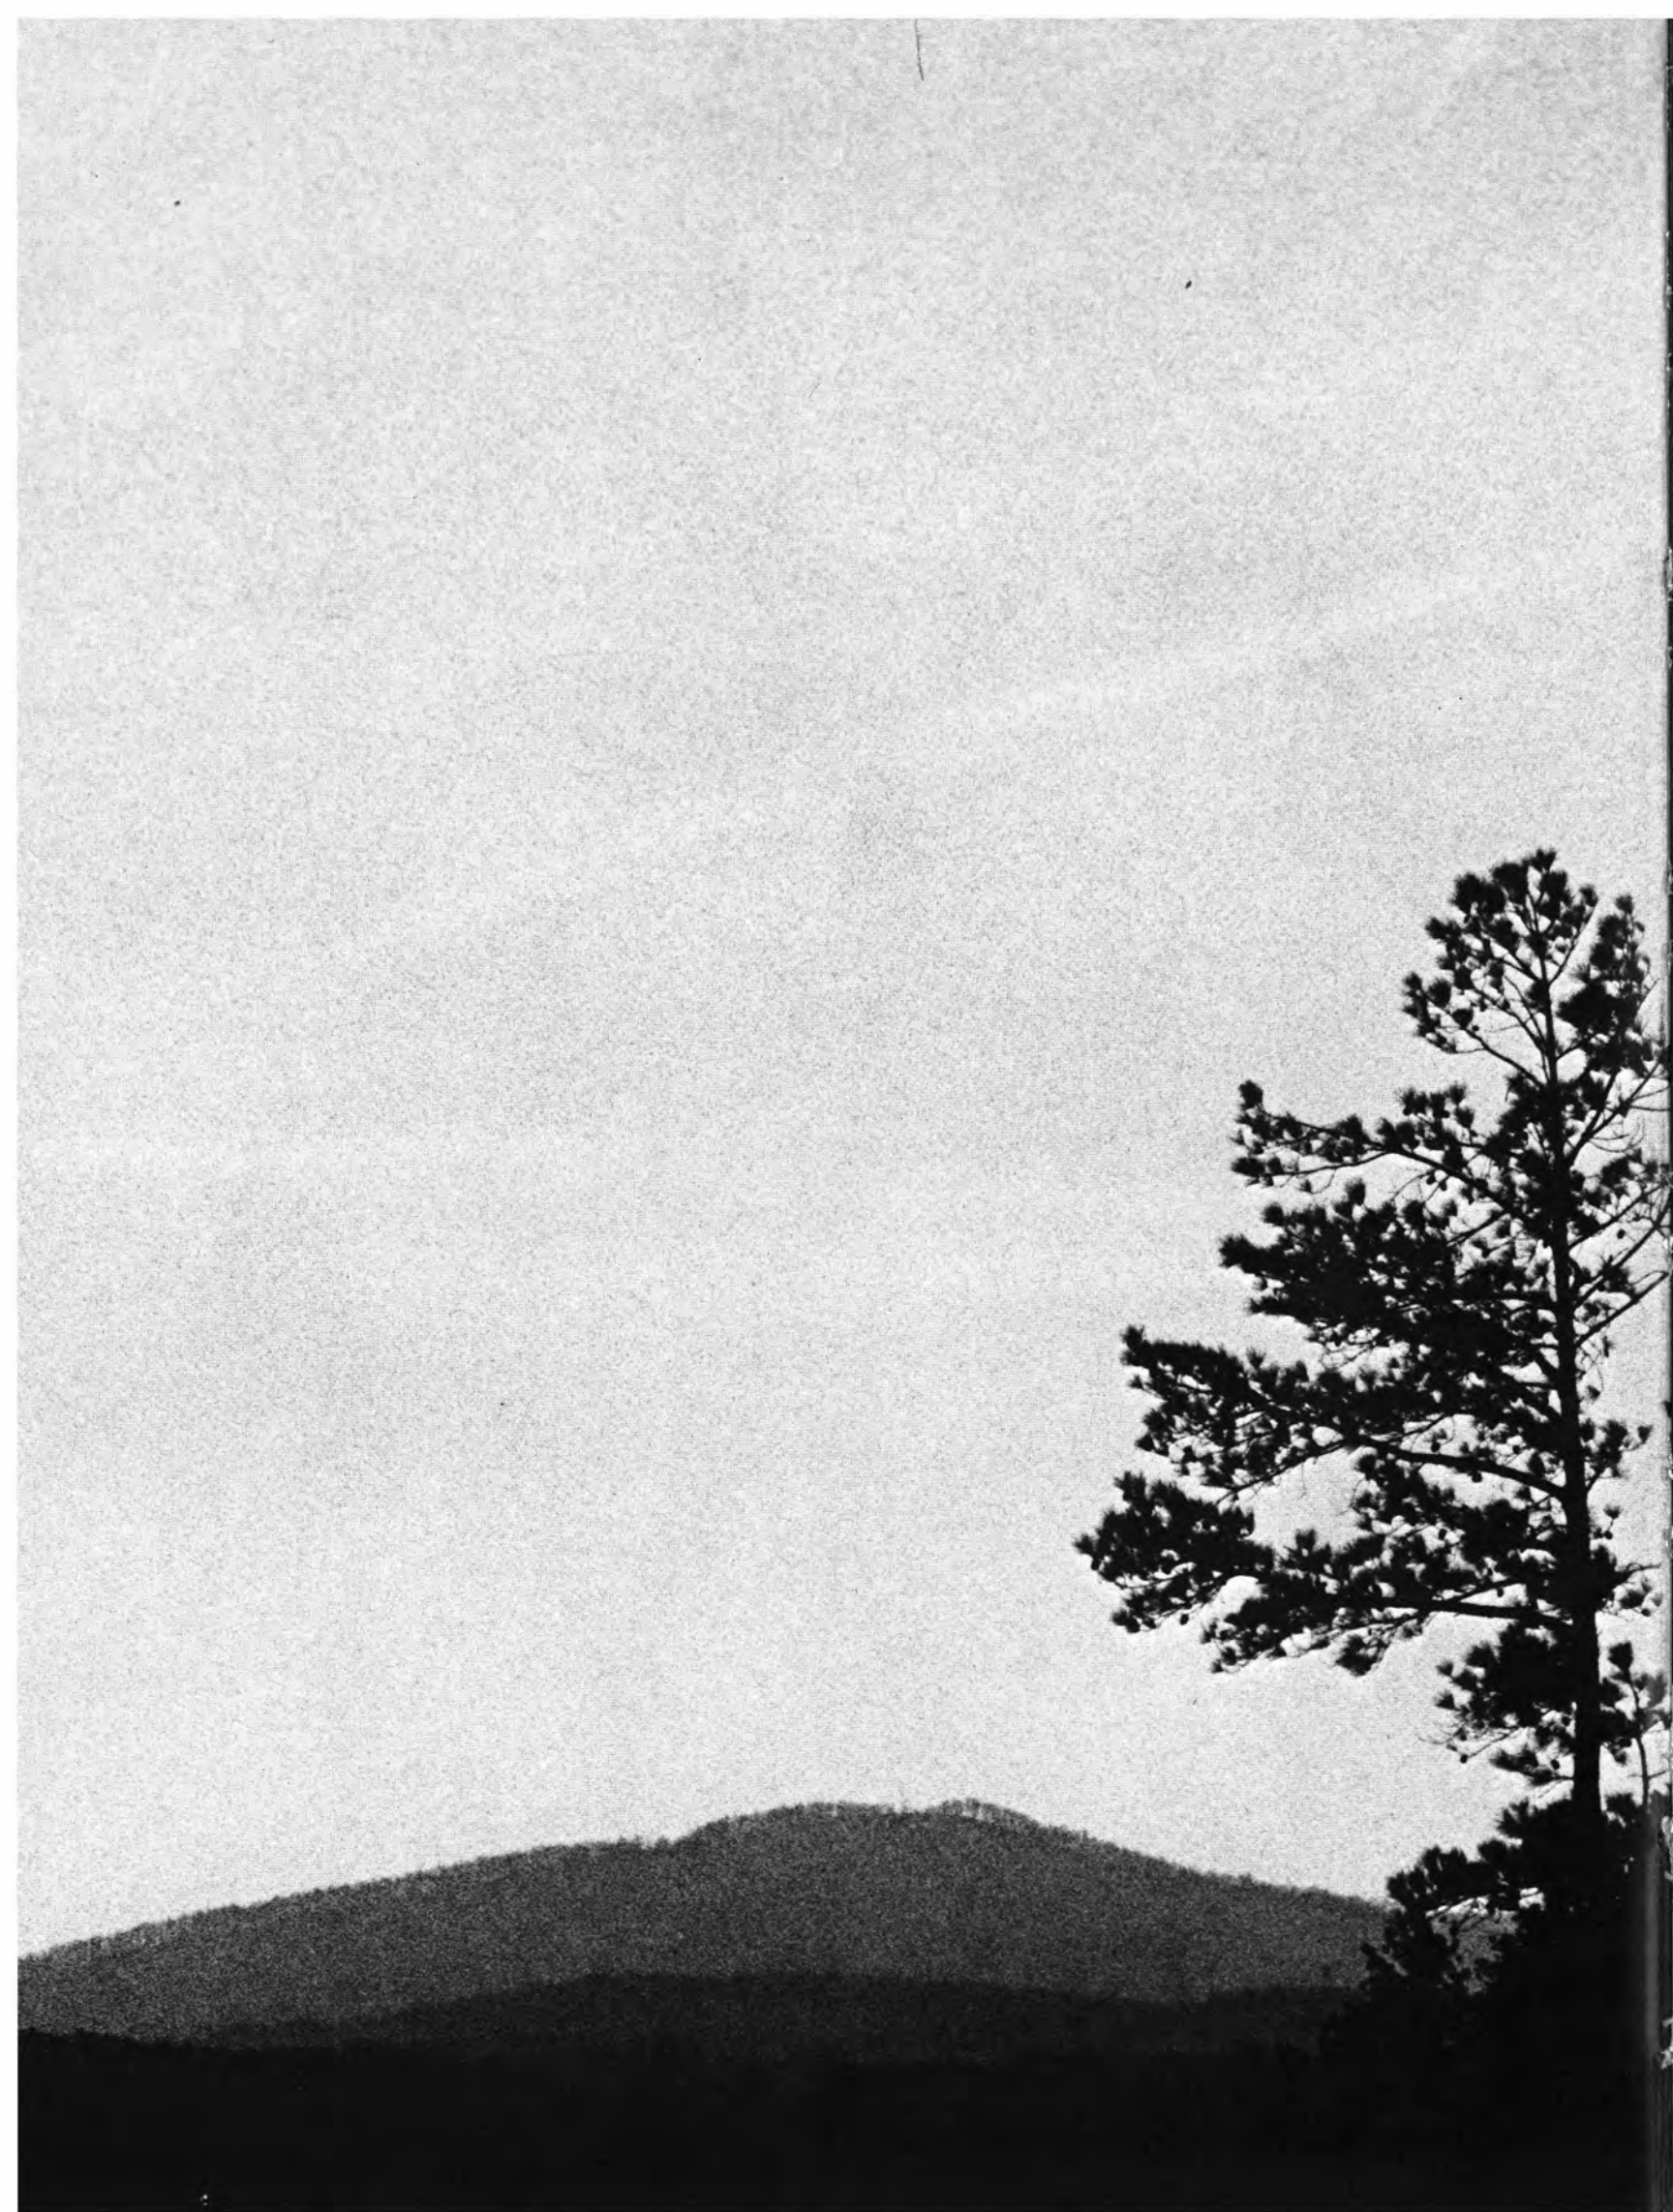

*We
draw
near
to
that
which
we
are
now
a
part
of—
that
in
which
we
are
now
moving.*

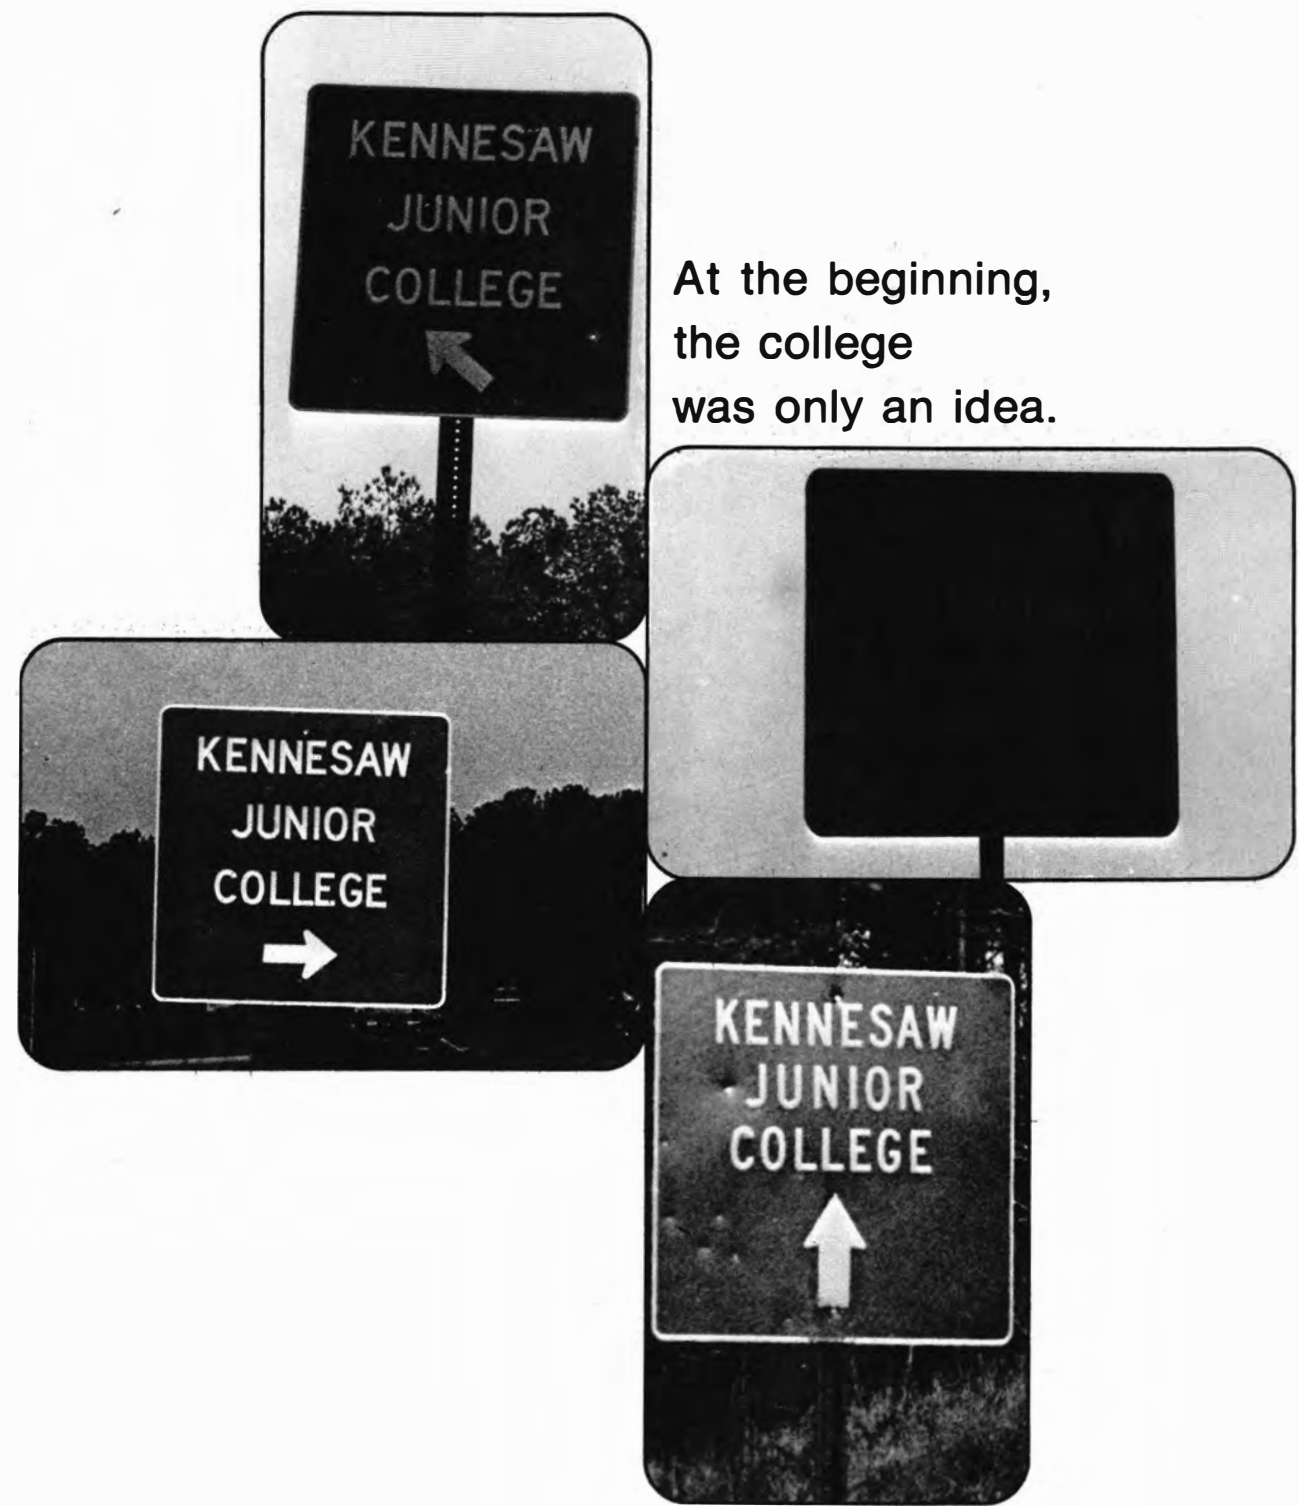

*The forecast of
the future lies mirrored in our faces, in the spaces between ourselves.*

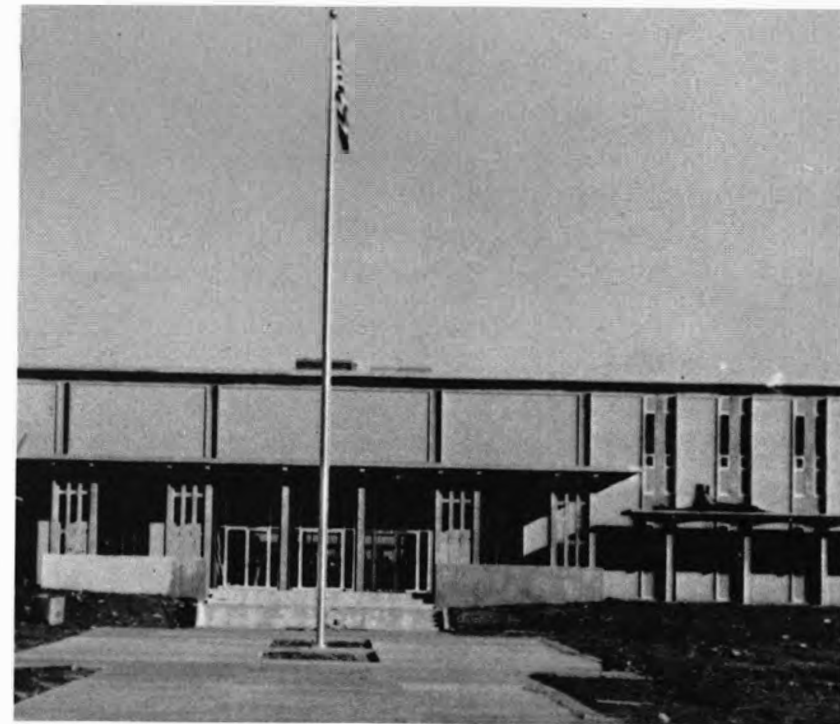

*When
we've
done
as
those
before—
we
will
close
the
door.
We
will
shine
the
light
on
those
to
come.*

In Retrospect ...

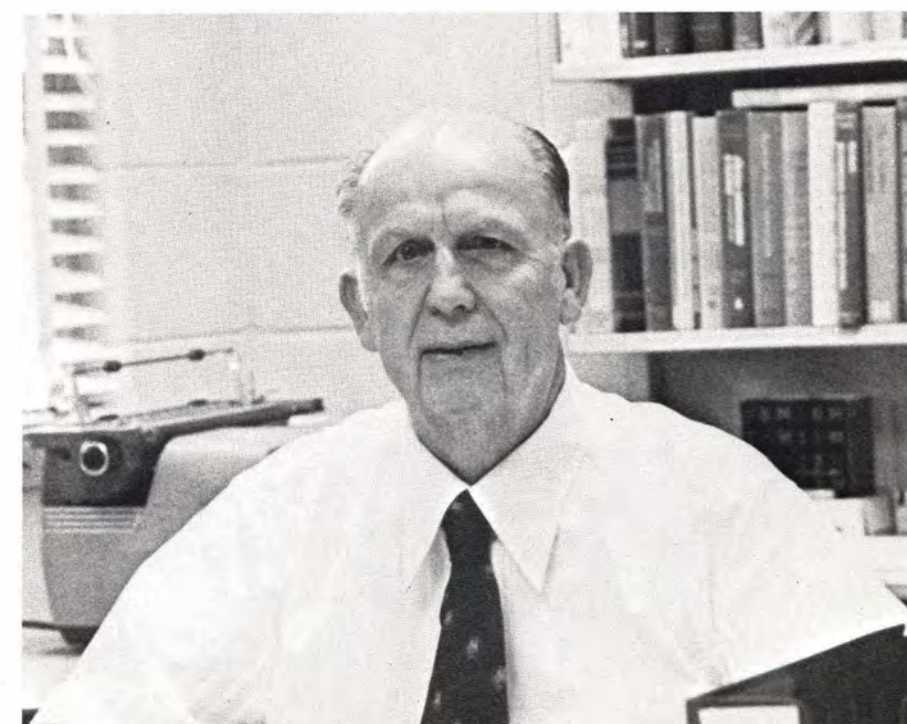

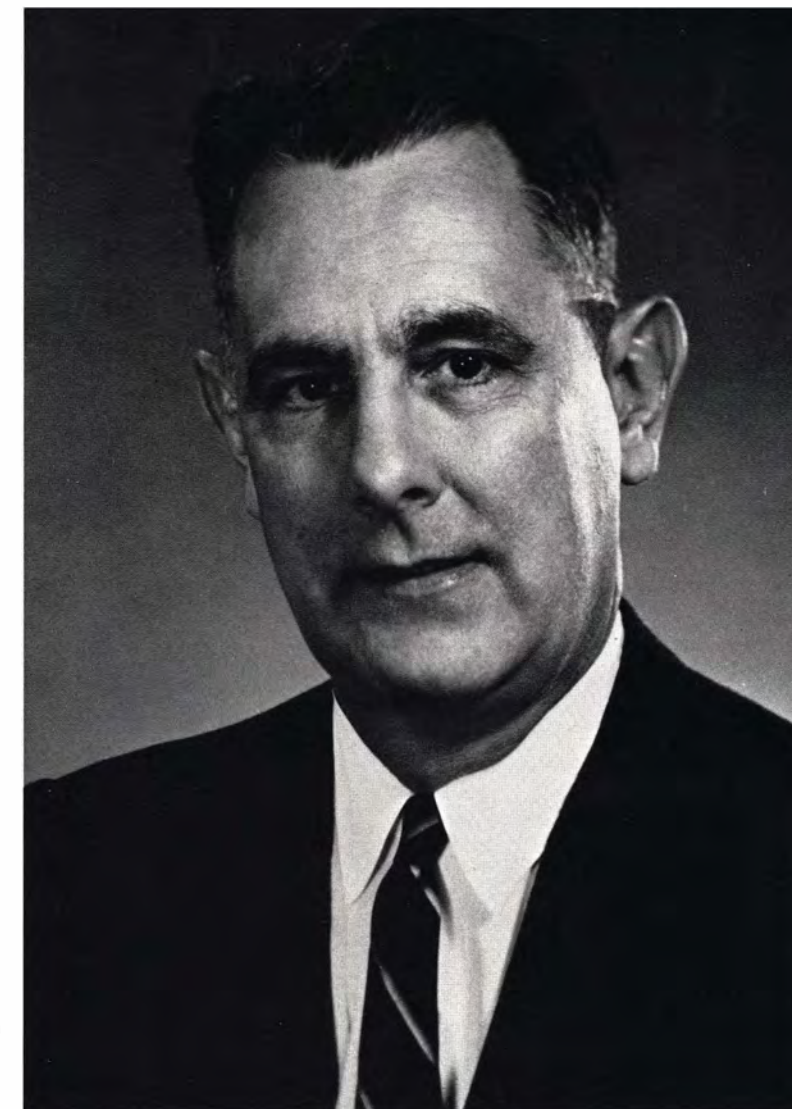

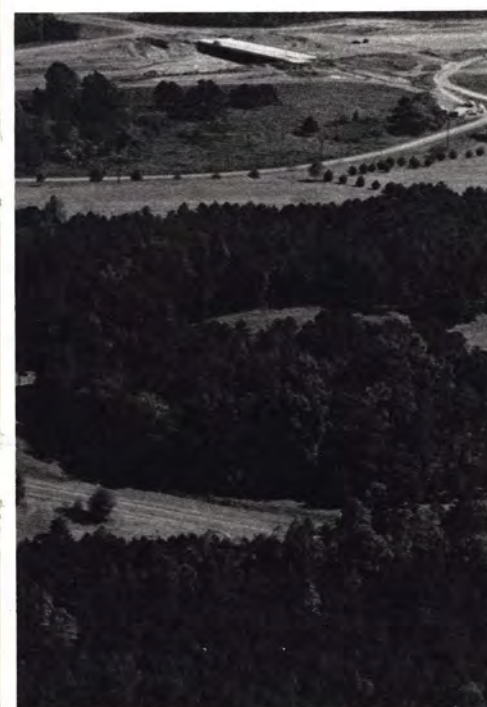

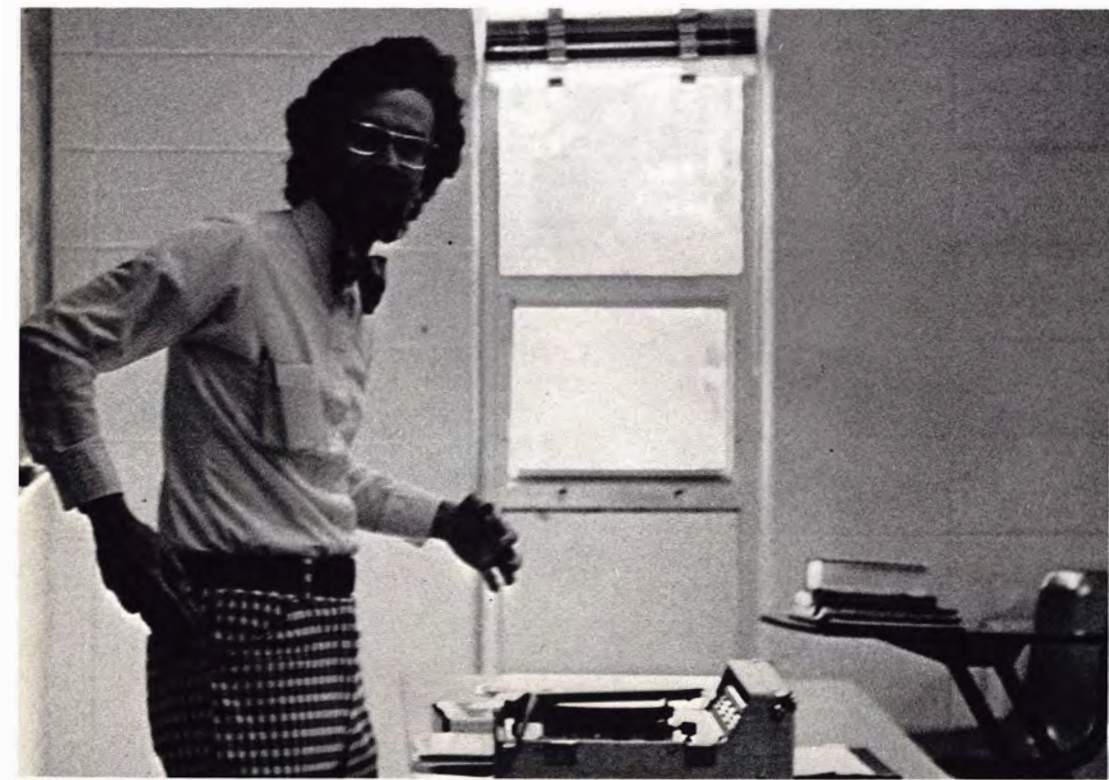

At the beginning,
the college
was only an idea.

Plans began; then building

The
president,
administrators,
heads
of
departments,
instructors:
all
were
chosen.

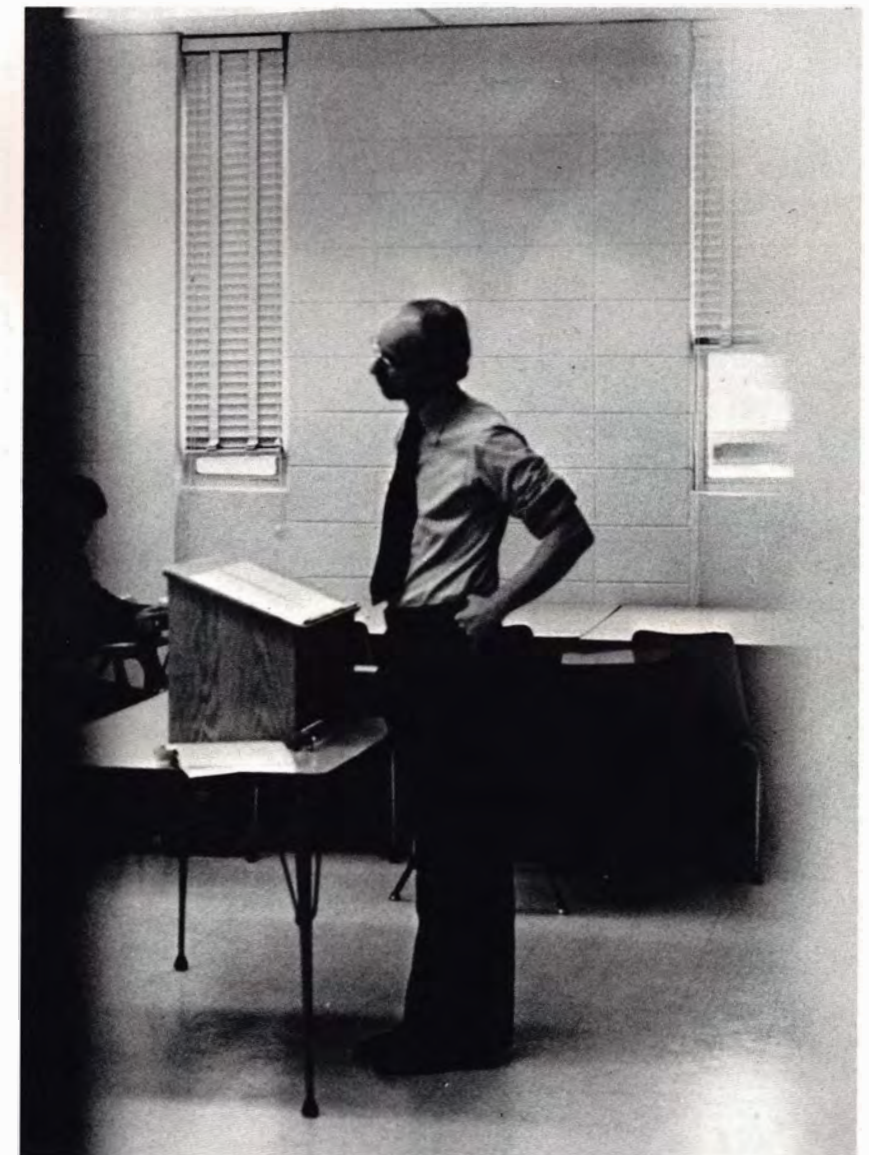

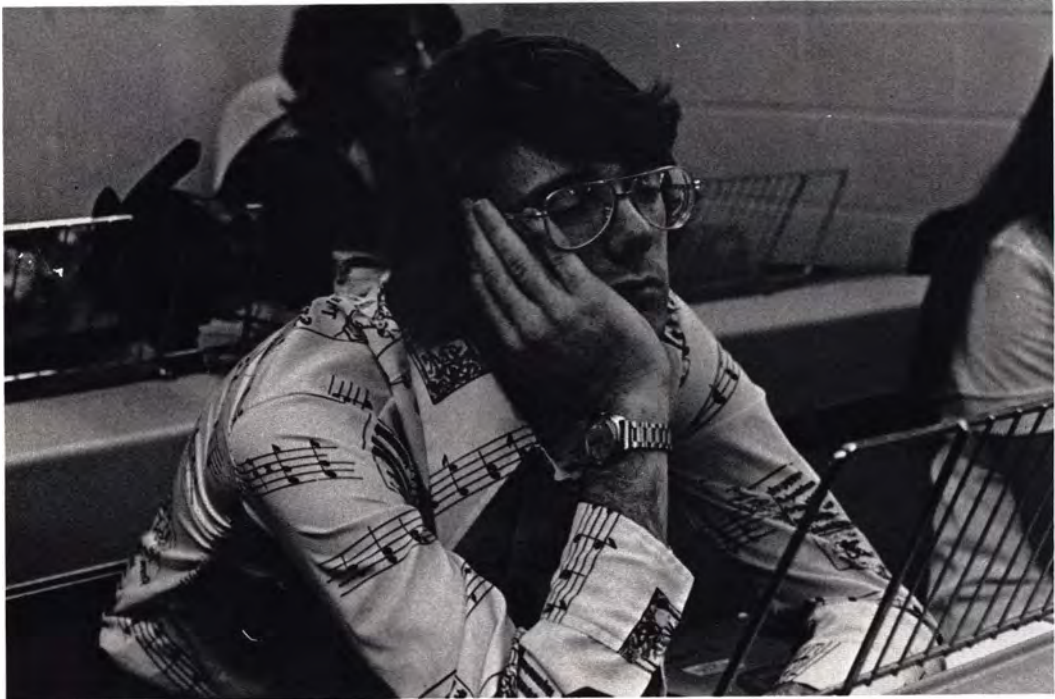

All those without whom we would not be here began to function—

each in his, or her, own place.

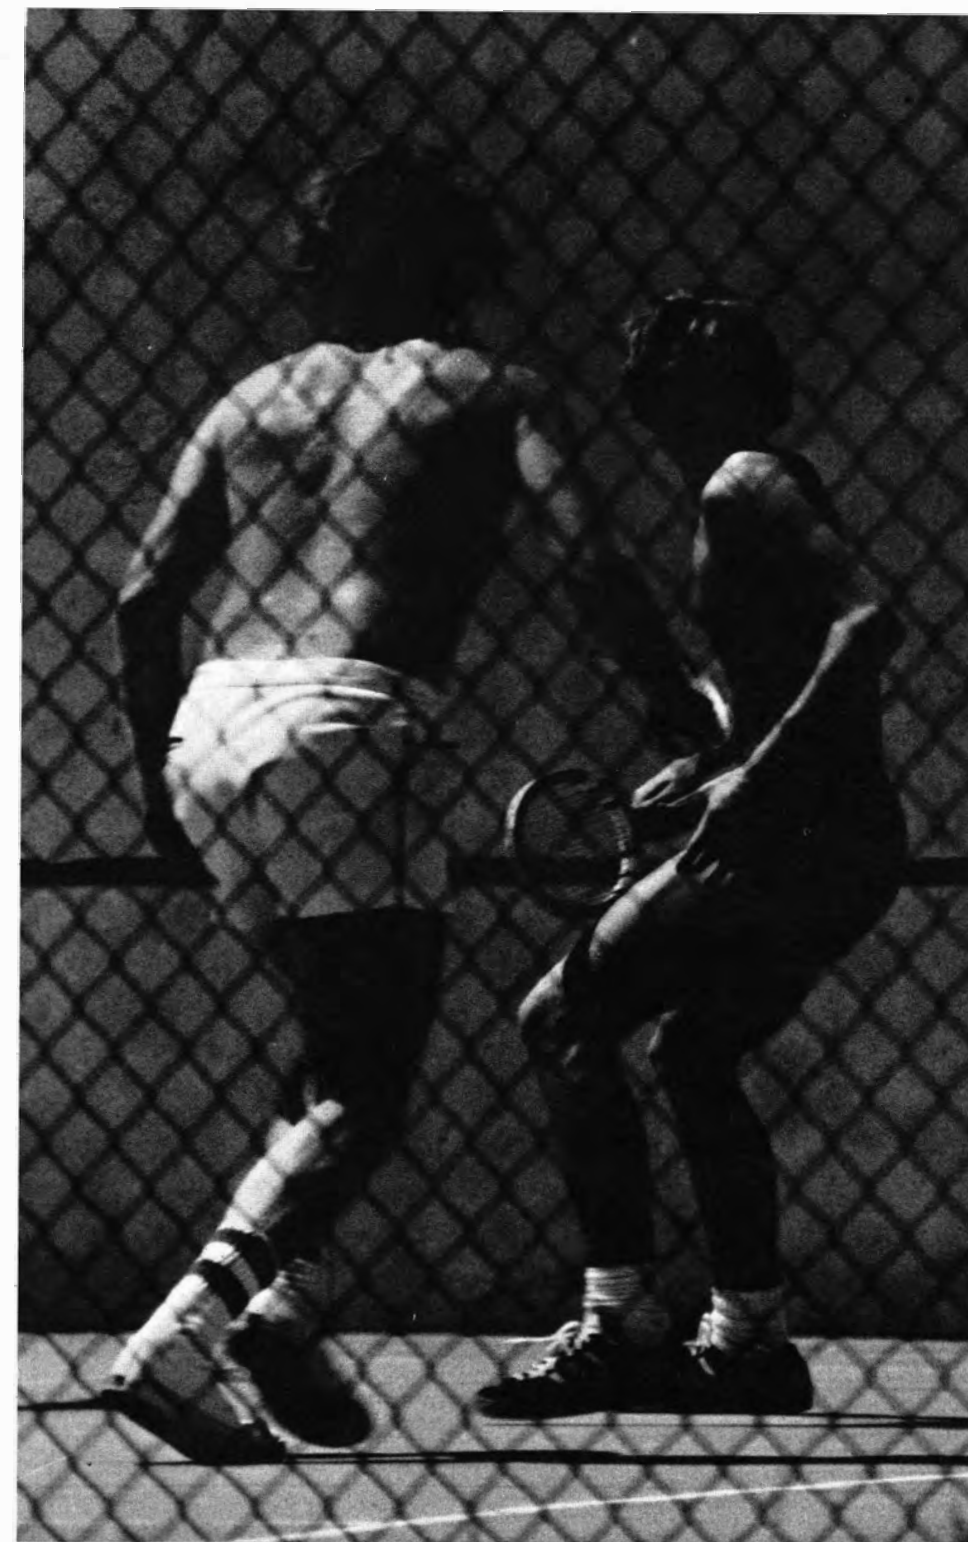

We came. And we did

all that students here do.

This year came. It started in the spring for the MONTAGE, when the air tingled with the vibrancy of new life. June Rowland, then SGA president, announced that KJC had achieved four-year status. (Our Junior College is growing.) KJC day came next, with Bluegrass music, free hotdogs, and an art show in the Old Student Center.

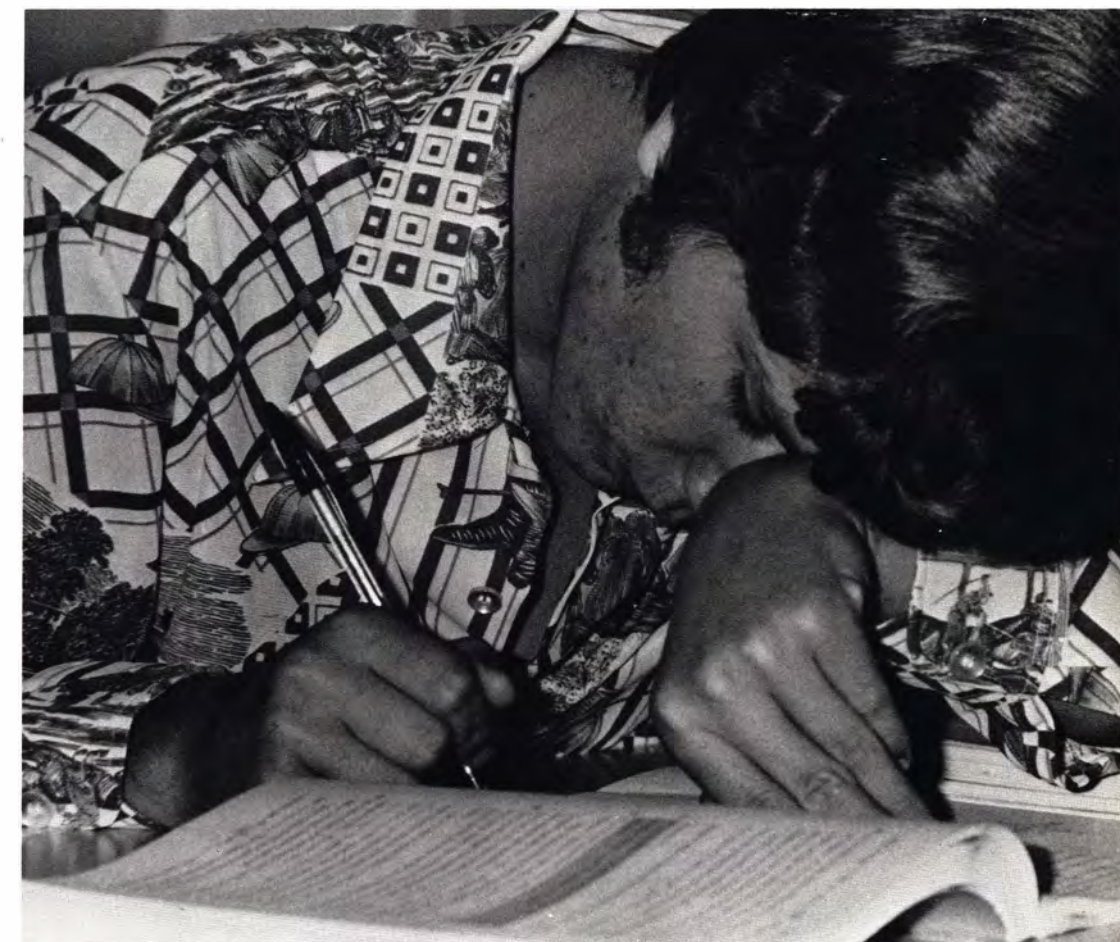

Pat Ashcraft was elected new SGA President. Finals came, then summer quarter, and things slowed down a bit. But this summer was special. We celebrated our bicentennial-and the guest of honor was a Redwood Tree, donated to us by the College of the Redwoods, a junior college in California.

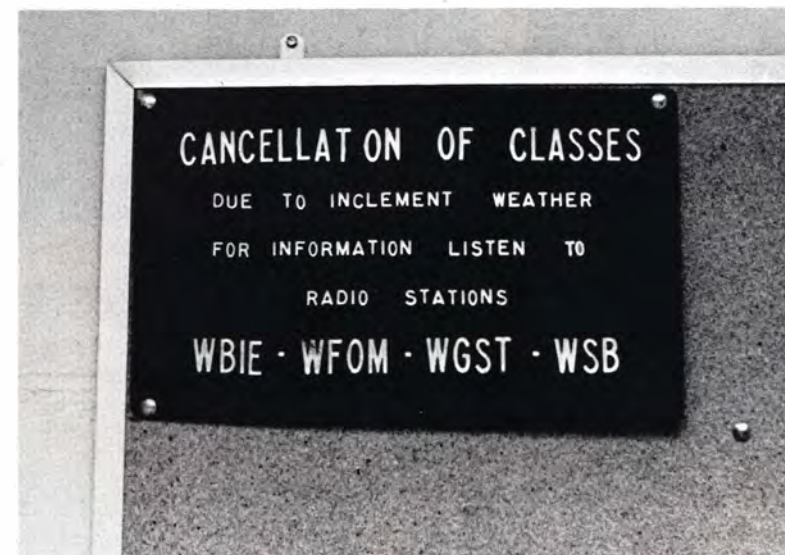

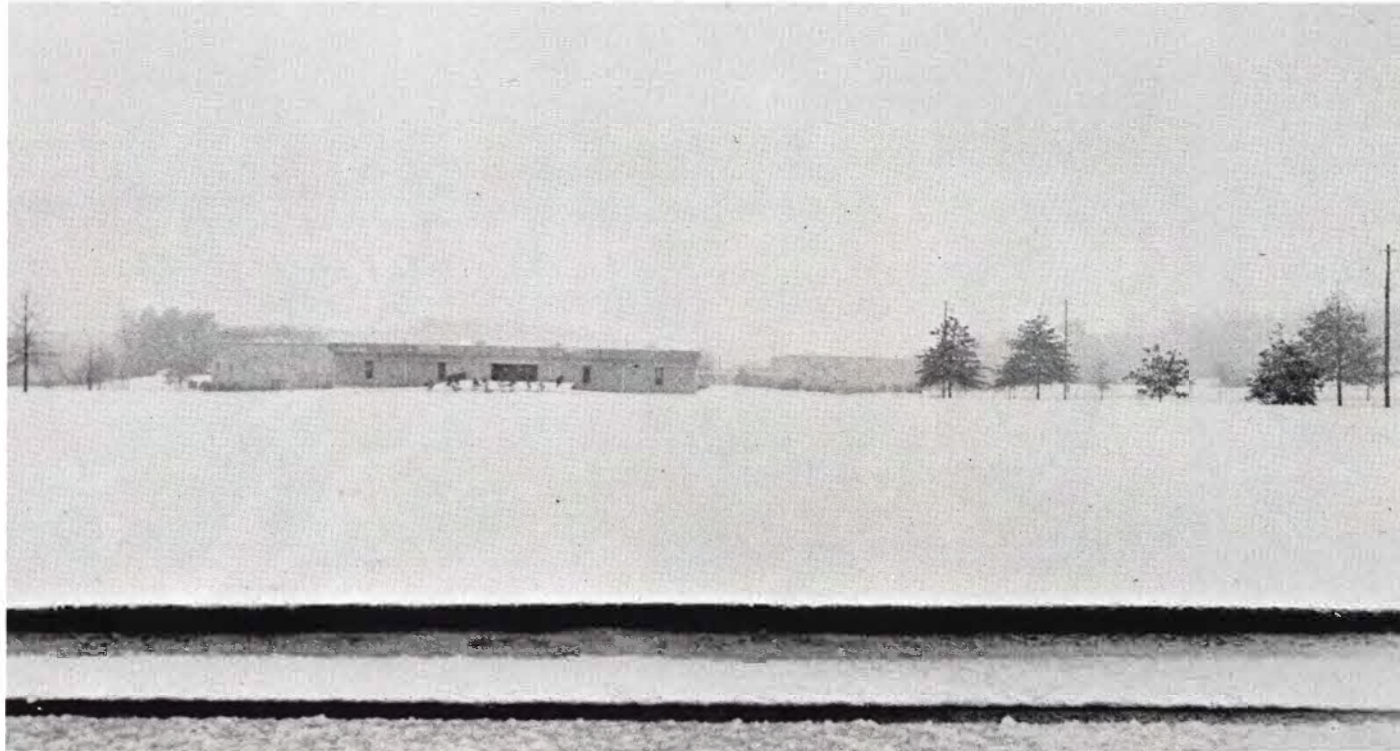

Then fall came with shorter days and brisker breezes. Those of us who are gluttons for education turned our thoughts to the coming fall quarter. It began, as others have and will. The annual Leadership Conference was held at Epworth-by-the-Sea; a Methodist resort on St. Simons Island. Then back home again, and Donkey Basketball, tournaments, and the hot debate between Quincy Collins and Larry McDonald. By the time of the Turkey Trot, and Thanksgiving, all traces of summer were gone.

Charles Kirbo quietly spoke to us about Jimmy Carter, and a Student Union was proposed and voted into existence, with Margie Fryman as the first Chairperson - and all of us as members.

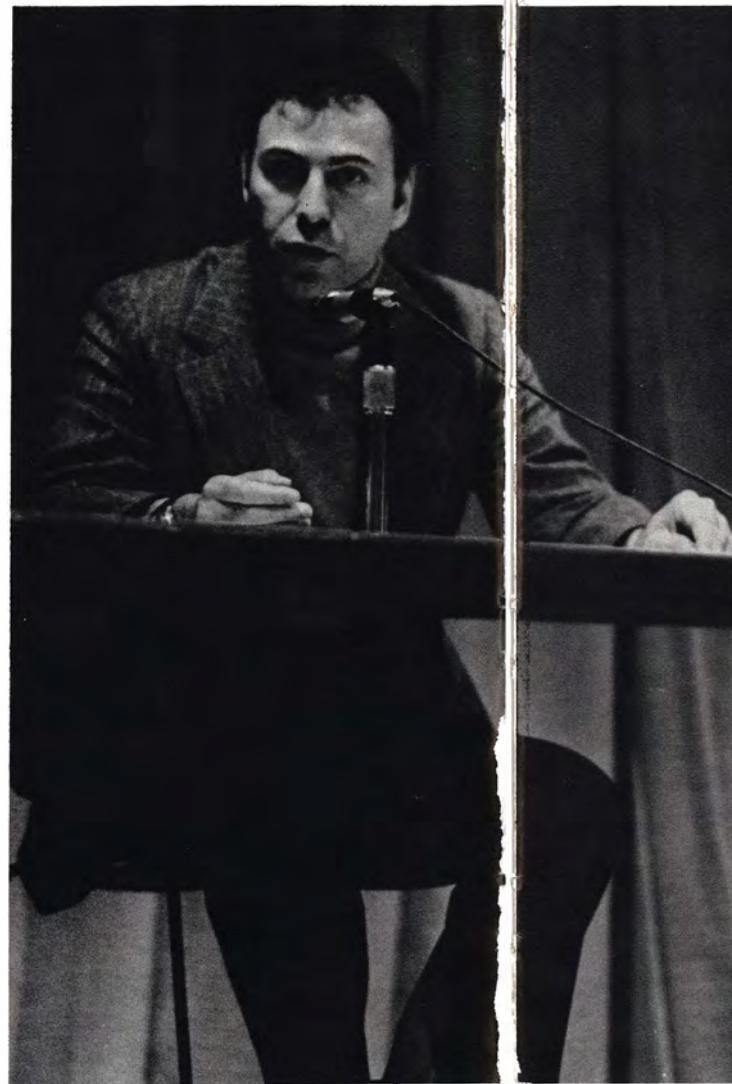

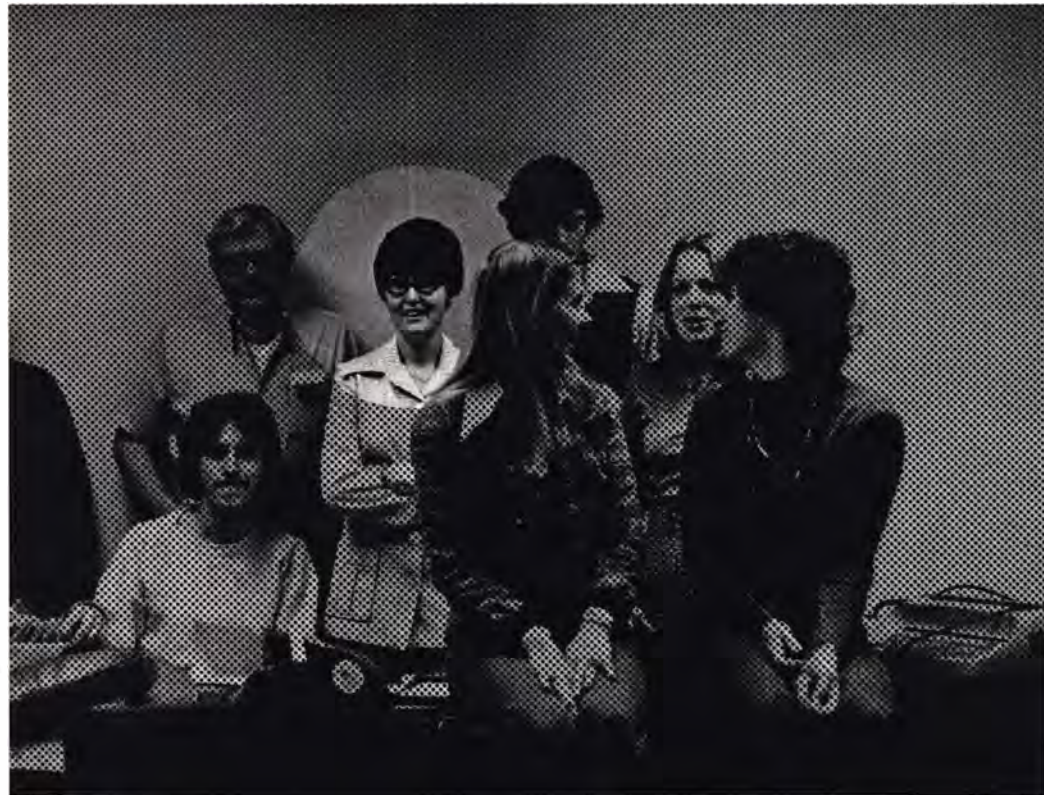

Christmas came, and for us it meant a reprieve. Then winter quarter - and spirits were low. Time, which could have been better spent sitting on the grass, had the weather allowed, was spent in the library.

School being cancelled improved our dispositions.

And much to the appreciation of us all, under the leadership of Pat Ashcraft, the SGA had the missed-class-day make-up policy suspended because of the hardship it would cause both students and faculty.

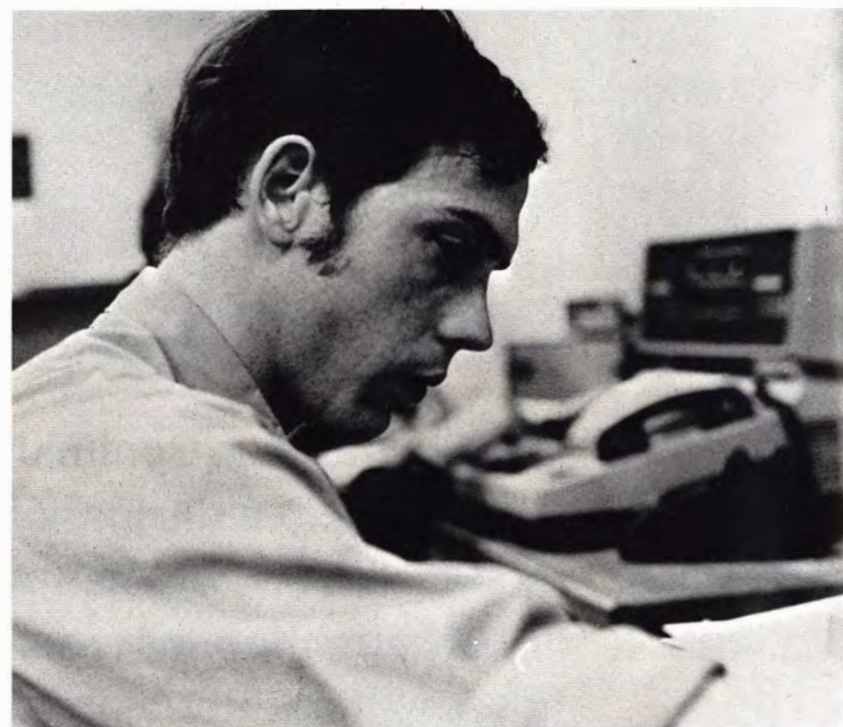

Connie Stewart was elected as the next SGA President.

The Chautauqua Committee presented a series of films leading up to a discussion on the topic, "Is the Media the Message?" by Alan Arkin and George Ellis. Then, in perhaps the most representative of all the Coffee-houses, the Entertainment Committee presented two of our peers to sing the songs of our era.

And that brings us back to now. We can see what ideas do ...

what potential they have.
But who can see the

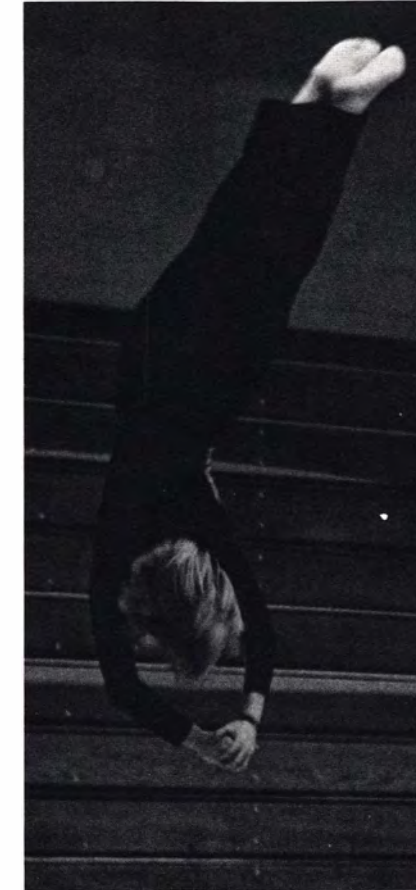

future? Who can know
but where we have been?

- Life Science Club
- Inter-Varsity Fellowship

Multiple interests and multiple goals lead to various clubs and organizations at KJC.

VOTE!

S.G.A.

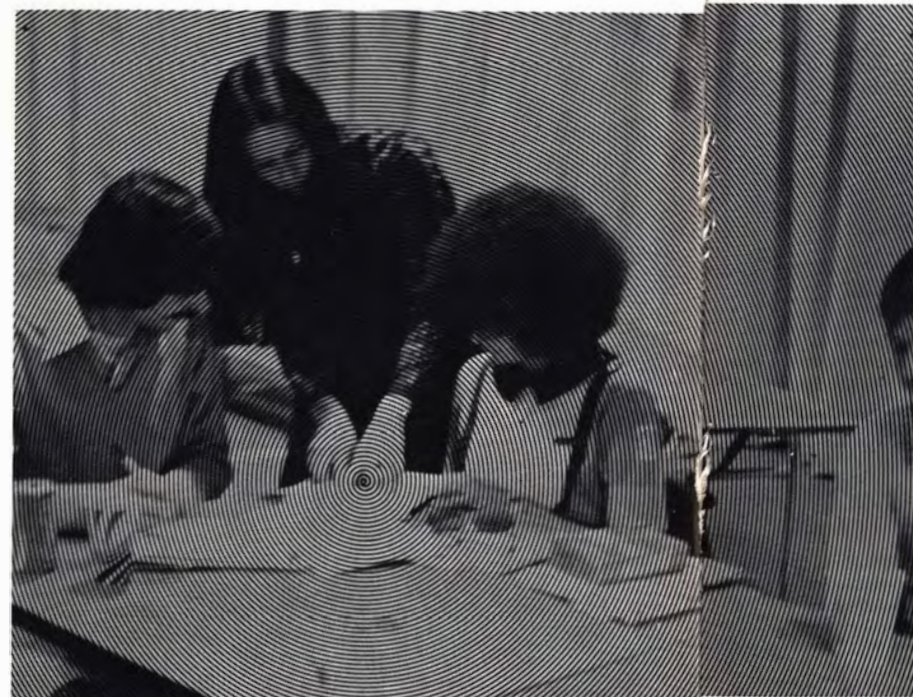

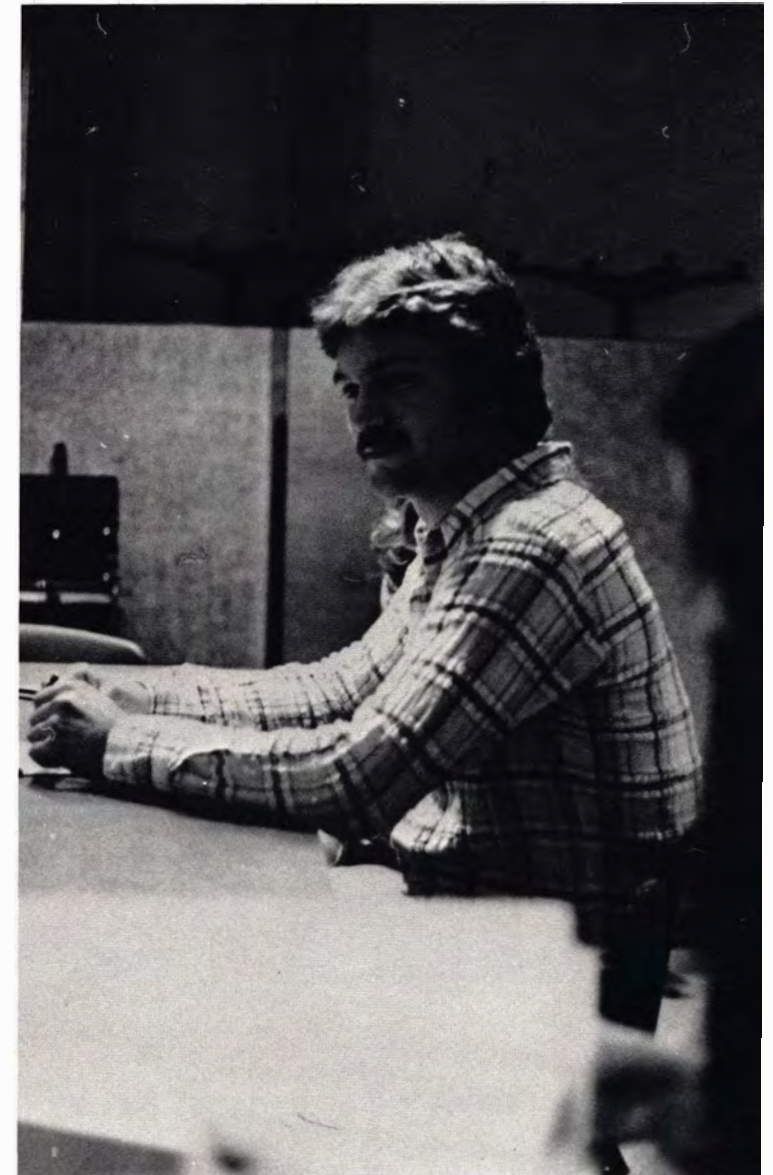

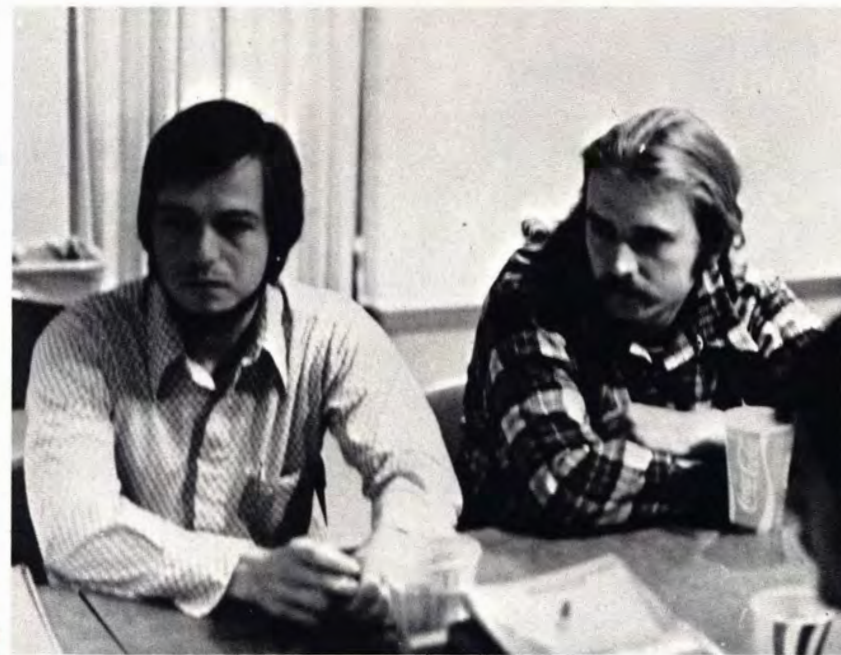

The purpose of the S.G.A., as stated in their Constitution, is to "promote understanding and involvement among all members of the college community, encourage meaningful participation in student affairs, represent and encourage student interest in community affairs, and represent and legislate the interest of the student body in accordance with the faculty statutes and the policies of the Board of Regents." In keeping with their stated purpose, this year's S.G.A. has organized a leadership conference, helped with the Blood Drives, and promoted the Chautauqua Lecture Series. They have acted as peace-keeper between the faculty and students, and have planted a Bicentennial Redwood tree. Officers and Senators this year are: President- Pat "Pinecone" Ashcraft, Vice-President- Howell Swain, Treasurer- Paul Parker, Secretary- Debra Carter, and Senators- Fred Derrick, Karen Dubuc, Lori Freeman, Jesse Johnson, Cheryl McKeon, John Pedicino, Norman O'Brien, Tracy Tucker, and Jerry White.

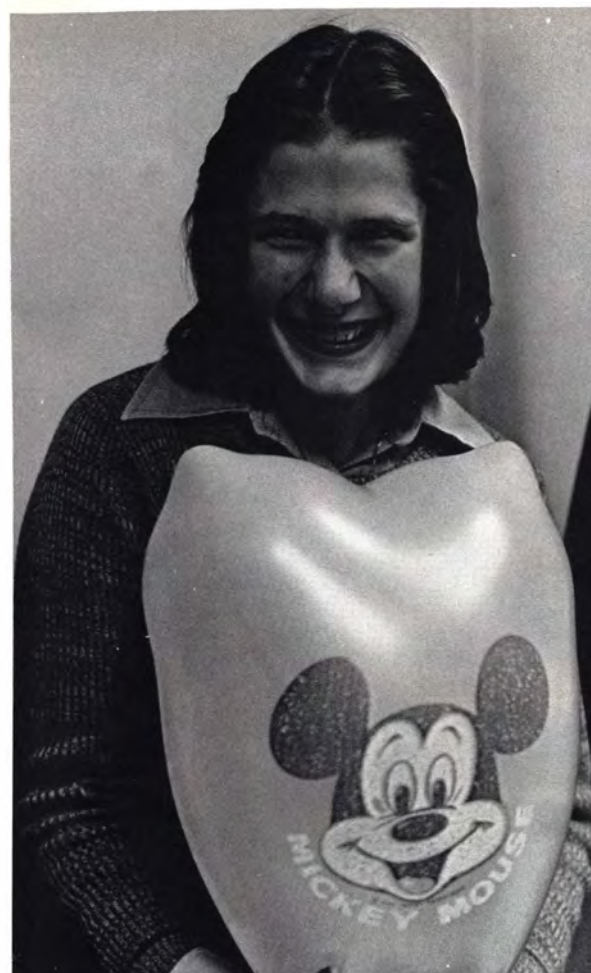

K.J.C. Union

The purpose of this organization is to contribute to the educational, cultural, social, and recreational development of the students, faculty, alumni and the service community through its programs and services. The Union, formed this fall, has been busy organizing themselves and setting up committees so that they may begin to do the work for which they exist. They are striving to become active within their parent organization, ACU-I, by participating in conventions, workshops, and recreational tournaments. They have created a music room in the student center and are responsible for all college programming, including movies, concerts, dances, and coffee houses. Members of the Board include: Margie Fryman- Chairperson, Robert Dudley- Vice-Chairperson, Vicki Rusk- Secretary/Treasurer, Steve Sosebee and Tim Thomas- Students-at-Large, Gary Dickerson- Chairperson of Publicity and Public Relations, Chip Russell- Chairperson of Recreation Committee, Mike Quarles- Chairperson of Social Activities Committee, Jean Hollingsworth- Chairperson of Cinematic Arts, and Bob Eisenhardt and Frank Wilson- Faculty board members.

A hard task . . . a monstrous task . . . an impossible feat . . . The gathering of an entire year's worth of people and events into one summary—The MONTAGE. Like KJC this book has grown into something we can be proud of, an idea becoming clearer, sharper, into focus. Staff members are: Susan Todd—Editor, Mary Walsh—Assistant Editor, Bill Clay—Photography Editor, Chris Brothers—Student Editor, Kathleen Moak—Faculty Editor, Sherry Scyphers—Clubs Editor, Mary Alice Baron and Debbie Bond—Editorial Assistants, C. W. Kettering and Buddy Newton—Staff Photographers, and Morgan Stapleton—Faculty Advisor.

Montage

Share

The SHARE Magazine is the end result of the creative talents existing at Kennesaw. Anything anyone expresses on paper, in paint, or in pictures is considered and appreciated. The student's works are a part of the whole; their works are together in SHARE.

The SHARE staff this year consists of: Editor-Beryl "Pippin" Ledford, Assistant Editor- Fred Derrick, and Advisor- Rich Rodman.

International Club

The purpose of the International Club is to welcome foreign students to this area and to promote interest of travel in foreign countries. Their biggest project is International Week which occurs during spring quarter. It includes a foreign film festival and food from many countries. Officers are: Co-Presidents- Joyce Hildebrant, and Reene Klincko; Secretary/Treasurer- Kim Hood; Activities Committee Chairman- Tracy Tucker.

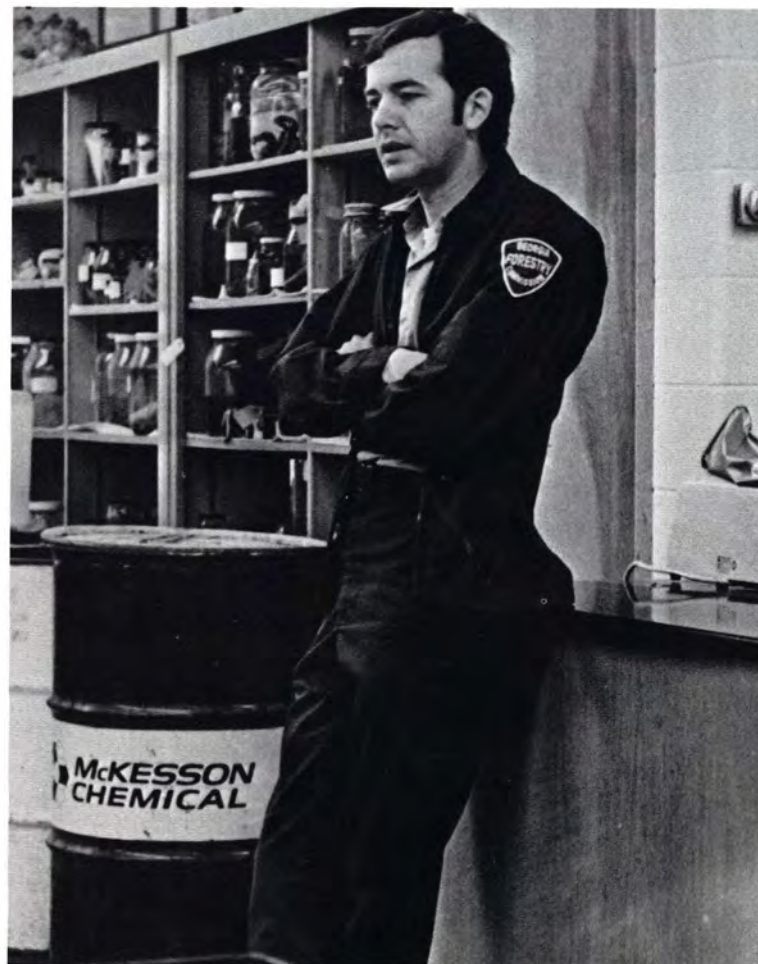

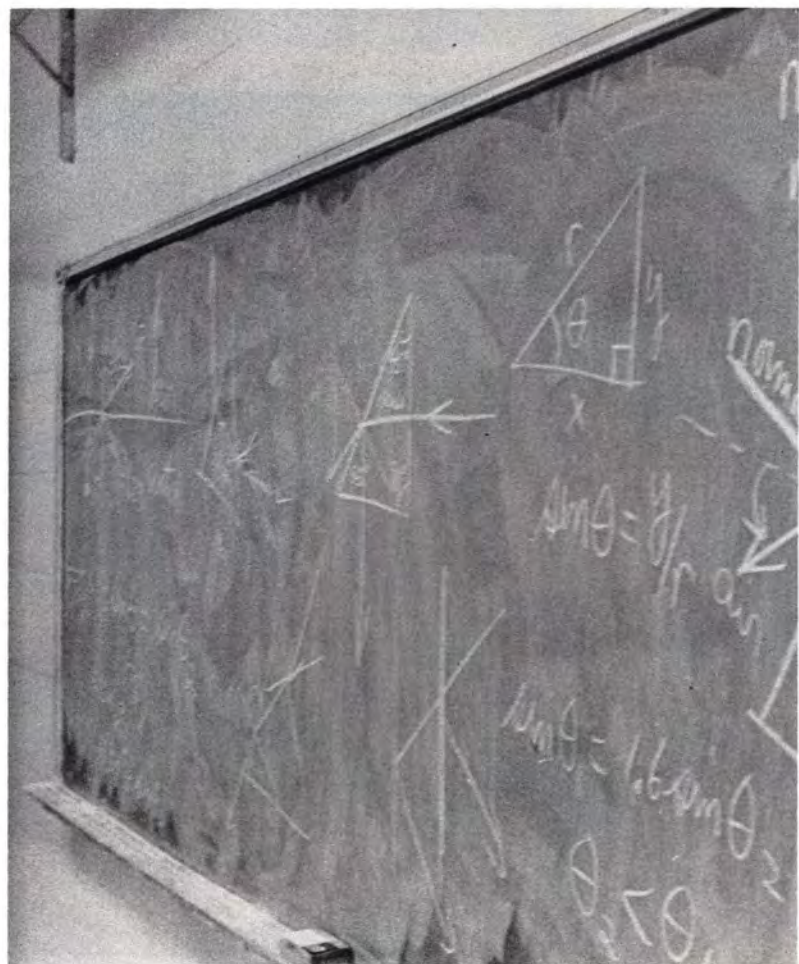

Life Science Club

Mu Alpha Theta

The established purpose of Mu Alpha Theta is promoting enjoyment and understanding of mathematics among Kennesaw students: The officers this year are: President- Richard Scott, Vice-Presidents- Robert Millsaps and Al Hutchinson, Secretary- Ricky Walls, Treasurer- Terri Huff, and Advisor- Tom Gooch.

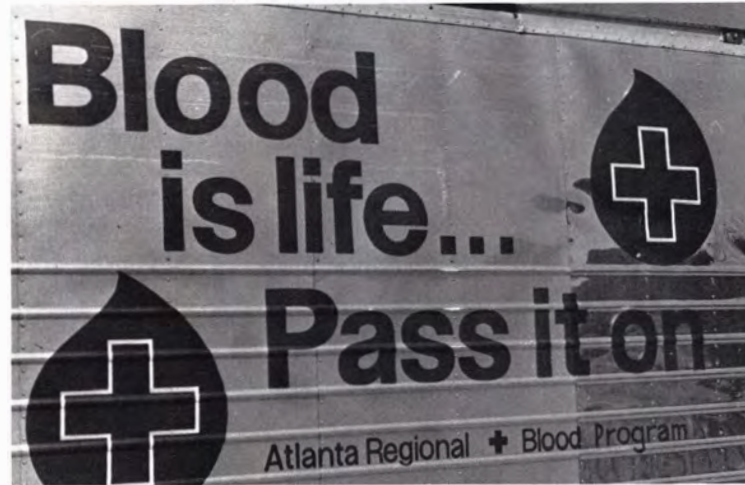

This club helps extend the experience of Biology students beyond the classroom by organizing activities and field trips. This year almost 30 people went on the annual trip to the Okefenokee. The officers are: President- Harry Sargent, Vice-President- Mark Hopkins, Secretary-Treasurer- Tony Hosford and Advisor- Ed Bostick.

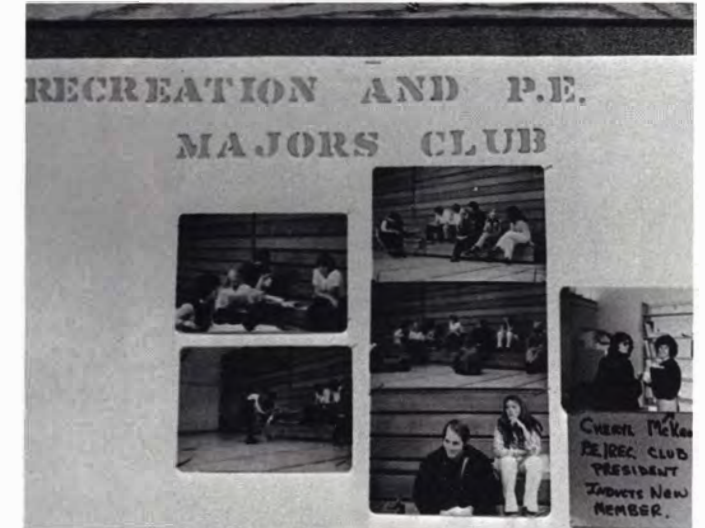

Student Nurses

S.N.A.K. has the responsibility for coordinating and publicizing the Quarterly Blood Drives for the Red Cross. They are active in the community through blood pressure screening programs. Most of their meetings are characterized by movies, lectures, or demonstrations concerning things of interest to future nurses. Their primary responsibility is coordinating the pinning ceremony for the graduating nursing students. Officers this year are; Jan Douglas- President, Cecelia Scott- Vice-President, Sabina Noble- Correspondence Secretary, Myra Bedenfield- Treasurer, and Julia Perkins- Advisor.

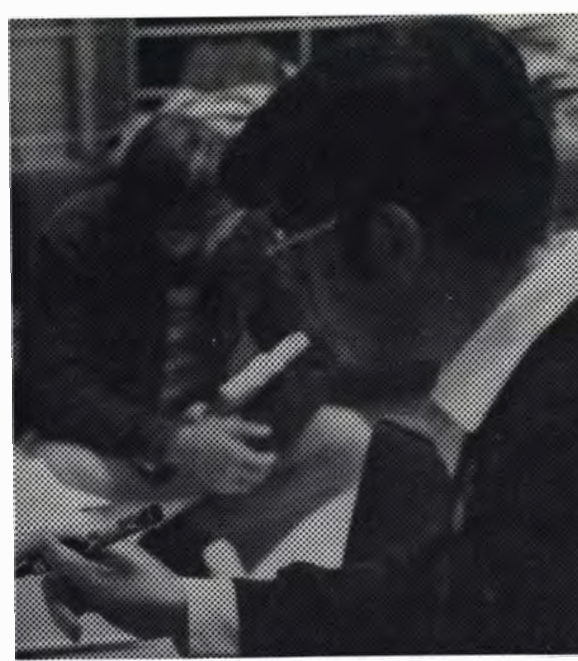

P.E. And Rec. Majors Club

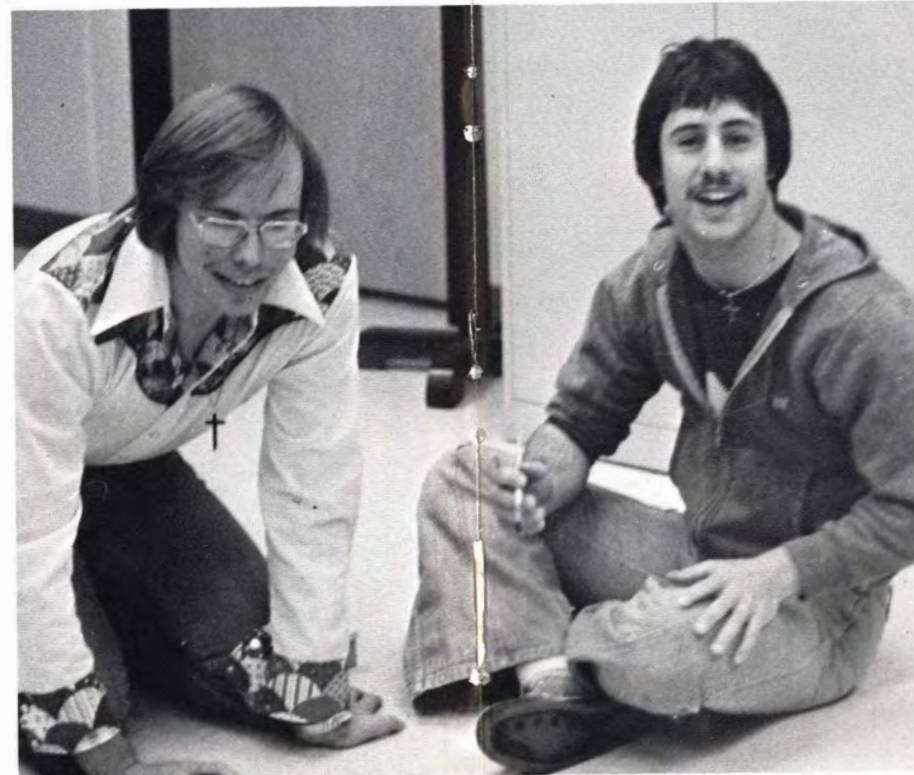

The primary purpose of this club is to work with the community in doing recreation services. They have done volunteer work with the Special Olympics, the Boys' Club, and the Toys for Tots. They have been active in lobbying in the Georgia Legislature for funding of the A.P.E.G. Bill (a bill providing for P.E. teachers in elementary grades.) Conventions and Socials find their way into their busy schedules, also. This year officers are: President- Cheryl McKeon, Vice-President- Rhonda Hudson, Secretary- Linda Garner, and Advisor- Ann Morgan and Barbara Schwartz.

Pinning The Nurses

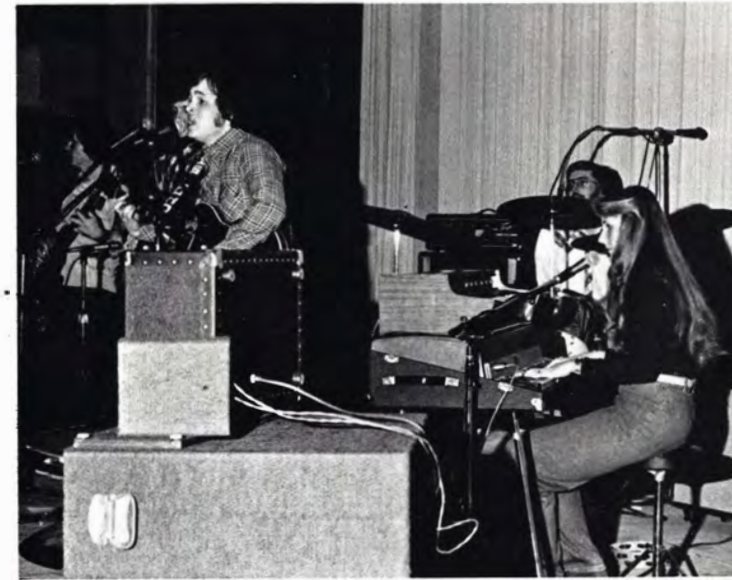

Vampires Delight

KJC, in cooperation with the Red Cross, sponsored a very successful blood drive this year. One-hundred forty-one units of blood were graciously donated by KJC students and faculty and were graciously received into the Red Cross blood bank.

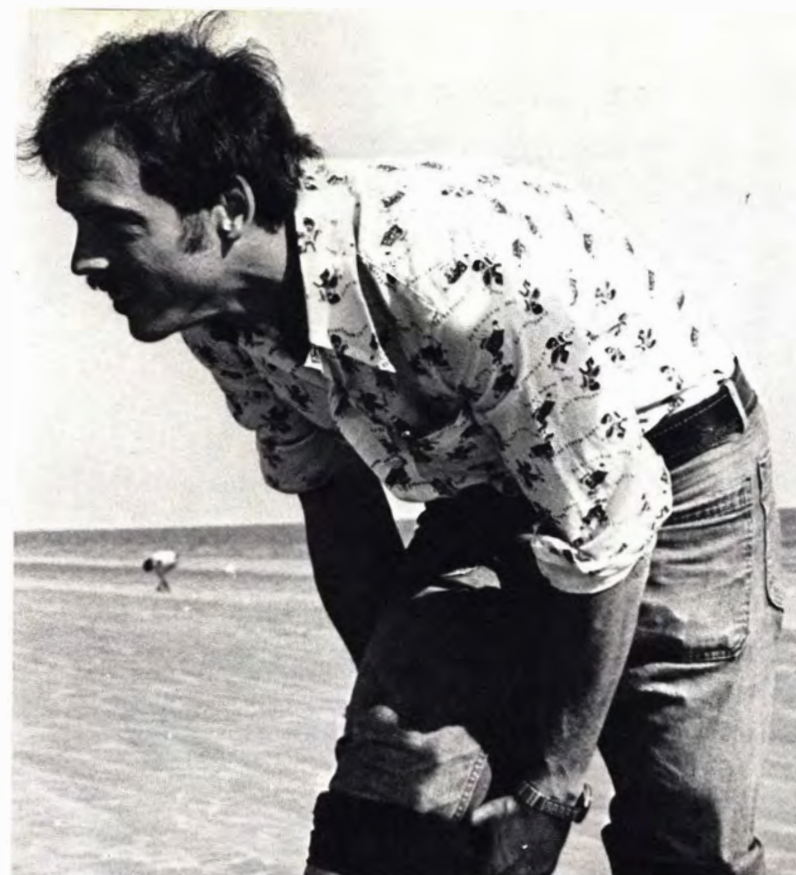

K.J.C. Chorale

Jesus Music Concert

Leaders Learn

The KJC Leadership Conference was held in St. Simon's Island at Epworth by the Sea this year, with 58 KJC students in attendance. The conference, conducted by personnel from the University of Georgia, concentrated on the development of our leadership abilities. Much work, much play, and much personal growth made it a worthwhile experience.

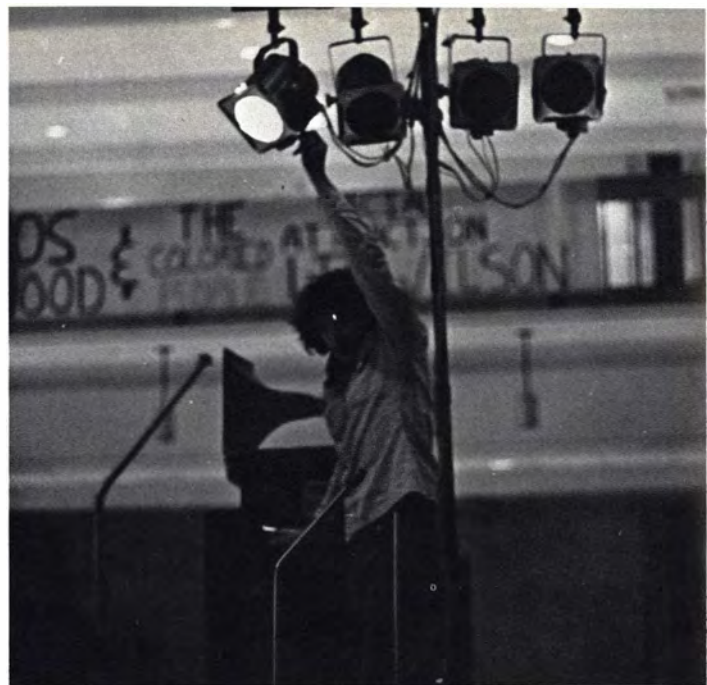

Donkey Basketball

November 4 was a big day at KJC as students and faculty pitted their strength against each other, and the donkeys they were riding. We were kicked, bucked, and bruised but we played on until the students were victorious over the faculty. The students won the game, but the donkeys won out. The donkeys made it exciting and basketball on donkeys? Well, that's interesting

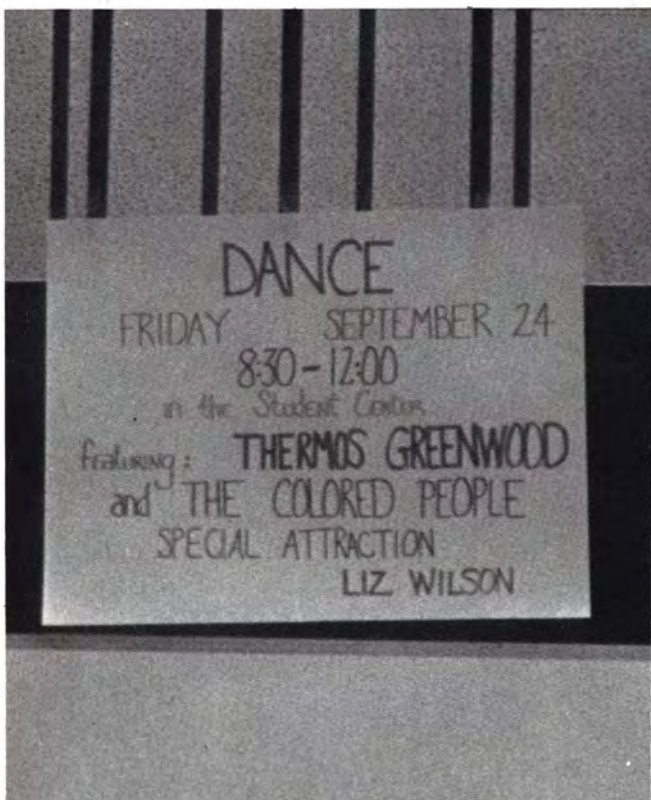

Turkey Trot

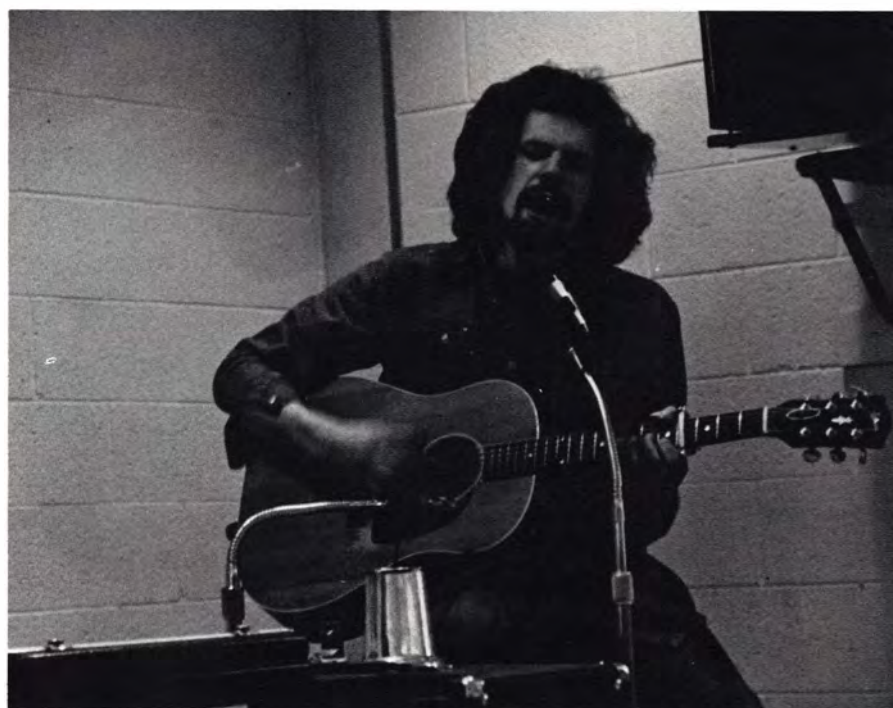

Dance

Coffee House

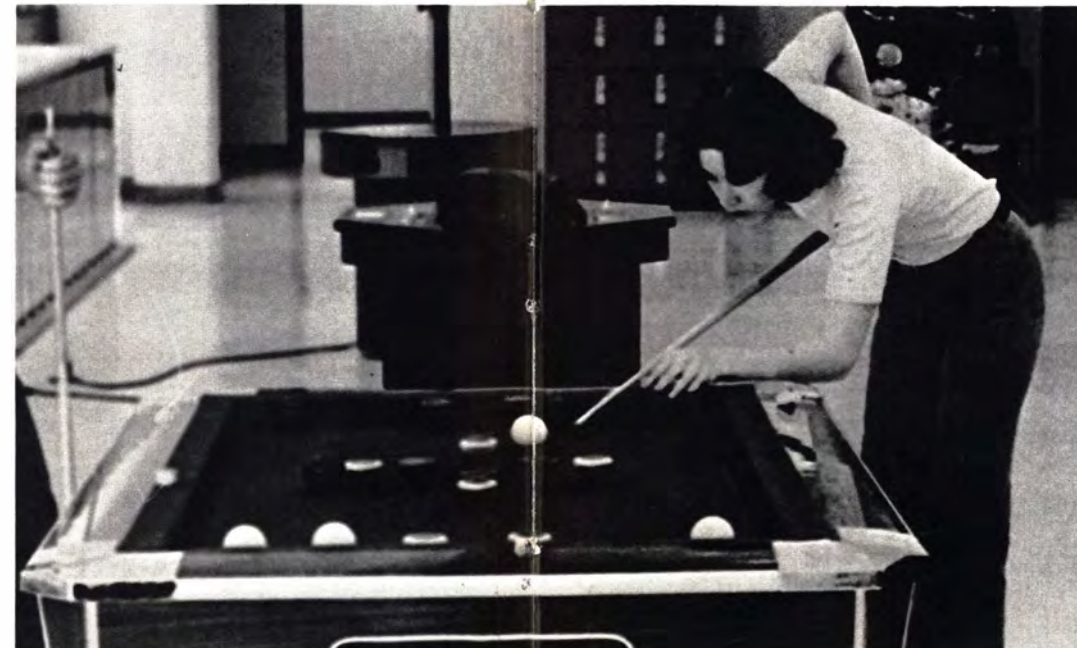

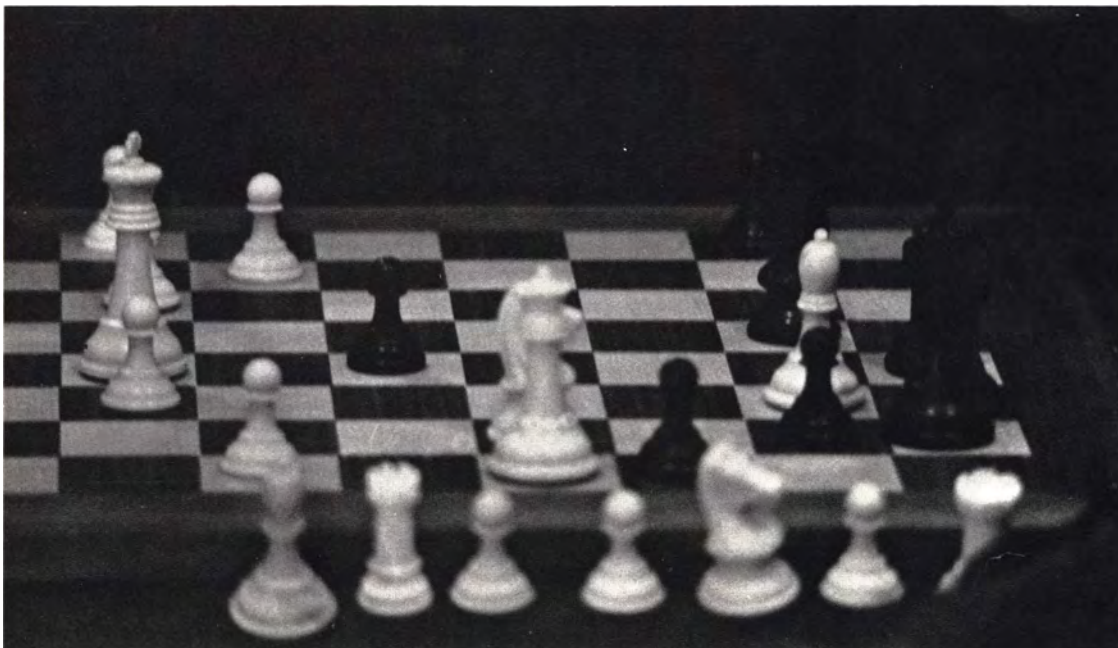

Tournaments

Tournaments are held on a quarterly basis at KJC, and include chess, pool, backgammon, frisbee, and table tennis. The tournaments are run by the Recreation Committee, which is a branch of the Student Union.

First quarter tournament winners are: Chess- Greg Ruddell; Pool- Chip Russell; Backgammon- Earl Capes; Billiards- John Pedicino and Table Tennis- Steve Johnson.

Second quarter winners are: Pool- Victor Gary; Table Tennis- Steve Johnson; and Frisbee- Hank Mathis.

Intramurals

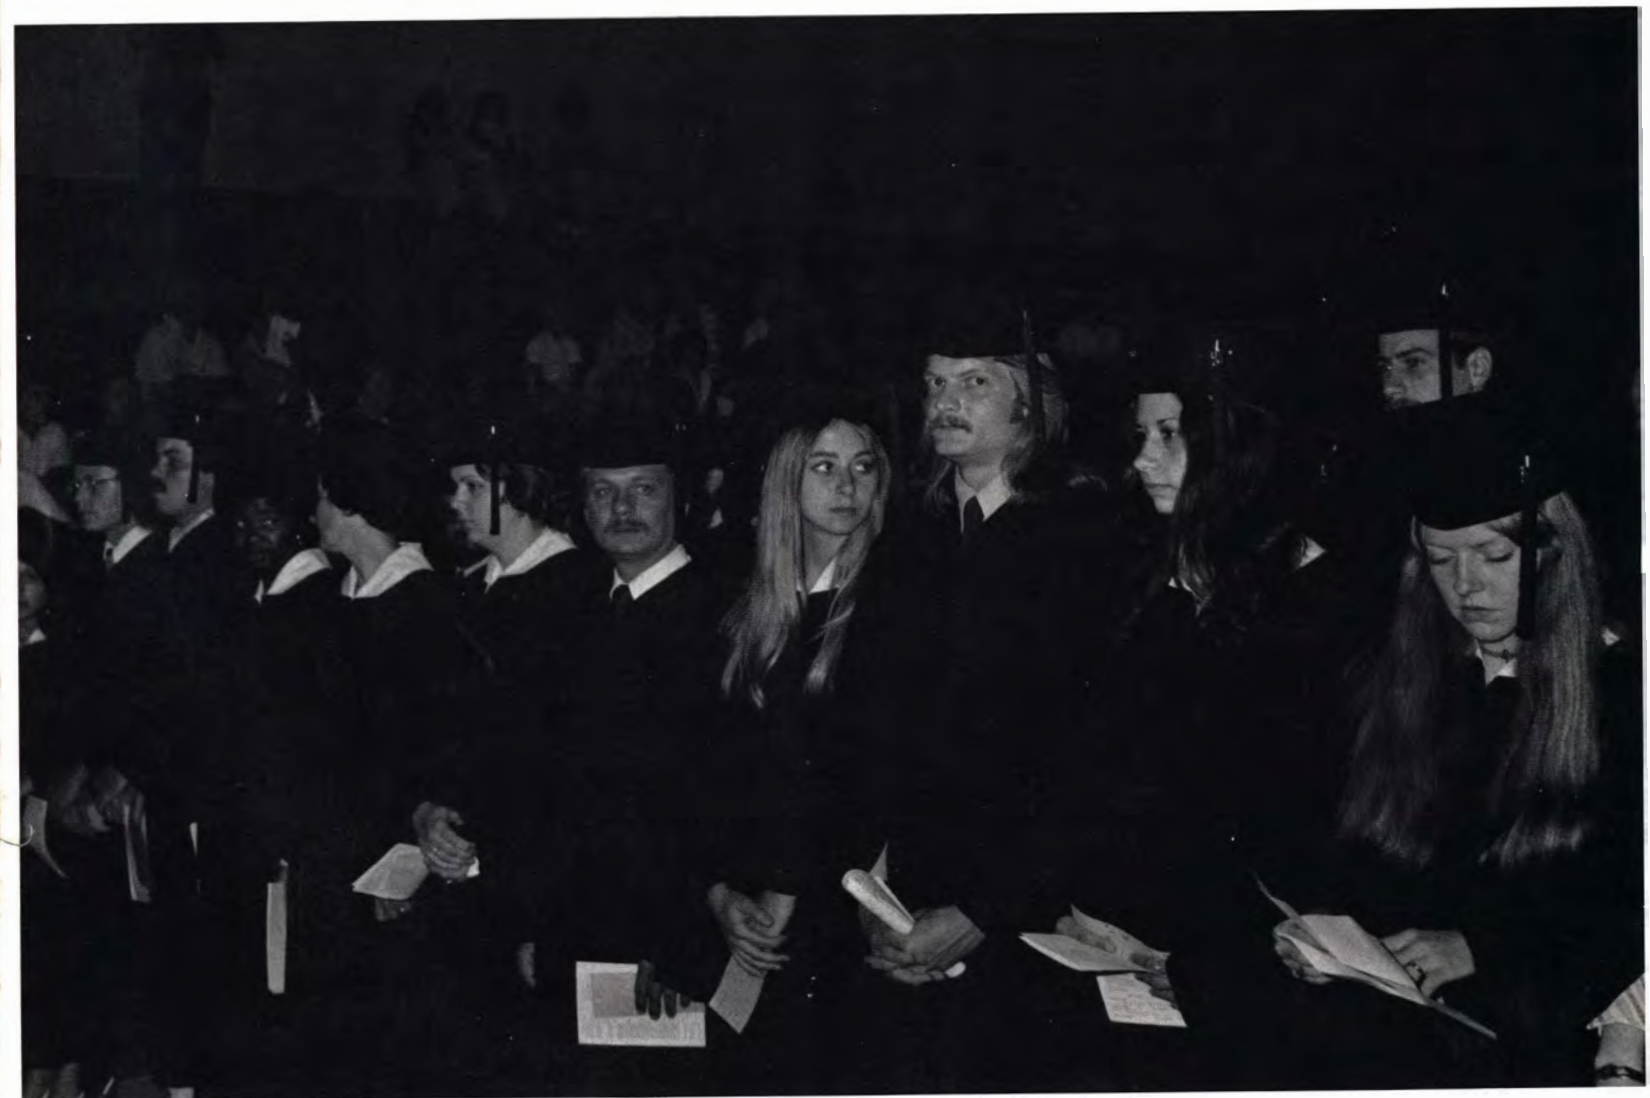

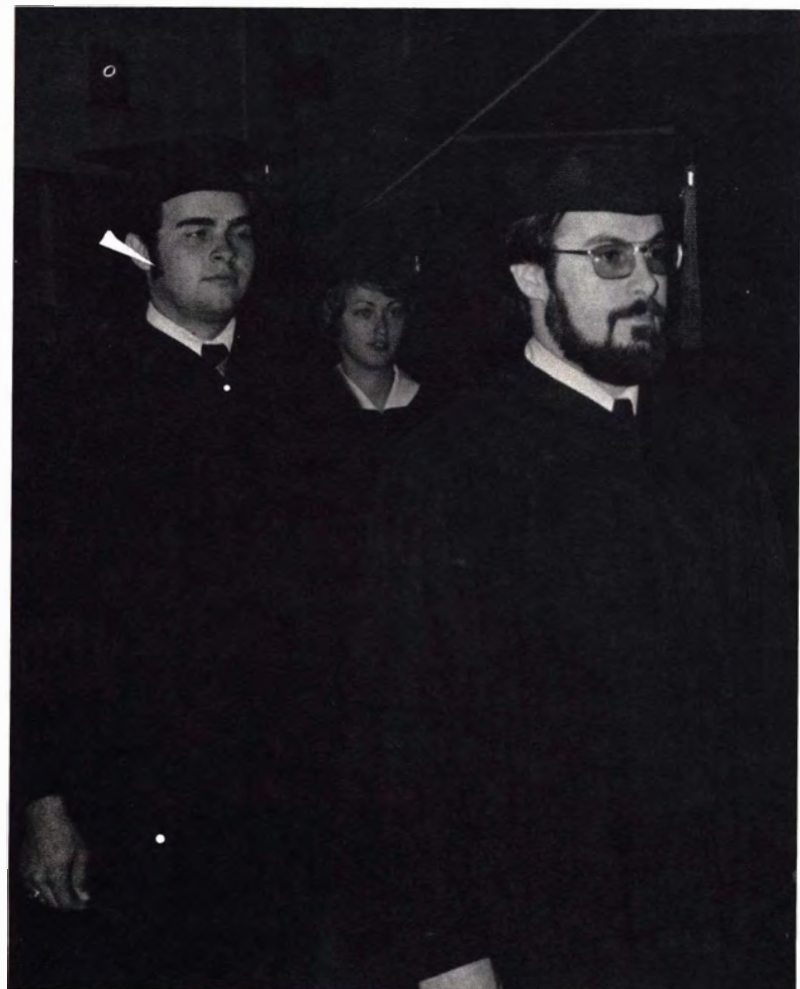

This years Intramural Sports were a big success at KJC. They included football, basketball, and volleyball. Everyone had a good time and the competition was close, but at last Garr's Savages came out on top in football. Other challengers were: The Spartans, The Team, Lizzards, Junkyard Hogs, War Eagles, and GDI. At the time of publication, the winners of basketball and volleyball were not known. We do know however, that these sports were as exciting as they were beneficial for everyone involved.

Graduation

Graduation is the sign of another milestone in our lives. It is a time of achievement and fulfillment, and it fills us with pride and hope. To think that two years ago we began with deep feelings of apprehension and uncertainty; now the time has come to face the fact of achievement and it is difficult to believe.

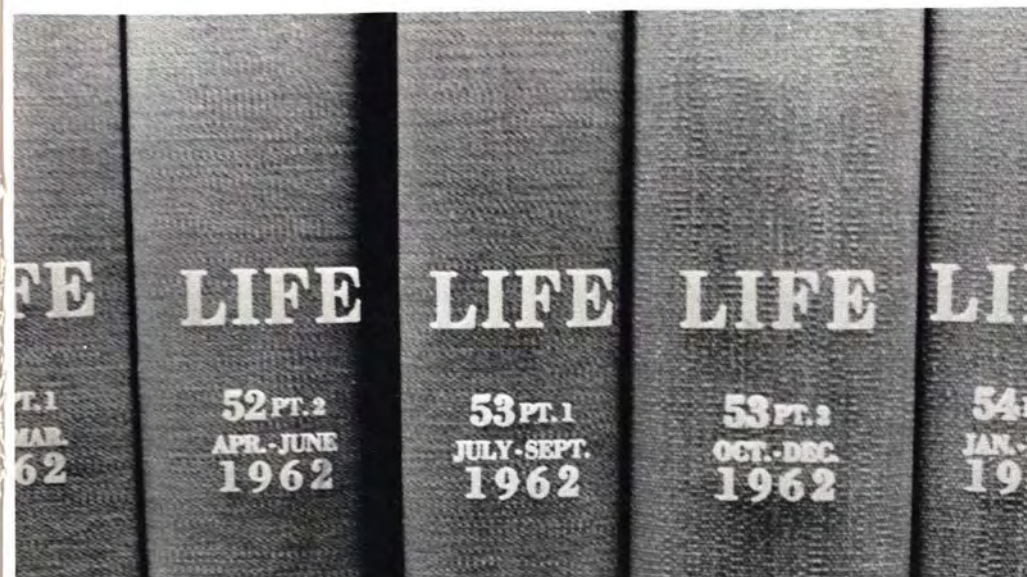

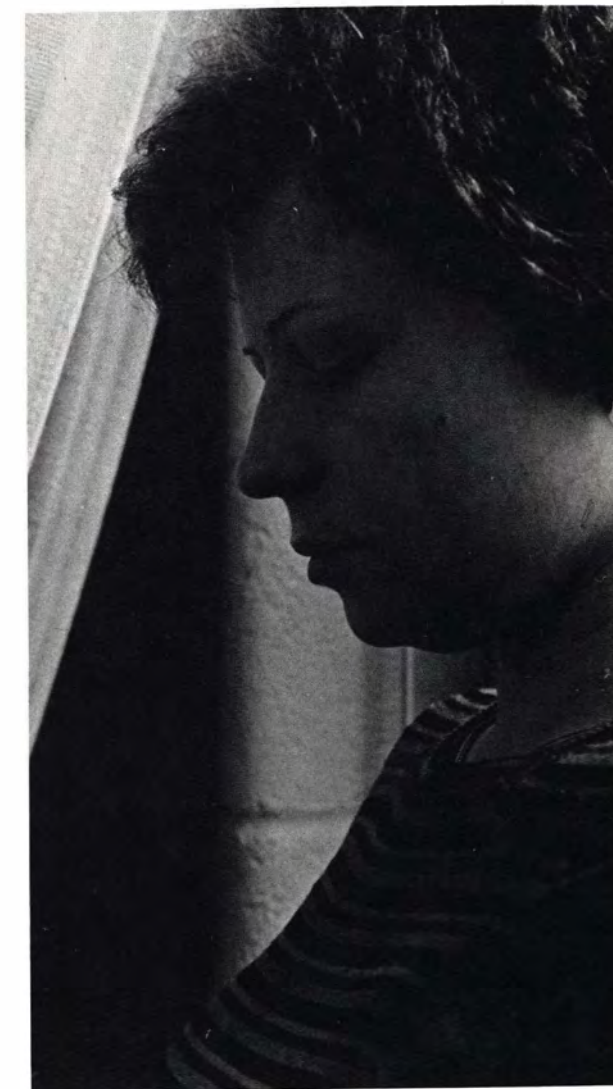

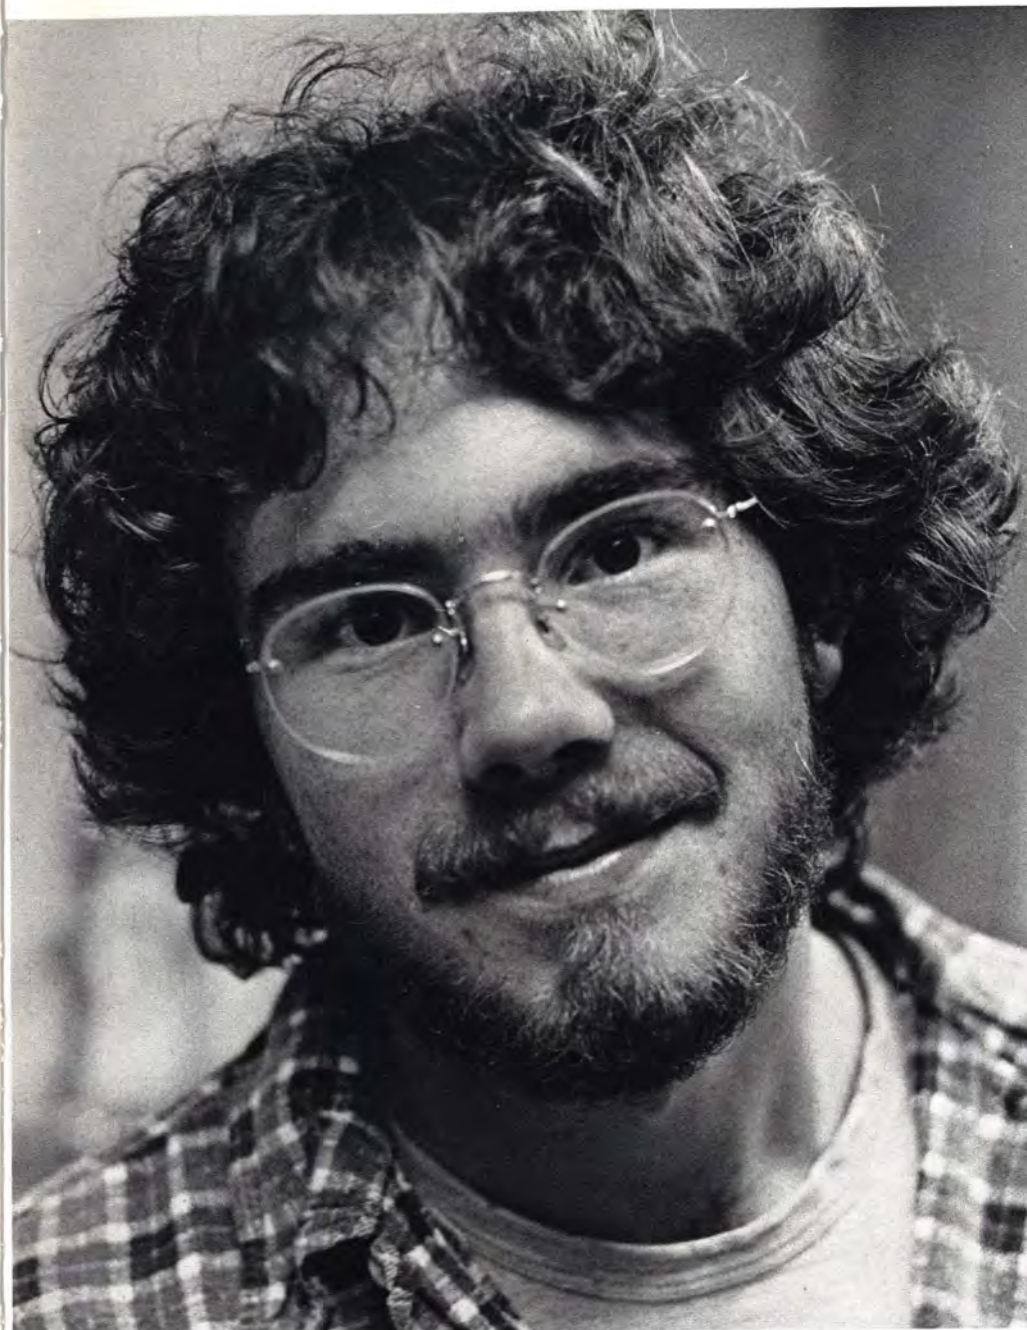

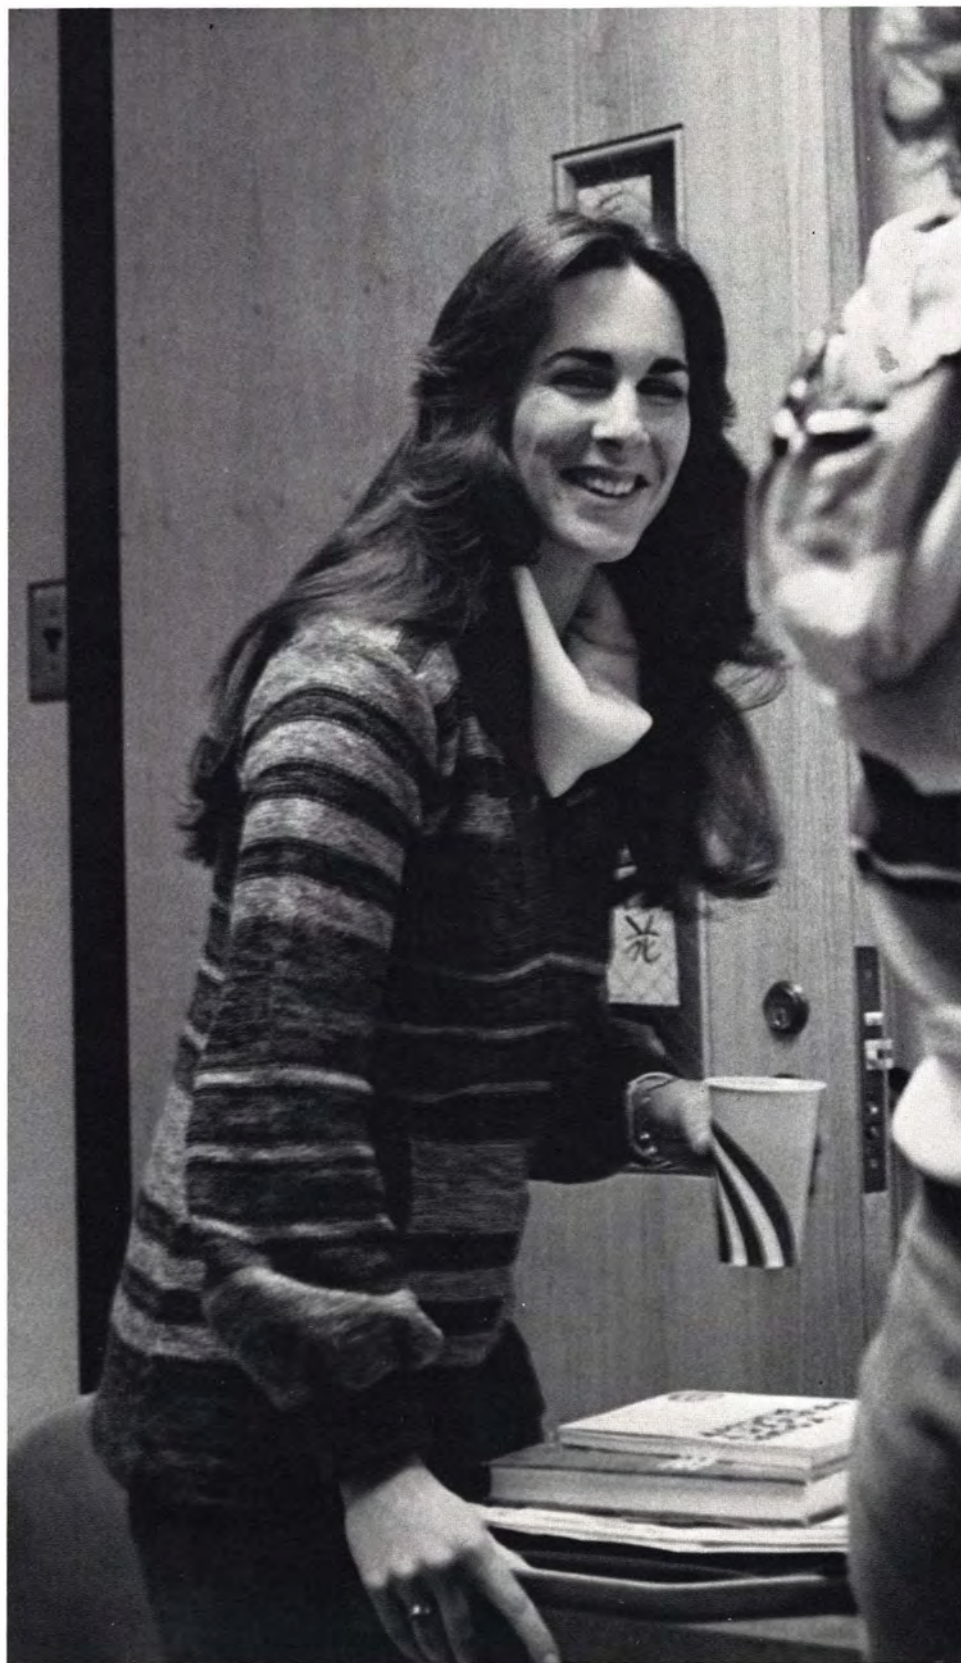

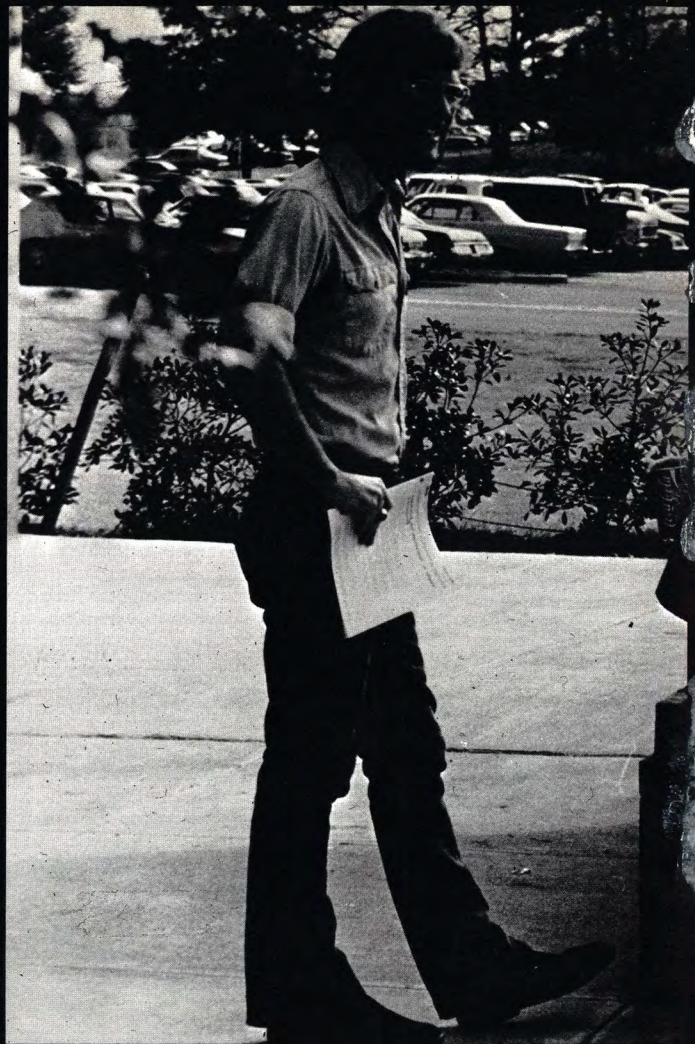

In Closing. . . .

It is done. I hope you like it. I've learned much about people, myself, and KJC—a good lesson in life. This is a good place, with good people, without whom this book would not exist. Among these are: Frank Wilson and Carol Lindsey (both of whom I dearly love), Morgan Stapleton (our esteemed advisor), Elliot Hill (a friend in every respect), Beryl Ledford (without whom this book would not have a prologue or epilogue), and Bill Wolfe (a publishing representative with a heart). The staff was fantastic! Contributors include: Karen, Steve, Brian, Mark, Robert, and Tom (among others). Phototron has done a great job, also. Thank you all, and most of all I thank Bill, Mary, and my Lord.

*With Love,
Susan
Editor 75-77*

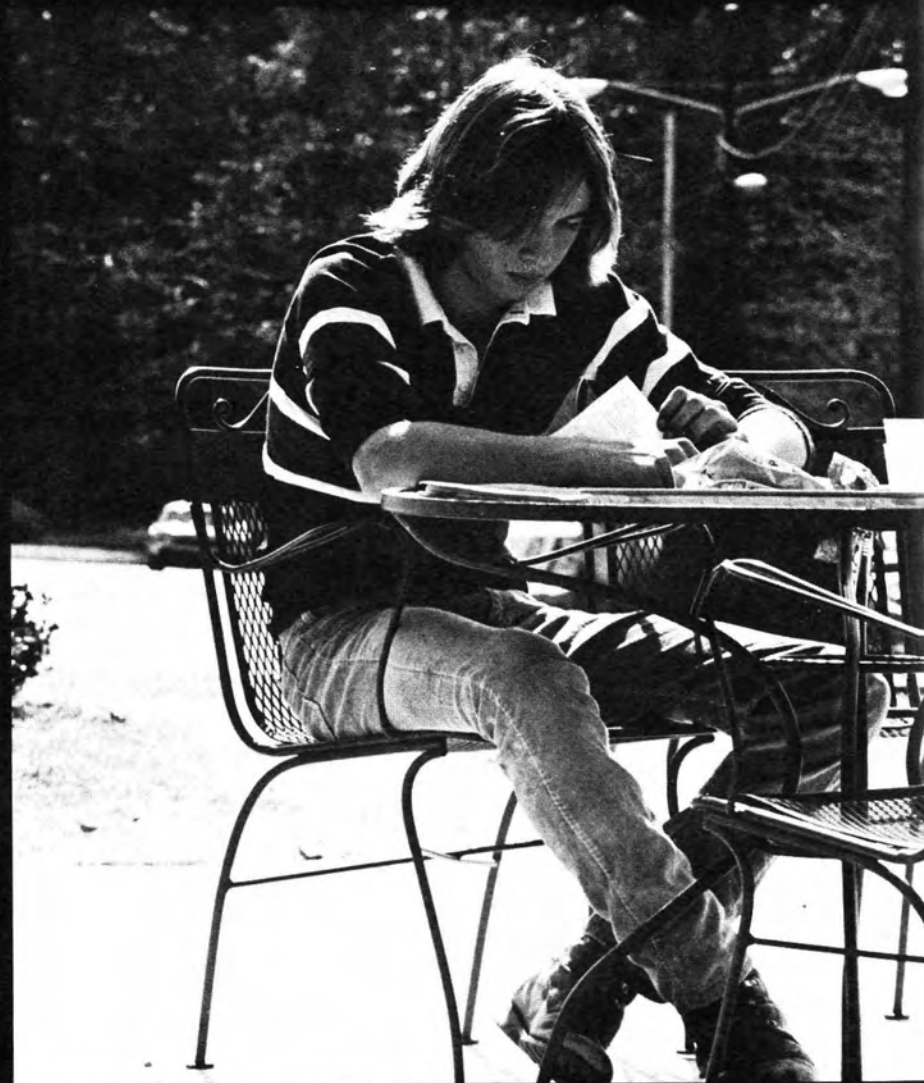

Now, having come and been together, as those before, it is time, as those before, for us to go.

*Cloaked
in
our
differing
affairs,
we
move
apart.*

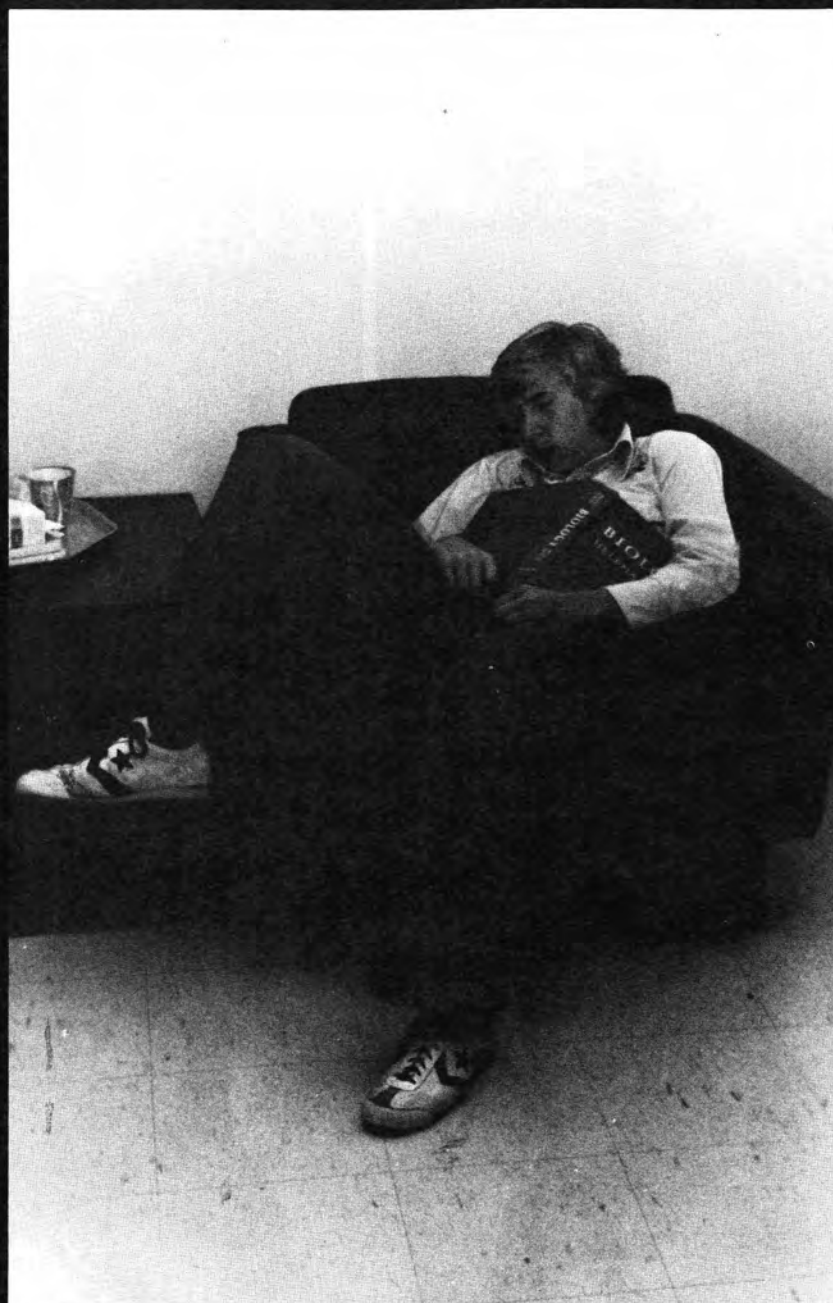

Our voices have filled these buildings—our thoughts, these rooms. We are learning. We are unified. We are many. We are individuals.

*In
being
many,
we
sway
opinion.
In
being
ourselves,
we
are
fulfilled.*

*In
learning,
we
construct
our
lives.
In
unification,
we
reach
goals.*

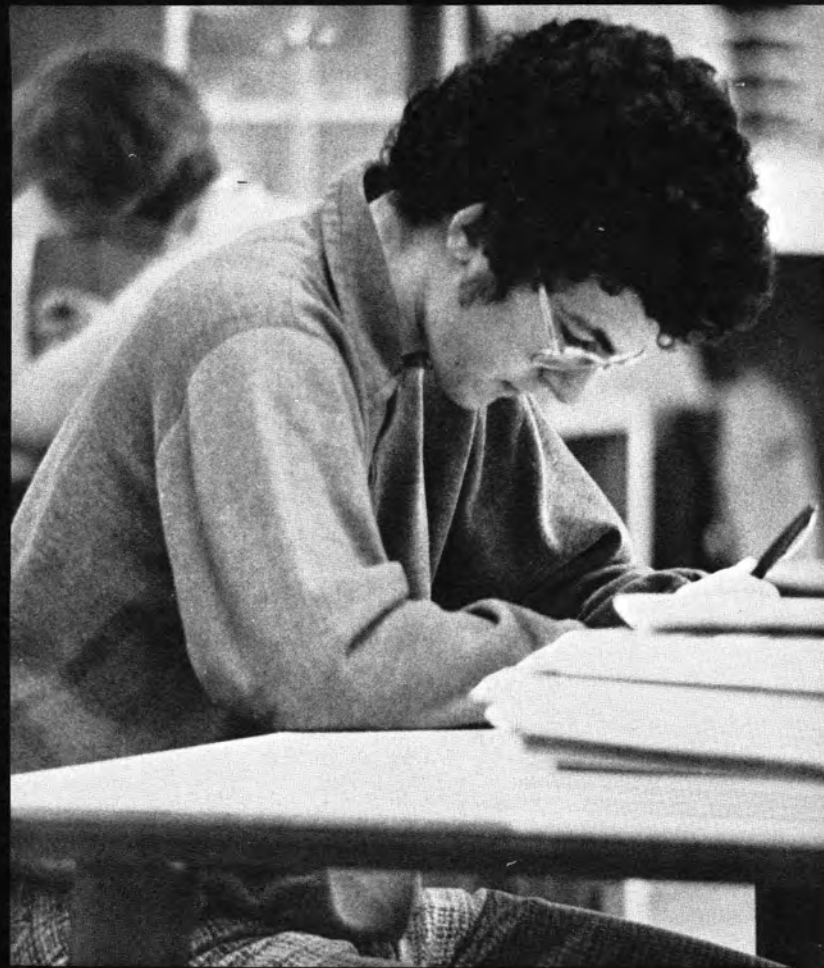

We are the veil between now and the future, and the future can be seen by seeing into us.

Here, at this place in time, we have come together as those before.

*We
have
thought
and
we
have
experienced
and
we
have
learned.*

*We are able to hold our place in
this—our world.*

Specifications

Number of Copies—2,000

Number of Pages—192
