ACADEMIC AND ATHLETIC EXCELLENCE

Dear Basketball Fans,

Welcome to Southern Tech. Tonight's game promises fast-paced basketball action with one of the best NAIA programs in the nation. Based on the past seventeen seasons, Southern Tech ranks among the winningest men's basketball teams in the NAIA - with an impressive win-loss record of 372-171. Last year's team compiled a 16-17 record and were in the District 25 playoffs. This success record is due to the talent and teamwork of our athletes under the strong leadership of Head Coach George Perides, who is entering his eighteenth season at the college.

Joining our two returning players will be ten outstanding junior college recruits from throughout the state, as well as Florida, Alabama, the Bahamas, Michigan and Jamaica.

This year marks an important new director for the program, as we are now part of a new conference, the Georgia Athletic Conference consisting of nine members: Berry, Brewton-Parker, Clayton State, Georgia Southwestern, LaGrange, North Georgia, Piedmont, Shorter and SouthernTech. The conference champion will have an automatic berth in the national tournament (now held in Tulsa, Oklahoma).

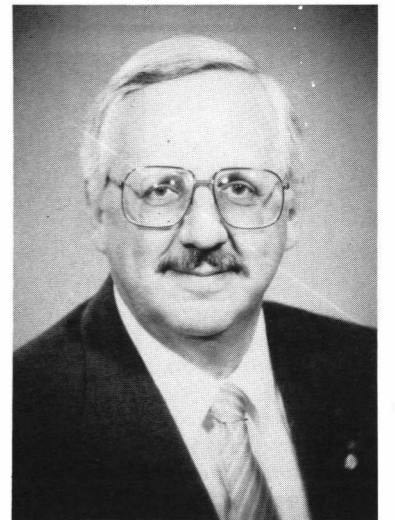

Southern Tech continues to experience growth throughout the College. In the recreational area, a new indoor center has been funded and will be under construction soon. The outdoor recreational complex should be completed by Spring. On the academic side, this year has seen the approval of a new BS degree in Technical and Professional Communication. A new academic department, "Social and International Studies" was also formed.

We hope that you'll find an opportunity to return to the campus during the day and get a firsthand look at our growth and facilities. Although technical in nature, nationally prominent, and one of the most selective public colleges in Georgia, Southern Tech maintains a comfortable student oriented atmosphere.

Webster defines teamwork as "work done by a number of associates each doing a part, but all subordinating personal prominence to the efficiency of the whole". Because of it, Southern Tech not only has one of the winningest basketball teams in the country, but is a flagship technological college. The young people on our athletic team exemplify the winning spirit of our over 4,000 students and nearly 500 employees. We're glad you're here tonight to share in that spirit.

Sincerely,

S.R. Cheshier
President

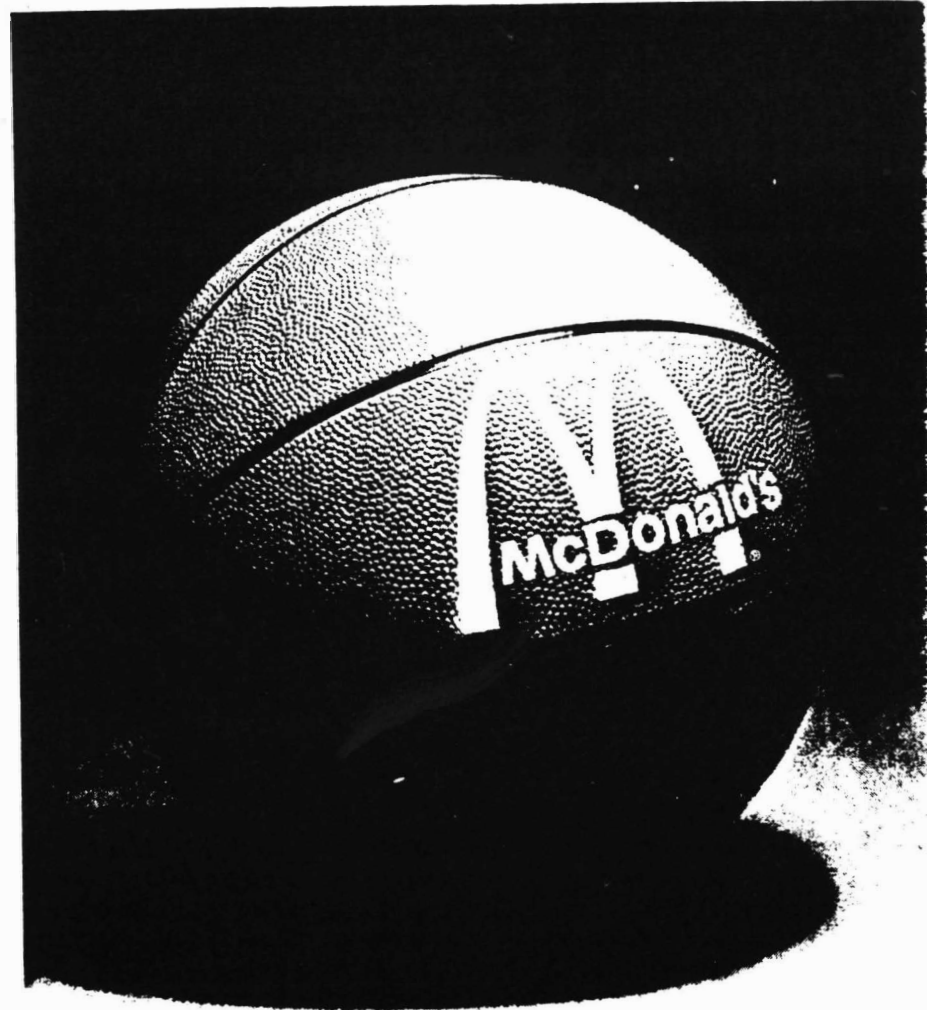

Best of Luck in '93 - '94

Game plan.

Success in basketball requires plenty of training, good coaching and team play. And it requires a game plan.

At McDonald's® our game plan is simple. We have the team to produce winners every season.

Winners like Quarter Pounder® Sandwiches (weight before cooking 4 oz.), Big Mac® Sandwiches,

Golden French Fries, and Thick Shakes.

And our game plan includes careful handling. We never drop the ball when it comes to service. Prompt and courteous - whether you're home team or visitor.

So before or after the next battle on the hardwood, include McDonald's in your game plan.

National Association of Intercollegiate Athletics

The National Association of Intercollegiate Athletics (NAIA) is a completely autonomous association which administers programs leading to national championships in 23 events for more than 400 accredited four-year colleges and universities in all 50 states and Canada.

Established in 1940 as the National Association of Intercollegiate Basketball the NAIB evolved from the institution of a "National Small College Basketball Tournament" which was inaugurated in 1937. In 1952, the NAIB expanded to include tennis, outdoor track and golf, and that year the organization was renamed the NAIA.

Since that time the NAIA has further enlarged to encompass football (two divisions were formed in 1970), cross country, baseball and swimming which were added to the NAIA championship program in 1956, wrestling (1958), soccer (1959), gymnastics (1964), indoor track (1966), ice hockey (1968) and volleyball (1969).

With its national headquarters and staff located in Tulsa, OK, the NAIA is organized into 32 districts. The District Executive Committee is the governing body in each District with the District Chairman serving as the chief officer. Within the district an eligibility chairman and publicity chairman are appointed to handle various duties.

A major factor in the success of the NAIA program is the importance placed on "grass roots" organization, in which each district administers and organizes the programs of the schools within their own district. The districts are usually small enough in the number of schools involved that each individual institution has a major voice in the policy and decision-making process within that district. This procedure carries forward to the national level, where each of the 32 Districts have an equal voice in national matters.

The NAIA clearly outlines its own responsibilities and those of its members: a sound athletic program, administered and controlled by those responsible for the administration of the college or university. The NAIA encourages a broad program of athletic pursuits in its member institutions and aims at uniformity and equity in policies and practices through its district and national championship events.

Eligibility rules in the NAIA govern all competition in sports recognized by the NAIA, not just post-season competition. These rules must be adhered to by all NAIA member institutions, including those members holding dual affiliations with other associations. NAIA member institutions must pay the annual membership dues and be in support of the policies of the Association.

SOUTHERN TECH AT A GLANCE

Founded: 1948

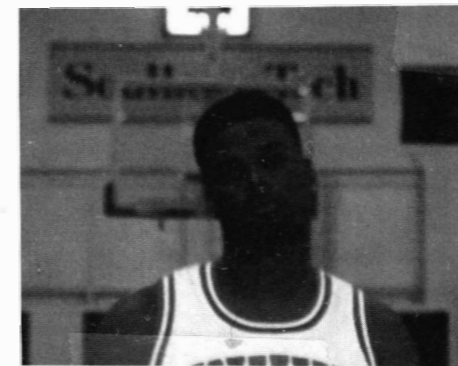

Location: Marietta, Georgia, 15 miles northwest of Atlanta.

Degrees Conferred: Associate degree transfer programs, bachelor or architecture program, bachelor degree program in several areas of engineering technology and related fields, as well as three masters programs.

Accreditation: Southern Association of Colleges and Schools The engineering technology programs, except the program leading to the master's degree, are accredited by the Technology Accreditation Commission of the Accreditation Board for Engineering and Technology (ABET).

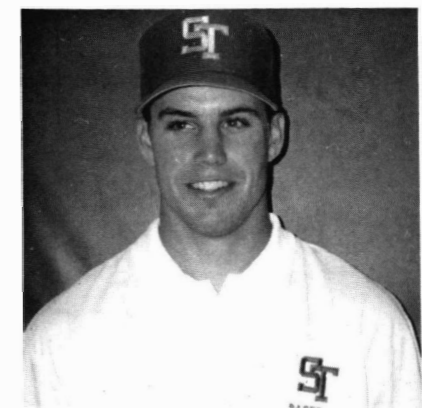

Athletics: Southern Tech is an NAIA Division 1 program and a member of the Georgia Athletic Conference (GAC). The Hornets compete in intercollegiate basketball, baseball, and tennis.

Southern Tech is a co-ed senior college in the University System of Georgia. In 1991, *U.S. News and World Reported* cited Southern Tech as the number one "Up and Comer" engineering specialty school in the nation.

Campus Walk: Just a Walk Away!

The Tradition Continues

Once again, we expect to see a winning season from our Runnin' Hornets. The Hornets have qualified for the NAIA District 25 playoffs each of the last 16 years. The 1992-93 season saw the Runnin' Hornets post a 12-6 GIAC conference records.

This year's Runnin' Hornets are a new team with only two returning players. Returning for the 1993-94 season are sophomore guard Jermaine Griggs and senior guard Terry Herrod. The remaining '93-'94 Hornets are junior college transfers.

Southern Tech is one of nine Georgia colleges that compose the new Georgia Athletic Conference (GAC). The new conference includes Piedmont College, but does not include Kennesaw and Life College, our "back door rivals." Conference play begins January 8 1994, with North Georgia at home.

With all this new talent and a new conference, we hope to see you at many of our remaining 13 home games as well as some of the away games. Most of our conference rivals are just "up or down the road." Hope to see you there.

Dr. Patricia DeJarnett
Faculty Athletic Representative

GEORGE PERIDES
Head Coach

Head Coach George Perides enters his eighteenth season of leading the Runnin' Hornets with an impressive track record. In Perides' seventeen seasons at Southern Tech, the Hornets have compiled a 372-171 record and have captured the NAIA District title for a record five straight from 1978-1982 and again in 1987. In twelve of his last fifteen seasons his teams have won at least 20 games.

WAYNE COLLETT
Assistant Coach

George Perides came to Southern Tech from Palm Beach Atlantic College, West Palm Beach, Florida. His team made one trip to Kansas City and posted a 82-43 mark over four seasons.

Assistant Coach Wayne Collett is a former player for the Runnin' Hornets. Wayne is in his third year assisting with the coaching duties.

The Greatest Victory In Sports Is Not In Any Record Book.

Whether you win or lose, sports teach you to come back with a better effort the next time. And that's one of the greatest victories you can achieve.

Sports also teach you teamwork, dedication and determination - value you can apply to every aspect of your life.

NationsBank truly believes in this spirit of sportsmanship. And we are proud to help this spirit grow through our support of sporting events at every level of competition.

After all, sportsmanship has the power to make winners of us all. And we know of no greater victory than that.

Good Luck, Southern Tech !

Village Inn PIZZA PARLORS®

Village Inn Pizza is proud to serve the students at Southern Tech. We invite you to dine with us throughout the year and enjoy our new, extended buffet. We have added a variety of salads and entrees and of course, our ice cream bar. We also serve a delicious all - you - can - eat breakfast bar and buffet on the weekends.

306 SOUTH COBB PARKWAY, MARIETTA

SHONEY'S

BEST WISHES FOR A WINNING SEASON !!!

Shoney's always welcomes the students of Southern Tech to come by for breakfast, lunch or dinner. We serve complete dinners, sandwiches and burgers, and of course, our all-you-can-eat soup, salad, and fruit bar and our breakfast buffet.
