DOCTOR BAKER,

BEGS Leave to inform the Public in general and his Friends in particular, in the Thirteen United States, that he has just received a fireth Affortunent of Mediciners, which will enable him to piepase the genuine Antiferotupite Pentitivier, and Albi-on Effence, for preferring the Teeth, Gums, Sockets, Breath, &c. &c.

this Effence and Deptifrice is prepared by himfelf, and war-espit; it takes off the mucilaginous properties that will be the fockets of the teeth, and prevents the tooth-ach arising nerves in prevents of the teeth, and prevents the tooth-ach arising nerves and valcular parts of the teeth, and prevents the tooth-ach arising herefrom; it concults the vitiated junes, renders, beyond description, a juvenile fragrance to the breath, makes the teeth white and beautiful, causes the gums to grow firm to the teeth, makes the falliva pure and balkanic, eradicates the scury, and reftores the gums or their priftine state, if the teeth and gums have been thoroughly cleaned by some skil-ful. Dentilt.

fol Dentith.

Its efficacy is well known to the principal nobility, gentry, and others, of France, Holland, Great-Britain, Irelani, and other principal places in Europe, also to some thousands in A-

and others, of France, Holland, Great-Britain, Irelini, and other principal plates in Europe, allo to fome choulands in America.

The Doctor may be confulted on all difurders of teeth, gums, fockets, ulcers, cancers, abceffers, fiftulan forporations, inflammations; fungi excrefeences, expolure of the roots of teeth, recefs of the cums, formation of fig. different kinds of tartar, change of pofition, protrutions, loofenefirs, luxation, caries, and exolution of the bunes which form the fockets, cances of the teeth, lofs of enamel, matter collected in the madilary finulties, fometimes in the cancellated fubilance of the lower juw; fractures, obfructions of nerves and vifcular parts of the teeth, forfines and bleeding of the gums, compression of tartar that obstruct the regular course of the fluids, which will be liable to puttify and defrox, in a short time, the gum, the focket, and perioditum of the root. Every one of the abyse disease of the teeth and gums, will cause the tooth-sch, head-ach, car-ach, eye.ach, lofs of teeth, feted breath, &c.

He also may be consulted in all disorders incident to children in teething, for the eruption of teeth in children, is often attached with the most staal consequences, by exciting severs, convultions, gripes in the intellines, accidities in their stomachs, &c. &c. and they suffer in proportion to the delicacy and sentibility of their conflictions; also in the number and squee exterior was paid of numbers of children might be saved,

Thuse who have had the mistertune of the many have nutural teeth transplanted, of the same and incompetency and the same sufficial teeth, storp, pleas fet.

The Doctor begaleave to many have nutural teeth transplanted, of the same and squeeth transplanted, of the same sufficial teeth, storp, and DOWLASS, any mandod used in Europe.

N. Dr. Baker's Alboton Effence, 7

any mahod used in Europe.

N. d. Dr. Baker's Albion Essence,
Second-treet, below rhe City Tavern, where all merchants,
shop-kepers, malies of vessels, and there, may be supplied
with any quantity to fend to foreign pils, with proper printed
direction. By attending properly take directions, and observing the incessellary precautions, people by not only free themfelves from a great deal of pain, as preserve their teeth and
gums throughout life, but also those if their children; as
health, and beauty of the teeth, depad in a great measure of
the care and treatment of them in easy life.

Each pt of Anti-Scorbust Dentiste, has, to prevents and,
his namen the cover, and fealed was his coat of arms, the
same as the copper-plate arms on the able of the bottle of Alhio Essence.

The Dentifice and Essence (with opper brushes) may also be
had, McSts. L. BLANE and WAGN s, and Mrs. Arkn Dunkeer, Ibiliner, in Chesput-freet.
