Dear Deane:

Thank you for a wonderful victory on November 3rd! Your support and tireless efforts during this campaign made a tremendous difference in our vote from the African American community. Only with your help could this historical moment have taken place.

Now that the election is over, our campaign for change continues to move forward. As we begin to structure the new administration, Governor Clinton remembers the significance of the African American vote in this election, and he plans to maintain this partnership throughout his presidency.

Over the next four years, I look forward to working with you as a team in our efforts to change this country. Together, we can make this country a better place for our children and future generations.

Again, thank you for everything you have done to promote this campaign. I look forward to working with you in the days ahead. Have a Merry Christmas and a Happy New Year!

Sincerely,

CAROL WILLIS
Senior Advisor to
President-Elect Clinton
